

Love So Sweet 394

394 You're Amazing

Zhang Li Xue arched her back and grasped the bedspread at the side as Bai Qi's touch became unbearable for her. Her eyes were shut tightly and her chest heaved heavily.

Her mind went blank for a few seconds.

When she finally steadied herself and opened her eyes again, Zhang Li Xue found that Bai Qi was staring back at her intently.

Zhang Li Xue licked her lips. The two of them have not entered the final step yet. However, his touch could still make her go crazy. At this time, she could not help but wonder how it would feel when the two of them finally become one.

Just then, Bai Qi rolled off the bed and pulled the shelf at the bedside table.

A puzzled look appeared on her face. Zhang Li Xue could not understand why Bai Qi had suddenly retreated.

Zhang Li Xue used her arms as support to sit up. When she looked at Bai Qi again, she realized that he was holding a small packet in his hand.

A gasp escaped her as she realized what was in his hand. She watched as he put the contraceptive on him before turning to her again.

"You..." Her face turned bright red as Bai Qi pounced on her. She raised her hand and stopped him before he could kiss her again. "Why are you wearing that?" Her brow furrowed as a thought came to her mind. "Don't you want a baby?"

.....

His eyes lit up. Bai Qi stared at his wife, amused. "Then, do you want one?"

Her gaze turned serious. "If it is with you, of course, I want one. Hmm... maybe two or three babies would be enough."

"Two or three?"

"Uh-huh." Zhang Li Xue nodded. "Then, the siblings could accompany each other."

His throat bobbed. Bai Qi placed his hand on Zhang Li Xue's flat stomach. Just the thought of having a child together with the person he loved made his heart feel warmer.

Bai Qi imagined a mini Zhang Li Xue running around him and thought that he really wanted to see it happen.

However, the time was not right.

"Li Xue." He leaned over to peck at the tip of her nose. "I want to have a baby with you, but not right now."

“Why not?”

His gaze softened. “First. Your leg is still injured. I don’t want you to get pregnant before your injury is healed. Second, I want to spend a long time with just you.” He leaned over and rubbed his nose against her neck. “Li Xue, it was hard enough to be alone with you with Xi Xi around. If we have a baby, then how am I supposed to compete with our child?”

Her eyes widened in surprise. After a while, Zhang Li Xue started to laugh.

She could still remember how Bai Qi would often think that his little sister was taking too much of her attention.

Zhang Li Xue did not expect that Bai Qi would give such an excuse.

“Don’t laugh.” Bai Qi bit at a spot on her chest, making her gasp in pain. He raised his head again and looked her straight in the eyes. “Li Xue, I can’t hold it anymore.”

Zhang Li Xue pursed her lips as Bai Qi caressed her leg.

“Just tell me if it hurts, alright?”

...

Zhang Li Xue lay at the side with her eyes closed to calm down. When she finally opened her eyes again, Zhang Li Xue found that Bai Qi was staring back at her with his eyes full of affection.

Seeing the way he was staring at her made her shy, but Zhang Li Xue was unable to look away from her husband.

She raised her hand and cupped his cheek. Zhang Li Xue could feel his perspiration underneath her finger. A smile curled on her lips. Zhang Li Xue leaned over to him and kissed the corner of his lips. “Bai Qi.” Her voice was a whisper.

“Hmm?”

Zhang Li Xue looked up to meet his gaze again. “You’re amazing.”

His heart skipped a beat. Bai Qi leaned over to kiss his wife on the lips again. He had already reminded himself not to go overboard. His wife’s leg was injured and this was the first time they were together. Naturally, he has to be more gentle with her.

However, a certain someone was getting better at seducing him with her word.

A low chuckle escaped him. “Mrs. Bai, you need to stop seducing me like this.”

Zhang Li Xue lowered her gaze. She was only giving him a compliment. Did that count as seducing him?

Bai Qi rested his forehead against hers and asked, “Are you alright?”

Her body was aching a little bit, but other than that Zhang Li Xue felt fine. “I’m alright. Just a little bit tired.”

Bai Qi held her body tighter. His hand was caressing her hair softly. “Just sleep if you are sleepy.”

Zhang Li Xue heaved a sigh as she rubbed her head on his chest, just like a lazy kitten. “Hubby?”

“Hmm?”

“I love you.”

His eyes lit up. “I love you too.” He leaned over to kiss her forehead.

Zhang Li Xue closed her eyes and leaned over to his chest. Bai Qi’s steady heartbeat made her feel calmer. Gradually, Zhang Li Xue fell asleep.

A helpless smile appeared on his lips as Bai Qi watched his wife sleeping in his arms. He could not help but stare at her face for a while longer. Then, he leaned over to kiss her face a few times. His movement was cautious as he did not want to wake her up.

After a while, Bai Qi rolled out of bed. His gaze fell on his sleeping wife again. The black lingerie on her body was a little crooked, but he seemed to like the way it look on her body.

However, after watching her for a while, Bai Qi found that his body had grown hotter again.

He took a deep breath and suppressed the raging feeling in his heart.

Then, he carried his wife into the bathroom to help her clean up.
