

Love So Sweet 384

384 Happiest Day

Bai Qi lowered his gaze to look at the photo on their marriage certificate.

The smile on Zhang Li Xue's face was especially pretty. One could tell that she was happy in this photo. The corner of her lips tilted up and her eyes were shining brightly.

Bai Qi held the red book in his hand, feeling a wave of emotion coming over. He could not explain just how he was feeling at this moment.

He had always thought that marrying his little fairy would be a dream. But now, it has become a reality.

After staring at the red book long enough, Bai Qi finally kept it in his pocket. He really treated their marriage certificate as if it was a rare treasure.

Lowering his head, Bai Qi found that Zhang Li Xue was staring at him. Her gaze was warm and penetrating. The two of them were looking at each other and no one looked away.

"What are you looking at?" Bai Qi asked.

The smile on Zhang Li Xue's lips turned wider. "You."

A soft chuckle escaped him upon hearing her answer.

.....

Once upon a time, the young Bai Qi worked hard to get this little fairy's attention. He had never played basketball before, but because of her, he learned the sport just to get close to her. Then, he became really good at it.

Who would have thought that after a separation and meeting again, he would finally have her attention?

His little fairy was looking at him in adoration. It was as if she never wanted to look away again. He could feel how much she loved her just by the way she looked at him.

His heart swelled with an indescribable sense of happiness.

This was definitely the happiest day of his life.

"Alright." Bai Qi leaned over to kiss the top of her head. "We should go and find Xi Xi now. You can continue and stare at me later."

His gaze fell on her red lips. An urge to kiss her lips came over, but this was not a good place. Bai Qi was worried that he might get carried away.

If it was not because they needed to leave and find his little sister, perhaps he would not mind letting her look at him for as long as she wanted to.

Zhang Li Xue laughed. She took out her phone and finally sent a text to her brother to tell him that they were done with the procedure.

She did not forget to snap a photo of their marriage certificate and send it to her family. Then, Zhang Li Xue posted the photo on her social media.

The comment section exploded, but Zhang Li Xue was no longer paying attention to everything online.

Of course, Mu Zhen Yu was among the first to see her post. Mu Zhen Yu could not hide his shock upon seeing the news.

The person he had adored from a young age was now married. And the man she was married to was someone he knew. It wasn't long ago that Bai Qi returned to Y City and reunited with Zhang Li Xue.

How did they get married so fast?

The red book in her hand let him know that he now had really lost his chance to win her over. He knew the Zhang family and understood that Zhang Li Xue's family had given their relationship their utmost support.

A faint and sad smile curled on his lips. Mu Zhen Yu had so much regret. But he cannot turn back the time and change what had already happened.

...

Bai Qi pushed the wheelchair out of the building.

As they came out, they could see a small figure running over to their side.

"Pretty Sister, Brother Bai Qi!"

The corner of Bai Qi's lips began to twitch.

Look at his sister now. She was looking for her Pretty Sister first. It seemed that his position was no longer as high as Zhang Li Xue's.

"Xi Xi, have you been waiting for too long?" Zhang Li Xue asked.

The little girl shook her head. "No. It's not too long." Her eyes shifted to the couple's empty hands. Suddenly, she was feeling a little disappointed. Bai Xi Xi looked up at her brother again and started to wonder if her brother had failed his mission. "Brother Bai Qi, did you get the certificate yet?"

Her brother can be worrisome at times and Bai Xi Xi was afraid that her Pretty Sister would change her mind.

Bai Qi chuckled as he looked at his sister's face. Instead of answering, Bai Qi took out the certificate that he had kept in his pocket and showed it to his sister. It was better to let her look at it herself. Only then would she feel more at ease.

The little girl's eyes lit up. She took the marriage certificate from her brother and flipped it open. Seeing their faces in it stunned her. Bai Xi Xi looked at the photo for a long time. Then, the corner of her lips tilted up.

Seeing the change in her expression made the others smile as well. Everyone could see that Bai Xi Xi was overjoyed.

After a while, Bai Xi Xi raised her head to look at Zhang Li Xue. "Then, I can call you my sister-in-law now?"

Her question turned Zhang Li Xue's face red. Zhang Li Xue was feeling shy and amused at the same time.

Zhang Li Xue nodded. "Un. You can."

Bai Xi Xi lowered her head shyly. Then she called out, "Sister-in-law."

"Un." Zhang Li Xue nodded.

Fang Su Jin walked over and spoke, "Xi Xi, you're not going to call her Pretty Sister anymore?"

Bai Xi Xi frowned as she considered this question. "Sister-in-law is good. Then, it will feel like my sister is really a member of my family."

Her answer made everyone stunned.

Then, Zhang Li Xue stretched her arms and pulled the little girl into her embrace for a long time. "Xi Xi, you can call me however you want. I will always be your family."

Bai Qi turned to both Zhang Yi Hai and Fang Su Jin to thank them for their help. Then, he took his wife and his little sister and planned to head over to the apartment first before they were going to gather again with the whole family.
