

## Love So Sweet 426

### 426 Watching Movie

Seeing that the movie was about to start, Zhang Yi Hai and Fang Su Jin walked into the hall and found their seat.

Fang Su Jin heaved a breath as she turned to look at the screen.

Now that she was not facing Zhang Yi Hai, Fang Su Jin began to feel more at ease. She thought that, by concentrating on the screen, she would not feel that anxious around Zhang Yi Hai.

As the thought came to her mind, Fang Su Jin began to eat her popcorn happily.

Their surroundings turned darker and soon, the screen lit up. Fang Su Jin was watching the upcoming movie trailers with a serious look on her face when she suddenly noticed a warm palm against her hand.

Her movement halted.

Fang Su Jin raised her head to look at Zhang Yi Hai and saw him retract his hand after grabbing a handful of popcorn. Her eyes were slightly in a daze.

A while ago, Fang Su Jin thought that someone was taking advantage to hold her hand. But it turned out that she was mistaken.

They already agreed that they were going to share this bucket of popcorn, weren't they?

.....

Taking a deep breath, Fang Su Jin decided to calm down and not think about this matter too much. The movie was getting interesting and Fang Su Jin decided to concentrate on it.

This time, even when Zhang Yi Hai coincidentally reached for the popcorn at the same time as her, Fang Su Jin no longer think about it that much.

Meanwhile, a certain someone was not too happy with the way his girlfriend was reacting.

Zhang Yi Hai has been observing Fang Su Jin for a while and saw that she was too focused on the movie, especially when the male lead came out.

His eyes narrowed unhappily.

Just now, she told him that he was the most good-looking. But look at her now. She had her full attention on the male lead.

Zhang Yi Hai shifted his gaze to the male lead and wondered just what is it that makes Fang Su Jin like him.

However, no matter how long he tried to figure out the reason, Zhang Yi Hai realized that Fang Su Jin still have her attention on the movie. She was the kind of person who would be focusing on the movie without bothering to look around her.

Heaving a sigh, Zhang Yi Hai decided to focus on the story as well.

The plot of the movie thickened as it was almost ending. The male lead and the female lead were both working together to chase after the criminal.

They were on the top floor of an abandoned building to look for the criminal who was hiding.

The female lead was so close to that criminal. However, she just did not see that the person she was looking for was hiding in a close space behind her.

Meanwhile, the male lead entered from the side room just in time to see the criminal sneaking on the female lead with a gun in his hand.

Everything was moving too fast.

The criminal put his finger on the trigger, wanting to pull it to kill the female lead.

Suddenly, the male lead lurched forward and jumped in front of the criminal.

The loud gunshot reverberated in that space.

The female lead turned around in time to see the criminal behind her. She pulled her trigger and shot the criminal to death.

A breath of relief escaped her when she saw that the criminal was no longer moving. The female lead turned around again and saw that the male lead was lying on the ground with blood pooled around his body.

Swiftly, the female lead's expression began to change. She dropped everything and rushed over to the male lead's side.

The female lead screamed for the male lead to stay alive while calling for the paramedics at the same time. However, the male lead was getting weaker.

A faint smile curled on his lips. The male lead stretched his hand to touch the female lead's cheek one last time. Then, he told her how he has been in love with her for many years.

Before the female lead could tell the male lead that she shared the same feeling, the male lead already passed away.

His hand slid on her cheek before it dropped to the side.

The female lead stared at the male lead with her face paled. No matter how much she screamed and cry, the male lead did not come back to life.

Zhang Yi Hai watched this scene and frowned, wondering just who would write an unhappy script like this.

He was watching the movie with his girlfriend. This movie did not have a happy ending. Was it trying to curse his relationship?

Just then, Zhang Yi Hai heard the familiar sniffing from his side. He turned to Fang Su Jin and saw that she was wiping her tears with her finger.

A look of surprise appeared on his face.

Fang Su Jin... was she crying?

Zhang Yi Hai leaned over to get a good look at his girlfriend. Seeing the tears streaming down her face made him stunned.

He stretched his hand and wrapped his arms around her shoulder. "What's wrong?"

Seeing her tears made him feel distressed. He wanted to coax his girlfriend, but he did not know what he should do.

Fang Su Jin looked up to meet Zhang Yi Hai's eyes. She opened her mouth to speak, but Fang Su Jin found that she could not stop crying.

She did not expect that the movie would have an unhappy ending.

The male lead died, protecting the person he liked.

Thinking about it made her tears fall faster.

Her lips were pursed into a thin line. Fang Su Jin tried her best to stop crying but failed. Seeing that she could not stop herself from crying, Fang Su Jin leaned over and buried her face in Zhang Yi Hai's chest.

Zhang Yi Hai heaved a helpless sigh.

He held Fang Su Jin tightly as he patted her on her shoulder, telling her not to cry.
