

## Love So Sweet 441

441 He was Bullying Her

Fang Su Jin opened her mouth, wanting to say something. But after a while, she closed her mouth again. Zhang Yi Hai was too close to her. She could actually feel his breath caressing her face.

Meeting his gaze made her heartbeat turn chaotic again.

Fang Su Jin quickly lowered her gaze as she was too shy to look at him. His gaze made her remember the reason she was always afraid of him in the beginning.

She realized where they were and began to panic. If her parents came out and saw this scene, then, she would be in deep trouble.

“Su Jin...”

The man’s voice made her heart skip a beat.

“Look at me, alright?”

She could not resist the temptation to look at him again. His gaze was still penetrating. Fang Su Jin felt as if her breath was stuck in her throat.

“Zhang Yi Hai,” Her voice was a little shaky. “What are you doing?” She raised her hand and put it on his chest, wanting to push him away. But Zhang Yi Hai remained where he was.

.....

“I don’t want to talk about it later,” Zhang Yi Hai said. “If you don’t tell me what happened, then, I won’t let you go.”

“No. If we don’t go back now, my parents might be coming to look for us,” Fang Su Jin tried to reason with him.

“Then, it’s better if you tell me what’s going on quickly,” Zhang Yi Hai said. “Su Jin, if you don’t talk to me, I won’t let you go.”

Fang Su Jin continued to look him in the eyes. Then, she realized that he was telling her the truth. He really won’t let her go unless she tells him the reason she was upset.

But, Fang Su Jin did not want to talk about it. She thought that it was too embarrassing to admit that she was jealous.

Suddenly, her ears caught the sound of a chattering voice, heading toward them. Fang Su Jin began to panic. She swept her gaze around the place and worry that someone was going to see them in this position.

Her hand continued to push him away. However, Zhang Yi Hai was too strong and her strength could not be compared to his. Even if she tried to push him as hard as she can, it did not seem to make any difference.

Fang Su Jin was frightened. Unknowingly, her eyes reddened and hot tears streamed down her face.

Zhang Yi Hai was stunned to look at the scene before him. He watched as Fang Su Jin wiped the tears from her face. Then, he finally put down his arm that was trapping her between him and the wall.

His throat bobbed. Zhang Yi Hai wanted to say something, but looking at the tears on her face made him feel guilty.

He only wanted to talk to her and resolve whatever happened between them as soon as he could. But, why does it look as if he was bullying her?

After a brief hesitation, Zhang Yi Hai grabbed her arms and pulled her away. He only stopped once they were farther from the restroom area.

Then, Zhang Yi Hai pulled Fang Su Jin into his arms and hugged her tight. "I'm sorry." Zhang Yi Hai rubbed his face against her long hair. "It was all my fault. Su Jin, don't cry, alright?"

How can he forget that his girlfriend was someone who could cry easily?

Last time, she cried after watching some sad scene in a movie. Now, she had cried again because he was bullying her.

Fang Su Jin continued to bury her face in Zhang Yi Hai's chest.

She did not want to cry easily. But she was too frightened that her parents were going to find out about them. It made her anxious and her tears came out just like that.

"Su Jin..." Zhang Yi Hai ran his hand through her hair as he continued to coax her. "Did I do something wrong? You have to tell me so that I would know."

Fang Su Jin's snuffle could be heard.

"I have never been in a relationship before," Zhang Yi Hai continued. "If you don't tell me what I did wrong, then, I would not know how to fix it. I don't want you to be angry. I don't want you to stop talking to me. Just tell me what I do wrong, alright? Let me fix it and make it right."

Fang Su Jin was surprised to find that the usually quiet Zhang Yi Hai could speak a lot of words.

Taking a deep breath, Fang Su Jin gave a light push on his chest. This time, Zhang Yi Hai took a step back to give her some space.

He was waiting to hear what she had to say.

Fang Su Jin swallowed and hesitated to speak. After a long silence between them, Fang Su Jin finally spoke again, "I'm not angry."

Zhang Yi Hai frowned upon hearing her answer.

"It's just that... I saw you and Ji Xin Xin talking outside the building just now," Fang Su Jin continued. "And then, I got jealous."

Her voice grew tiny the more she spoke.

Zhang Yi Hai almost could not hear what she said at the end.

But he heard her and he was stunned to hear that Fang Su Jin was admitting that she was jealous.

Zhang Yi Hai could not understand why she was jealous. He did not have any feelings toward Ji Xin Xin. Usually, he would not be seen talking to the girl. However, Ji Xin Xin asked him a question and Zhang Yi Hai thought that it was necessary for him to explain the situation.

Moreover, he did not expect that Fang Su Jin would be seeing their interaction. Because of that, he had made her unhappy.

“I don’t like her,” Zhang Yi Hai spoke.

“I know.”

“She just asked me a question, that’s all. Su Jin, you have to believe that I only like you.”

His words made her heartbeat accelerate. Fang Su Jin clenched her hands tightly to calm down. “I know. But, I can’t help it, alright?”

Zhang Yi Hai continued to watch his girlfriend intently. “I won’t talk to her anymore if it makes you unhappy.”

“You don’t have to do that.”

“But I don’t want you to misunderstand.”

“Then, what if you have to discuss an assignment? What if your professor asked you to communicate with her?”

“I’ll let someone pass the message.”

That was a little childish, wasn’t it? But her heart was secretly happy to hear that he would do that much.

“Don’t be angry, alright?” Zhang Yi Hai’s voice softened as he was coaxing her. He hugged her in his arm again and pressed a kiss to her cheek.

Fang Su Jin lowered her head and whispered, “I’m not angry.”
