

Love So Sweet 411

411 Lead This Good Student Astray

Fang Su Jin bit her lips as she noticed that a certain someone could not stop staring at her. His gaze was too intense that she did not have the courage to look up.

After a while, Fang Su Jin could no longer take it. She raised her head and spoke, "Why are you looking at me like that?"

Zhang Yi Hai chuckled. He was holding Fang Su Jin's hand as if he was never going to let go.

"If you're not going to say anything, then, I will go back to my room first."

Just as Fang Su Jin tried to stand up, Zhang Yi Hai tightened his grip on her hand and gave it a gentle tug. Fang Su Jin could only sit down again.

Zhang Yi Hai smiled, thinking that his girlfriend was very adorable when she was shy.

Worried that she would find an excuse to leave again, Zhang Yi Hai finally spoke, "How long are you going to stay in Capital City this time?"

As he asked his question, Zhang Yi Hai finally realized that he had forgotten something important.

He had finally got himself a girlfriend, but he now realized that once Fang Su Jin returned to Y City, they were going to have a long-distance relationship.

.....

Thinking that he might not be able to see his girlfriend as much as he would like made him upset. At this time, Zhang Yi Hai wished that he could finish his study earlier and return to Y City.

"I guess I'm going to stay here until the exhibition ends," Fang Su Jin answered. "Why?"

Zhang Yi Hai heaved a long sigh. "I won't be able to see you once you go back to Y City."

Fang Su Jin was momentarily stunned to hear his words.

"Sister Fang, I'm going to miss you."

Fang Su Jin felt the heat creep to her face very quickly. The young man that she had always been afraid of was very good at sweet talking.

She lowered her gaze and muttered something about it.

"Then, are you going to miss me as well?"

Fang Su Jin began to panic at his question. She was still not used to having Zhang Yi Hai treat her like this. It's probably going to take her a while before she had to learn to get used to it.

"It's getting late. I should go back to my room and rest. I will still need to go to the exhibition tomorrow." Fang Su Jin was quick to find an excuse to leave.

Zhang Yi Hai chuckled. "Then, can I look for you again tomorrow? Before you go back to Y City, I want to spend as much time as I can with you."

Fang Su Jin halted. After a brief second, she then nodded. "Alright."

A faint smile curled on his lips. "Then, should we have dinner together? I can come and find you again after my class end."

Fang Su Jin seemed to realize that her boyfriend was still a college student. "Aren't you busy? Your sister said that you should be busy in your final year."

"I can make time for you."

Her heart skipped a beat.

"You don't have to worry about my study," Zhang Yi Hai spoke again before Fang Su Jin could respond. "I can assure you that I am a good student."

Fang Su Jin thought that she was about to lead this good student astray.

She remembered that Zhang Li Xue had once mentioned that her parents would encourage the siblings to focus on their studies before they fell in love.

But now, she had agreed to date this young man. Would his parents be upset when they found out about it?

"Well, you have to promise that you will focus on your study," Fang Su Jin spoke. "I don't want to be the reason for your grade to drop."

Zhang Yi Hai chuckled. "Alright, Sister Fang."

Fang Su Jin frowned when she saw the look on Zhang Yi Hai's face. She had this feeling as if she was being teased.

"It's getting late," Zhang Yi Hai spoke. "Sister Fang, you should go back to your room and rest. Tomorrow, I will come and find you again."

Zhang Yi Hai knew that it was the first day of Fang Su Jin's exhibition. She should be tired after meeting and entertaining a lot of people today.

"Alright." Fang Su Jin stood up and halted upon noticing the time. "What about you? It's already late. Can you still return to your hostel? Don't you have a curfew?"

"You don't have to worry about me. I am not staying at the hostel. It has been a while since I started to rent an apartment."

Fang Su Jin was surprised. It seemed that she had never heard about this from Zhang Li Xue. "Then, you have to tell me when you arrived."

Zhang Yi Hai smiled again. He seemed to be very satisfied with Fang Su Jin's concern for him.

The two of them left the garden together and headed to the elevator.

Fang Su Jin walked Zhang Yi Hai to the lobby and was going to watch him as he leaves.

Just then, Zhang Yi Hai turned around again and spoke, "Sister Fang, I have never been in a relationship before. Therefore, I might not be very good at dating." He inhaled a deep breath and continued. "I hope that you would tell me if I do something wrong or something that upset you."

Before Fang Su Jin could say a word, Zhang Yi Hai leaned over and kissed her on the cheek.

His sudden action surprised her.

Her CPU was overloaded. Fang Su Jin stood without moving. Her eyes were wide and her cheek was red.

Zhang Yi Hai looked at his girlfriend and thought that her expression was too cute. "Sister Fang, I will find you again tomorrow. Don't forget. Tomorrow, we will have our official date."

Zhang Yi Hai flashed her another smile before he turned around to leave.

Meanwhile, it took Fang Su Jin a while to snap out of her trance. Noticing that Zhang Yi Hai was no longer around, Fang Su Jin cupped her cheeks with both hands and thought that the temperature was a little high.

Then, she recalled Zhang Yi Hai's last words to her.

Official date?
