

Love So Sweet 375

375 Watching Him Through the Reflection

After lunch ended, Fang Su Jin stayed with her friend for a while before finally making her decision to leave. Although it might sound like she was joking, Fang Su Jin was really serious about buying Zhang Li Xue a sexy outfit.

Whether Zhang Li Xue was going to wear it on the wedding night is not important.

“You’re leaving so soon?” Li Qin Yao asked.

Fang Su Jin nodded. “Auntie, I still have something to do. So, it’s better if I leave first.”

Li Qin Yao sighed, knowing that she could not stop Fang Su Jin from leaving. Then, she turned around and finally saw the person she was looking for. “Yi Hai, you’re here.”

Fang Su Jin stiffened. She was not expecting Zhang Yi Hai would be appearing at a time like this. Before she could compose herself, Li Qin Yao had spoken again.

“Yi Hai, go and send Su Jin back home,” Li Qin Yao said.

Fang Su Jin waved her hand. “Auntie, there’s no need to trouble him.”

“What are you saying? You came over by a taxi, right?” Li Qin Yao argued. “You already made your time to help Li Xue. Of course, I can’t let you go home by yourself.”

.....

Without waiting for Fang Su Jin to reply, Li Qin Yao looked at her son again. “Yi Hai, go.”

The corner of her lips began to twitch. Fang Su Jin thought that the mother and son’s style was really similar.

Zhang Yi Hai took his keys and walked over to Fang Su Jin. “Sister Fang, let’s go.”

Fang Su Jin could not say no.

At this time, Fang Su Jin was regretting her decision not to drive her car over. It wasn’t that she did not know how to drive. It was just that, Fang Su Jin had always thought that parking was too troublesome. This was the reason she chose not to drive and would rather hail a cab.

After saying a few words to Zhang Li Xue, she then followed Zhang Yi Hai. The man stood beside the vehicle while waiting for her. Fang Su Jin walked over and spoke, “Actually, you don’t have to send me back. I have someplace I need to be.”

“It’s fine. I can just drop you off. Sister Fang, where are you going?”

Fang Su Jin pursed her lips. She had a hunch that no matter what she said, Zhang Yi Hai will come up with an excuse to send her back.

“Just drop me off at the mall.”

Zhang Yi Hai nodded. “Okay.” He helped Fang Su Jin with the door before he walked around the vehicle.

Fang Su Jin lowered her gaze as Zhang Yi Hai slid into the driver's seat. The young man's scent filled the vehicle, causing her heart to palpitate.

The vehicle started to move, leaving the residence.

Fang Su Jin turned her head to look at the window while secretly watching someone through the reflection.

She realized that the more she spend her time around him, the more she would not be able to stop thinking about him. Fang Su Jin was really at loss for what she should do with her feelings. She wanted to be by his side, but it only made her feel guilty.

After a while, the vehicle stopped over at the red light.

Zhang Yi Hai glanced at the person beside him and noticed how she has been looking out the window for a long time. From the moment he slid into the car, Fang Su Jin did not turn to look at him at all.

His lips pursed into a thin line.

After doing some thinking last night, Zhang Yi Hai was convinced that he liked Fang Su Jin. But, seeing the way she was acting right now, it doesn't seem as if she shared the same feeling.

Zhang Yi Hai took out his phone and started to fiddle with it for a while. Then, when the red turned green again, Zhang Yi Hai continued to drive.

At the side, Fang Su Jin was relieved upon noticing that they had almost reached her destination.

She had thought that Zhang Yi Hai was going to drop her at the entrance, but it seemed that Zhang Yi Hai was driving into the parking area.

Fang Su Jin turned to Zhang Yi Hai in shock. "You..."

"My mom texted me just now and asked me to buy something," Zhang Yi Hai explained quickly.

Fang Su Jin recalled seeing Zhang Yi Hai touching his phone a while ago and thought that he was telling her the truth.

In fact, Zhang Yi Hai texted his mother to tell her that he was going to stop by the mall and asked if she needed anything. A while later, her mother gave him a list.

Once he found a parking spot, Zhang Yi Hai alighted from his car and turned to Fang Su Jin again. "Sister Fang, should we go separately and meet somewhere else later?"

Fang Su Jin waved her hand. "No need. No need. I can go back on my own. Zhang Yi Hai, don't trouble yourself."

Zhang Yi Hai could not help but feel disappointed at her answer.

Wasn't this evidence that Fang Su Jin did not think of him as he did of her?

Moreover, why does it feel as if Fang Su Jin was avoiding him?

After they left the house, it seemed that Fang Su Jin refused to look at him.

Fang Su Jin noticed the slight change in Zhang Yi Hai's eyes. Without knowing why she was feeling a bit guilty. Then, her mouth started to speak before she could think.

"Now that I think about it, it should be difficult for me to get a taxi at this time," Fang Su Jin said. "Zhang Yi Hai, if you don't mind, just give me thirty minutes. Then, we'll meet at the fountain at the entrance, alright?"

A few seconds after she spoke those words, Fang Su Jin began to feel that she was making a rash decision. Now, Zhang Yi Hai would think that she was being strange, right?

To her surprise, Fang Su Jin saw the hint of a smile on Zhang Yi Hai's face.

Ba-dump!

Her heart was beating loudly.
