

Love So Sweet 433

433 Four More Days

Zhang Yi Hai discussed the adjustment he made to the software a while ago with his friends for ten minutes before he finally hang up the phone. When he turned around to look at his girlfriend again, Zhang Yi Hai found that she was no longer sitting on the sofa.

A heavy breath escaped him. It was an important moment in his life, but his friend decided to call him to discuss their work.

Zhang Yi Hai messed up his hair until it turned into a bird's nest.

Thinking of kissing Fang Su Jin's lips again made him a little flustered. But now, his girlfriend had escaped somewhere.

Since she was not around, it couldn't be that she had gone back, right? Did he frighten her?

After tasting her lips briefly yesterday, Zhang Yi Hai had always wanted to kiss Fang Su Jin again. It was a little hard to suppress his feelings. But after he finally got to kiss his girlfriend again, Zhang Yi Hai had to admit that he had become a little excited.

His mind was telling him that he should continue to kiss her for a long time.

If it was not because of the call, perhaps he would not stop for a long time.

Zhang Yi Hai looked around and saw that Fang Su Jin's purse and sketchbook were still around. She shouldn't have left, right?

.....

The sound of the door snapped him out of his trance.

Zhang Yi Hai turned to follow the sound and saw Fang Su Jin walking out of the bathroom with tiny droplets of water on her face.

Seeing that she did not run away, Zhang Yi Hai was finally at ease.

Their gazes met and Fang Su Jin was the first to look away.

"I thought you have gone back."

Fang Su Jin had to suppress the smile on her face. "How am I supposed to go back? I'm not very familiar with this place. Moreover, aren't you supposed to send me back? You even told your mother that you will send me back to the hotel's entrance."

Zhang Yi Hai smiled. She walked closer and stretched her hand to rub her lower lips with his thumb.

He had the urge to kiss her lips again, but seeing that it was a little swollen, Zhang Yi Hai could not bear to do anything to her.

“That...” Fang Su Jin clenched her hands into fists as she tried to act casually around Zhang Yi Hai. “It’s getting late. Maybe I should go back now. I still have to go to the exhibition center tomorrow, and you have to go to your classes.”

Fang Su Jin wondered if her face was still red. Just now, she went into the bathroom and was surprised to see her face. She washed her face with cold water and hoped that the blush on her face had disappeared.

Her words upset him a little bit as Zhang Yi Hai was hoping to spend time longer with his girlfriend. He wondered if she was angry, but looking at her face, it did not seem like it.

“Zhang Yi Hai?”

He opened his mouth, wanting to ask if she wanted to stay around, but then realized that it would not be appropriate. He did not want to frighten his girlfriend at this stage.

Zhang Yi Hai swallowed and spoke, “Alright.”

Fang Su Jin had to suppress the urge to laugh. She thought that the look on Zhang Yi Hai’s face was a little interesting. Fang Su Jin turned around to pick up her stuff before Zhang Yi Hai could change his mind.

Then, the two of them left the apartment together.

Zhang Yi Hai drove her back to her hotel and parked his vehicle in the basement parking. As he pulled up the hand brake, Zhang Yi Hai heaved a long breath and spoke. “Four more days.”

Fang Su Jin was in the middle of picking up her bag when she heard Zhang Yi Hai mumbling those words. She turned around and blinked. “What are you talking about? What four more days?”

“Su Jin, you are going to leave next Monday. I only have four days left to stay with you.”

Her eyes widened in surprise. After a few beats, Fang Su Jin broke into a laugh.

Hearing her laughter made his expression turn darker. Zhang Yi Hai unbuckle his seatbelt and leaned over to pinch her on both cheeks.

Just like that, Fang Su Jin’s laughing voice stopped. She stared at Zhang Yi Hai with her eyes wide and spoke, “What are you doing?” Her voice sounded a little funny because he was still pinching her cheek.

Zhang Yi Hai wanted to punish Fang Su Jin, but looking at her misty eyes made him stop himself. Zhang Yi Hai did not dare to bully his girlfriend.

Gradually, he stopped pinching her cheeks. Instead, his hand was rubbing her cheeks. Zhang Yi Hai thought that Fang Su Jin’s face was really soft. He might get addicted to touching them.

“Do you dare to laugh at me again?”

Fang Su Jin chuckled.

Seeing her reaction, Zhang Yi Hai leaned over to peck at her lips.

His move startled her. “Zhang Yi Hai!” Her cheeks bulged as she suppressed her anger. “I just realized that you can be a little childish as well.”

Zhang Yi Hai really liked seeing Fang Su Jin’s expression. Even when she was angry, his girlfriend was still very adorable.

Fang Su Jin grabbed her bag and was about to leave when she heard Zhang Yi Hai call her name again.

“Su Jin...”

“Huh?” Because of their closeness, Fang Su Jin thought that Zhang Yi Hai’s voice sounded very deep and magnetic. Moreover, his eyes were staring at her with such intensity. It made her heart beat faster.

His throat bobbed. After a while, Zhang Yi Hai leaned over and pecked at her lips again. “You should go back to your room and rest well. Tomorrow, I will come to find you again after my class.”
