

Love So Sweet 425

425 The Most Good-Looking

It took Fang Su Jin a while to finally calm down after they left Song Xiao Jun at his campus.

Fang Su Jin looked out the window and realized that she did not know where they were heading next. She turned to Zhang Yi Hai and asked, "We're not going back?"

"It's still too early," Zhang Yi Hai said. He turned and met her eyes briefly. "Do you want to go back?"

Fang Su Jin pursed her lips. She looked at the handsome man beside her and thought that she wanted to spend some time with him. She did not want the day to end so soon.

"Then, where are you taking me?"

Zhang Yi Hai smiled. "Do you want to go watch a movie?"

Now that he had a girlfriend, Zhang Yi Hai worked hard to learn about the places where couples usually have their date. According to the internet, watching a movie was something that a couple should do to spend their time together.

Fang Su Jin thought of his suggestion and decided that it did not sound so bad. "What do you want to watch?"

"I'm not sure. Why don't you pick up something? Just choose anything. I can watch them."

.....

"Then, what about animation?" Fang Su Jin decided to tease him.

"That's fine too. I heard that the county's animation is developing very fast," Zhang Yi Hai said. "They are not only for children." He turned to Fang Su Jin and smiled.

Fang Su Jin took out her phone and browsed through the list. There were a few new interesting movies played at the theatre. She thought about Zhang Yi Hai's preferences and decided to choose a thriller.

She only mentioned the movie's title before booking.

After driving for a while, the vehicle finally pulled over into the shopping complex's basement parking.

Zhang Yi Hai had purposely chosen to go to a place farther than the city center as he was worried that he might run into his mother.

Although he wanted to let the world know that he was someone with a girlfriend, Zhang Yi Hai did not dare to take the risk and let his mother know about it.

He did not want to make Fang Su Jin uncomfortable.

Zhang Yi Hai only knew that the two of them were going to see a thriller after they both arrived at the cinema. He looked at the poster and frowned.

With one look at the poster, Zhang Yi Hai could already anticipate the number of gunshots and terrifying, bloody scenes.

He turned to Fang Su Jin and asked, "You like this kind of movie?"

"It's not bad." Fang Su Jin spoke with a shrug. She looked at the poster again and smiled. "I like the male lead. He's quite good."

The actor had appeared in a few of her favorite dramas in the past. This was the first time that he would appear on a silver screen with a different genre.

Fang Su Jin already knew that a lot of his fans were looking forward to watching this movie and seeing just how much this actor has grown.

The frown on Zhang Yi Hai's face deepened as he continued to look at the poster. "What do you like about the male lead?"

"His acting was very good," Fang Su Jin complimented. She had lost count of just how many times she had cried because of this man. She stared at the man on the poster and spoke absentmindedly.

"Moreover, he's also good-looking."

"Then, between him and me, which one of us is good-looking?"

Fang Su Jin opened her mouth to answer. However, before she could speak a word, Fang Su Jin seemed to realize that the situation was a little strange.

She tore her gaze away from the poster and looked at Zhang Yi Hai. Suddenly, she had this feeling as if this young man was unhappy.

Fang Su Jin tried to recall what she had said earlier and realized that she was the one who got herself into this trouble.

"That.." Fang Su Jin forced her heart to calm down as she looked into Zhang Yi Hai's eyes. "Of course, my boyfriend is the most good-looking."

Zhang Yi Hai did not care much whether Fang Su Jin was telling him the truth. He was just too excited to hear Fang Su Jin referred him as her boyfriend.

He could not contain the smile on his face.

Zhang Yi Hai leaned over and asked, "Who is your boyfriend?" The hint of a smile on his face was too apparent.

Fang Su Jin grew flustered. Her cheek had quickly turned redder. However, she tried her best not to look away from his eyes. "You. You are."

The moment she spoke those words, Fang Su Jin could no longer bear the pressure and quickly lowered her gaze.

Her heart was hammering against her ribcage. It was too loud that she was starting to worry that Zhang Yi Hai might hear them.

Subconsciously, Fang Su Jin tightened her grip on her bag to compose herself.

Just in time, someone bumped into Zhang Yi Hai, pushing him towards Fang Su Jin.

However, before his chest could hit Fang Su Jin's face, Zhang Yi Hai quickly stretched his hand to slam the wall to stop an accident from occurring.

Zhang Yi Hai turned around unhappily and saw the man who had bumped into him earlier and ruined the good atmosphere between him and his girlfriend.

"Sorry. Sorry." The man spoke as he ran from the scene. It could be seen that this person was in a hurry.

A heavy sigh escaped him as Zhang Yi Hai thought of how close he was to kissing Fang Su Jin again.

"Zhang Yi Hai, are you alright?"

Fang Su Jin's voice made the anger in him subside. "I'm fine." His palm was a little sore, but the pain was not that bad. It should go away in a few moments. "What about you?"

"I'm fine." A gentle smile turned on her lips. Fang Su Jin was aware that Zhang Yi Hai was trying to protect her earlier.

If Zhang Yi Hai was not quick enough, his body would hit her face and her head would bump into the wall. The person who would be in pain was her.

Zhang Yi Hai gave her a quick look over and was satisfied when he could not detect any injury on his girlfriend. "Then, should we go and get some popcorn before we enter the hall?"
