

## Love So Sweet 414

### 414 An Underground Relationship

Fang Su Jin was stunned upon hearing Zhang Yi Hai's answer. She stared at him for a while and thought that this young man was a little silly.

"You run away so fast," Fang Su Jin spoke. "Aren't you worried that I might misunderstand that you wanted to stop me from meeting your other girlfriend?"

Zhang Yi Hai's face changed again and he was looking at Fang Su Jin anxiously.

He thought that his move was enough not to make his girlfriend misunderstand. Zhang Yi Hai had never expected that escaping them would make Fang Su Jin misunderstand him further.

Actually, this was not the first time that Ji Xin Xin tried to approach him. However, he would feel uncomfortable whenever this girl get close to him. Unknowingly, his reaction when he saw her again was to get as far as he could.

Moreover, he noticed the look on Fang Su Jin's face when she saw him and his two classmates together. He just did not want to make her feel uncomfortable.

"Sister Fang, it's not like that." Zhang Yi Hai tried to explain, but he did not know whether she was going to believe his words.

Seeing the look on Zhang Yi Hai's face made her chuckle again. "I won't misunderstand this time."

Zhang Yi Hai heaved in relief. He reminded himself to think carefully before he take any action in the future.

.....

"Sister Fang, are you teasing me?"

"You think too much. Didn't you say that today would be our first date?" Fang Su Jin spoke with a reddened face. "Then, you should have something planned. Where are you planning to take me?"

Just like that, Zhang Yi Hai stopped thinking about his previous worry.

Thinking of their first date put him in a good mood again.

Zhang Yi Hai decided that he was going to coax his girlfriend and make her happier today. He already promised that he would work hard so that both of them would never regret trying.

He stretched his hand again and grabbed Fang Su Jin's hand again. This time, he intertwined their fingers together and held her hand tightly. When he looked up, Zhang Yi Hai noticed that Fang Su Jin was staring at their hands.

"Sister Fang, is this alright?"

Fang Su Jin held her breath as his warmth spread to her hand. She looked around and finally heaved a breath of relief when she did not see anyone around looking at them. "It's alright."

“Then, let’s go.” Zhang Yi Hai turned around and led Fang Su Jin as they walked along the street. This time, he reminded himself to walk a little slower so that Fang Su Jin could catch up with him.

Zhang Yi Hai lowered his gaze and smiled as he tried to match her pace. Although there was not a lot of difference in their height, Zhang Yi Hai noticed that Fang Su Jin liked to walk slowly.

It seemed that he will have to get used to this pace in the future.

There was a park nearby area. Zhang Yi Hai planned to walk around the park with Fang Su Jin for a while before he would bring her to dinner.

As they walk around, Zhang Yi Hai noticed that there were a lot of couples walking around the place as well.

He glanced at Fang Su Jin and smiled.

Seeing that Fang Su Jin continued to lower her gaze made him chuckle. Zhang Yi Hai gave her hand a little tug, pulling her closer to him.

The moment she looked up, Zhang Yi Hai spoke, “Sister Fang, are you afraid of me?”

Fang Su Jin panicked for a few seconds before she calm down. She lowered her gaze and spoke, “Of course, not. Why would I be afraid of you? You’re thinking too much. Zhang Yi Hai, you’re younger than me. Why should I be afraid of you?”

Zhang Yi Hai chuckled. “Then, why don’t you dare to look at me?”

Fang Su Jin raised her head to meet his gaze. Slowly, her face gradually turned red. “I’m not afraid,” Fang Su Jin spoke. “I’m just shy.”

The smile on Zhang Yi Hai’s face widened as he heard her words.

He could not help but think that his girlfriend is really adorable.

A soft laugh escaped him and Fang Su Jin’s brow tightened. “Why are you laughing at me?”

“I’m not laughing at you. I just thought that my girlfriend is really cute.”

Fang Su Jin’s cheek turned red again, realizing that she was being teased. Moreover, Zhang Yi Hai called her his girlfriend and the words made her heartbeat accelerate.

“Who is your girlfriend?” Fang Su Jin mumbled.

Her voice was soft, but Zhang Yi Hai still heard them loud and clear. “Of course, my girlfriend is you.” Zhang Yi Hai stretched his hand to touch her cheek. “Sister Fang, you have agreed to date me. You can’t change your mind now.”

It was hard enough for him to coax Fang Su Jin into agreeing. Zhang Yi Hai was not about to let her change her mind so quickly or regret her decision.

A faint sigh escaped him. It seemed that he will have to make her adapt to this situation slowly. Zhang Yi Hai was aware that Fang Su Jin was still minding their age difference.

“I didn’t...”

“Then... Since we are dating, should I stop calling you Sister Fang?” Zhang Yi Hai stared at her face for a long time. His lips turned into a smile as he called, “Su Jin?”

Her heart skipped a beat.

Fang Su Jin felt as if her mind just exploded.

Zhang Yi Hai had deliberately lowered his voice, making it sound a little magnetic. Her heart trembled just by listening to him calling her name.

“Do you think it’s alright?”

Fang Su Jin bit her lips and nodded. After a brief silence, she spoke again, “But you must not call my name in front of others. I... don’t want your sister to know about it yet.”

An underground relationship?

“Alright.” Zhang Yi Hai agreed.

Judging by Fang Su Jin’s reaction, Zhang Yi Hai had a feeling that he will have to hide their relationship for a long time until Fang Su Jin was comfortable enough to be with him.
