

Love So Sweet 427

427 [Bonus chapter] A Certain Someone was Teasing Him

When they both walked out of the cinema, Zhang Yi Hai realized that his girlfriend was not the only person who cried. At the side, there were a few females who came out crying as well.

Zhang Yi Hai thought about the male lead's dying scene again.

In fact, the scene was not that sad, but surprisingly, there were still some people who would cry over the scene.

His gaze shifted to his crying girlfriend in his arms. Zhang Yi Hai held her tightly as he led her to sit down in the waiting area. Then, he handed his girlfriend a bottle of drinking water.

"Here. Have a drink first," Zhang Yi Hai spoke. "You will feel better after this."

Fang Su Jin took the bottle and took a few sips.

"Do you feel better?" Zhang Yi Hai looked at her reddened eyes again.

"I didn't mean to cry. Just that, the couple is too pitiful. They obviously liked each other from the beginning, but everything is too late for them. They should have confessed to each other sooner." Fang Su Jin hiccupped. Just as she was about to speak again, Fang Su Jin's gaze fell on Zhang Yi Hai's front shirt. A look of disbelief appeared on her face. "Zhang Yi Hai..."

"What is it? Are you feeling uncomfortable?" Zhang Yi Hai stared into her red eyes and frowned. This was not the first time he saw her cry, but Zhang Yi Hai was still uncomfortable looking at her face this way.

.....

"You..." Fang Su Jin raised her hand slowly and pointed at his shirt. "I'm sorry. It seemed that your shirt is dirty because of me."

Zhang Yi Hai followed her line of gaze and saw the tears-stained mark on his shirt. "It's alright. It will disappear after I wash it."

Fang Su Jin lowered her gaze. The thought that she had cried in his arms and stained his shirt made her feel embarrassed.

She did not want to cry in front of Zhang Yi Hai.

She had thought that watching a thriller would not make her cry. The male lead was no longer acting in a drama, but he was still able to make her cry. Why was every work he was in would end the same?

Look. Now, she had dirtied his shirt.

Fang Su Jin stared at the spot for a long time. Then, she took out some tissue paper from her purse and started to wipe the stain.

Her movement was very gentle.

However, after dabbing the tissue papers a few times, Zhang Yi Hai caught her hand.

Fang Su Jin raised her head in puzzlement.

“You don’t need to do this.” His eyes darkened. Zhang Yi Hai was afraid that some urge would surface if Fang Su Jin continued to touch his body.

It was the first time he had felt this way.

Zhang Yi Hai would never think that Fang Su Jin touching his chest coupled with her watery eyes while she was staring at him, would stimulate him this much. Her hand that was used to hold a brush was so soft. It made him wonder just what it would feel like to be her canvas. Zhang Yi Hai realized that his thinking was starting to go astray.

“What’s wrong?” Fang Su Jin blinked as she wondered what she did wrong. She could notice that the way Zhang Yi Hai was looking at her was a little strange.

Suddenly, she had this feeling as if she was in a dangerous position.

Zhang Yi Hai inhaled a deep breath to calm down. “Su Jin, you don’t have to do this. We can go back and wash the shirt. It would be better this way, right?”

Fang Su Jin lowered her gaze upon realizing that the sense of danger coming from Zhang Yi Hai had disappeared. Was she imagining things earlier?

Zhang Yi Hai stretched his arms and patted her on the shoulder. “Su Jin, let’s leave first.”

Fang Su Jin’s gaze fell on the stain on his shirt again. Thinking that Zhang Yi Hai probably wanted to go back and change his dirty clothes, Fang Su Jin quickly agreed. “Alright. Let’s go back.”

They went to the parking spot and slid into the car.

Then, Fang Su Jin turned to Zhang Yi Hai again and asked, “Should we go back to your place first?”

Zhang Yi Hai was glad that he had not started driving yet. Otherwise, with that sort of question from Fang Su Jin, he might make a wrong turn and hit another car.

The look on his face changed as he looked at his girlfriend again.

“Didn’t you say that you want to change your clothes and wash them?” Fang Su Jin spoke. She seemed unaware of the effect of her words on her boyfriend.

Seeing that Zhang Yi Hai did not reply, Fang Su Jin thought that perhaps, he had another plan. “Then... do you want to drop me at my hotel first?”

Zhang Yi Hai lowered his gaze as he rubbed the space between his brows.

He was doing his best to calm down, but a certain someone was teasing him and she seemed unaware of what she was doing to him.

“I think it’s better if you send me back to my hotel,” Fang Su Jin said. “I don’t want to walk around with my eyes looking red and puffy.” This was not the first time she had cried so much after watching a movie. Clearly, Fang Su Jin was aware of what she looked like.

In fact, she was embarrassed to look at Zhang Yi Hai with her appearance right now.

Meanwhile, Zhang Yi Hai was aware that the moment he dropped off Fang Su Jin at her hotel, their date would also end. He pursed his lips as he weighed his decision.

“No. Let’s go to my place,” Zhang Yi Hai said. “I mentioned to you that I am now staying outside, right? Su Jin, let me show you around my apartment. There’s some ice that you can use to reduce the swelling around your eyes. Then, we’ll order some takeaway for dinner. I will send you back once your eyes are no longer puffy, alright?”

Zhang Yi Hai’s voice was soft and comforting and Fang Su Jin was quickly coaxed into following his plan. “Alright.”

As the car started to move and leave the basement, Fang Su Jin had this feeling as if she was being tricked again.
