

### Love So Sweet 393

393 Mrs. Bai, Are You Sure?

The arm that rested on Zhang Li Xue's waist froze.

Bai Qi lowered his gaze to look at his wife again. Then, a faint chuckle escaped him.

He had almost forgotten. His little fairy was someone who would go do what her heart followed. In their relationship, Zhang Li Xue had always been that person who took the initiative. Sometimes, Bai Qi was embarrassed that he hasn't been more proactive. He was the man but he let his little fairy take the initiative.

Bai Qi continued to stare at Zhang Li Xue as if pondering her words.

"Then, Mrs. Bai, what do you want to happen?" Bai Qi lowered his tone.

In the dark room, his voice sounded very seductive to Zhang Li Xue. Moreover, the way he addressed her as 'Mrs. Bai' made her excited. She did not realize that she had drawn her body closer just because of this name.

A mischievous glint appeared in her eyes. Her hand started to roam around his chest. "Of course, I was hoping for us to do some bad things."

Bai Qi let out a low laugh. His wife was seducing him to do bad things. How can he not be tempted?

"Mrs. Bai, are you sure?"

Zhang Li Xue did not answer. Instead, she leaned over to kiss his Adam's apple.

.....

The moment her soft lips touched his skin, Bai Qi felt a jolt going through his body. Just as he thought that she would retreat, the girl licked and sucked at his throat lightly.

Bai Qi felt his body turn hotter.

Once Zhang Li Xue had pulled away, Bai Qi lowered his gaze and caught her lips with his.

Zhang Li Xue let out a contented sigh. She closed her eyes and wrapped her arms around his neck. Her lips parted as she reciprocate his kisses.

The soft and gentle kisses had turned into a storm in just a few seconds. The quiet room was filled with the sound of their kisses as well as their hurried breaths.

Facing the enthusiastic Bai Qi made her body grow excited as well. Her body was hot all over, but all she could think about was getting closer to Bai Qi. Her arms were holding him tightly as if wanting to merge into him.

However, just as she was about to move, the pain around her left leg came, causing her to groan in pain.

Bai Qi pulled away.

The lust in his eyes disappeared and was replaced with worry. "What is it? Did I hurt you?" He looked around to see if she was injured anywhere.

Zhang Li Xue quickly held his shoulder, stopping him from moving around. "No. It's alright." She lowered her gaze and continued, "I got a little bit excited and tried to move my leg."

Bai Qi stared at his wife speechlessly for a long time. Suddenly, he broke into laughter.

The man was laughing at her for a long time and it made Zhang Li Xue grow frustrated. She punched him in the chest and pouted. "You still laugh at me."

"I'm sorry." Bai Qi tried to suppress his laughter. Zhang Li Xue's pouting face was too adorable.

He hugged her in her arms again and leaned over to kiss the tip of her nose.

"Are you going to continue or not?"

Bai Qi leaned over to kiss her face repeatedly. "What if I hurt you?"

"I'll be more careful." Zhang Li Xue tugged at the front of his shirt and whispered, "And hubby, you should be more gentle."

Those words set a fire in his heart again. Bai Qi thought that his wife was really mischievous. She really liked teasing him and seducing him like this. The itchiness around his ear slowly spread all over his body.

"Bai Qi," Zhang Li Xue whispered her name coquettishly. "Kiss me."

His lips tilted into a roguish smile. "Your wish is my command." He leaned over again to rain his kisses all over her face. This time, Bai Qi reminded himself to stay calm and be more careful around her.

His kisses go down to her neck and then, to her collarbone.

Suddenly, Zhang Li Xue could feel the cold air blowing on her body.

She opened her eyes and saw Bai Qi with a complicated look on his face. She followed his gaze and saw what he was looking at. At this time, her pajama was pulled up, revealing the lingerie that Fang Su Jin had gifted her.

"Zhang Li Xue," Bai Qi's voice was a little raspy. He raised his hand to touch the thin garment on her body. His surrounding was dark, and he could only see her through the faint light that came from the outside.

Since he could not see very well, Bai Qi could only rely on his other senses. His fingers trailed over the lace on her body. He could already feel the thin materials on his finger.

Zhang Li Xue let out a gasp as his finger touched a sensitive spot on her body.

Her voice ignited a certain feeling in his body. Suddenly, Bai Qi turned around and switched on the bedside lamp.

The light was dim, but it was enough to allow him to see what he wanted to see. His throat bobbed. Bai Qi did not expect that his wife would make this much preparation.

The black lace against her fair skin was seductive. Bai Qi felt his head going numb. How can he try to be gentle with his wife tempting him like this?

“You... what are you looking at?” Zhang Li Xue asked. “Why did you turn on the light?”

The man has been staring at her body long enough that she was starting to get shy. Zhang Li Xue could already guess that Bai Qi would get excited when he saw her in this garment, but she did not expect that he would react like this. His gaze was burning.

“Don’t you like it?” Zhang Li Xue spoke again.

His hand grasped the small bunny trapped under the black lace, eliciting a moan from her. “I like it. Li Xue, you are too beautiful.”
