

## Love So Sweet 413

413 Zhang Yi Hai's Classmate

Zhang Yi Hai looked at his shy girlfriend and smiled.

In the past, he often saw the scared look on her face as well as her crying face. Now that he often saw her reddened face, Zhang Yi Hai thought that he liked this look the best.

"Are you going back soon?"

"Un." Fang Su Jin nodded. "Actually, I don't have to stay until the end."

"It's still a little early for dinner," Zhang Yi Hai said. "Sister Fang, should we go for a walk first?"

Fang Su Jin recalled Zhang Yi Hai's words again. Today should be their first official date, right?

"Then, you wait for me first," Fang Su Jin said. "I'll go and pick up my things first." Before Zhang Yi Hai could say a word, Fang Su Jin quickly made her escape.

She went back to the staff's room and took her time to come out again. It took her a while to finally calm down again.

Fang Su Jin grabbed her bag and took a deep breath before she come out again.

.....

However, the moment she stepped out, Fang Su Jin saw that Zhang Yi Hai was talking to two beautiful girls.

Her movement halted. Fang Su Jin stared at them with a dazed look on her face.

Just in time, the girls turned their heads and smiled as they saw Fang Su Jin. Suddenly, they left Zhang Yi Hai's side and walked over to her side.

"Sister Fang!"

Fang Su Jin was puzzled upon seeing that the girls know her name. She turned her head to Zhang Yi Hai, hoping that he would tell her what was going on.

"Sister Fang, did you forget about me?"

Fang Su Jin stared at the girls and thought that their faces were a little familiar. She had seen their face before...

"I'm Ji Xin Xin," the girl spoke again. She then pointed to her friend, "This is Shen Wei."

It was then that she realized that she had met these girls before. The last time she had an exhibition in Capital City, Zhang Yi Hai invited his classmates to attend her exhibition. Later, she followed him and hang up with his friends.

"We saw the article online," Ji Xin Xin spoke. "If only we knew that this exhibition started yesterday, we would have come sooner." She glanced at Zhang Yi Hai who was behind them. "Zhang Yi Hai did not say anything to us."

Fang Su Jin recalled that Ji Xin Xin was Zhang Yi Hai's classmate and that she happened to like him..

As the thought came to her mind, Fang Su Jin's turned to Zhang Yi Hai with a frown. Her heart was feeling unhappy.

Why was his peach blossom coming to find her?

"Sister Fang, should we go out and have dinner together?" Ji Xin Xin said. She glanced at Zhang Yi Hai and smiled shyly. "Zhang Yi Hai, what do you think." Her eyes were full of hope.

"That's not good," Zhang Yi Hai frowned. He looked at Ji Xin Xin and Shen Wei as he walked over to Fang Su Jin's side. "Sister Fang and I have an important matter to deal with. Sorry, but we cannot entertain you this time."

Fang Su Jin was quick to notice that the girls' expressions had quickly changed. Before she could come up with an excuse, Zhang Yi Hai tugged her hand and led her out of the exhibition center.

As she turned around, Fang Su Jin could see the disappointment on Ji Xin Xin's face.

Instead of feeling happy about it, Fang Su Jin was feeling slightly guilty.

She knew that this young lady liked Zhang Yi Hai. In the beginning, Ji Xin Xin tried to get close to Zhang Yi Hai through her. In the end, she was the one who stayed beside Zhang Yi Hai.

Fang Su Jin did not know how she should feel about this.

After Zhang Yi Hai had dragged her far enough, Fang Su Jin began to struggle to make him stop. However, the young man continued to pull her hand along the street.

"Zhang Yi Hai," Fang Su Jin heaved as she moved her hand around. "It hurts."

Her words finally made him stop.

Zhang Yi Hai turned around quickly to inspect her wrist. His brow furrowed upon noticing the slight redness around the area. He raised his head to look at Fang Su Jin and saw her misty eyes.

Just like that, Zhang Yi Hai began to panic.

It hasn't been a day since he finally got himself a girlfriend but he had already hurt her.

Swiftly, Zhang Yi Hai loosened his grip on her wrist. "I'm sorry." His thumb was rubbing the red area.

Fang Su Jin's skin was white and sensitive. Just holding her a little tightly could hurt her. Zhang Yi Hai made a mental reminder that he should be very careful with his girlfriend.

After all, Fang Su Jin was different than his gangster-like sister.

"Does it still hurt?"

Fang Su Jin shook her head. She was still not used to Zhang Yi Hai's gentleness.

"Then, did I hurt you anywhere else?"

"No." Fang Su Jin lied.

Her legs were hurting a little bit. Zhang Yi Hai had a pair of long legs while she was a little shorter than him. Just now, he walked a little fast and she had to try to catch up with him. However, seeing the worried look on his face, Fang Su Jin decided not to tell him the truth.

“But... Zhang Yi Hai, can you walk a little slower?” Fang Su Jin said. “It’s hard to catch up with you.”

It was only then that Zhang Yi Hai realized that he was such in a hurry that he had forgotten to look at her.

“I’m sorry. I will be more careful.” Zhang Yi Hai spoke with a serious look on his face.

Seeing his face made Fang Su Jin chuckle.

“It’s alright.” Fang Su Jin lowered her gaze and smiled.

She could not understand much, but Zhang Yi Hai’s attitude was a little adorable and it made her heart more at ease.

“But... why are you leaving so quickly?”

Zhang Yi Hai exhaled lightly. “I don’t want to stay around and make you misunderstand.”

In the beginning, Fang Su Jin often tells him to date girls his age. Zhang Yi Hai did not want his girlfriend to misunderstand that he was interested in those girls.
