

## Love So Sweet 450

450 Create a Life

A few days later, Fang Su Jin took the gift bag that Zhang Yi Hai had prepared and headed out to see her friend, Zhang Li Xue.

Now that her injury was getting better, Zhang Li Xue decided to head to the office with her dad. Zhang Li Xue was someone who was used to running around and was not comfortable staying at home doing nothing.

Having the chance to come back to work was actually a good thing for her.

Fang Su Jin headed over to the coffee house to wait for Zhang Li Xue to appear.

The waitress had only left after delivering her drinks when Zhang Li Xue wheeled into the coffee house in her wheelchair.

Fortunately, Fang Su Jin had chosen a seat that was quite close to the entrance. Therefore, it was quite convenient for Zhang Li Xue to reach her side.

“Su Jin!” Zhang Li Xue had a bright smile on her face. She spread her hand and Fang Su Jin leaned over to hug her friend.

The two of them then started to laugh happily as they chatted.

Fang Su Jin took the opportunity to give her friend a lookover. Seeing that she was in a good mood and in good health made her feel more at ease.

.....

Moreover, it seemed that after she was married to Bai Qi, Zhang Li Xue looked very happy as well.

Her gaze then fell on Zhang Li Xue’s casted leg. “How is your leg? Are you going to be able to take it off earlier?”

Zhang Li Xue heaved a sigh. “With Doctor Bai Qi, I don’t think it’s possible. He said that we have to wait until it was properly healed. He said this was not the first time that I have injured my legs. Therefore, I have to pay a bit more attention. And my parents agreed with him.”

Fang Su Jin suddenly thought of something. She took out the gift bag and placed it in front of her friend. “Li Xue, I ran into your brother in Capital City. He wanted me to give you this.”

Zhang Li Xue looked at the gift bag with a puzzled look on her face.

Her brother was giving her a gift, but Zhang Li Xue thought that this was too strange. Her birthday was a few months away. It seemed that he don’t have a reason to give her a gift, right?

“What is it?” Zhang Li Xue glanced at her friend.

Fang Su Jin shrugged. “I don’t know.”

Even though she already knew what was in that gift box, Zhang Yi Hai already told her to pretend as if she did not know anything.

“Your brother only wanted me to help pass this gift to you. He did not say anything else.” Fang Su Jin batted her eyes, appearing innocent.

Zhang Li Xue was very curious about the gift that her brother gave her without a reason. She opened the box carefully and saw a teddy bear holding a basketball in it.

Although she find that the teddy bear was quite adorable, she still could not understand why her brother would give her such gift.

Could it be that he was trying to trick her?

Zhang Li Xue inspected the box carefully and heaved a breath of relief when she could not find anything wrong with it. Still... it made her restless.

“Su Jin, you help me think of the reason why Yi Hai would give me a bear out of the blue.”

Fang Su Jin wanted to laugh, but she had to keep a poker face.

Of course, she knew the reason why Zhang Yi Hai gave her sister a gift. But it was something that she could not say out loud.

If only Zhang Li Xue knew that she was in a relationship with her little brother, then, she would be in deep trouble, right?

Fang Su Jin was sure that Zhang Li Xue was going to tease her about it.

“Then... why don't you ask your brother why he gave you this bear?” Fang Su Jin suggested. She also would want to know how Zhang Yi Hai was going to answer his sister.

Zhang Li Xue grabbed her phone and snapped a picture of that bear. Then, she sent it over to her brother, telling him that he got his presence, but could not understand the reason why he gave her something.

After a minute, Zhang Yi Hai sent her sister a video call request.

Zhang Li Xue found it strange that her brother was sending her a video request. She swept her finger on the screen to answer the phone call.

A while later, Zhang Yi Hi's face appeared on the screen.

“Yi Hai? Why did you video call me?”

Hearing her words, Fang Su Jin sneakily moved to glance at the screen. Her heartbeat accelerated as she saw her boyfriend's face.

Zhang Yi Hai studied his sister's surroundings and caught a glimpse of his girlfriend in the corner of the screen. His lips curled up into a smile. Seeing her face like this was enough.

“I pressed the call button by mistake,” Zhang Yi Hai said. “I did not expect that you would pick up my call before I canceled.”

Of course, Zhang Yi Hai was speaking nonsense.

“Then, tell me what’s going on,” Zhang Li Xue spoke. “What’s with the teddy bear? Why did you suddenly send me a gift?”

Zhang Yu Hai coughed. “It’s for my future niece or nephew.”

“Ahh?” Zhang Li Xue stared at her brother in disbelief.

“Sister, be sure to keep it safe with you,” Zhang Yi Hai said. “I won’t talk to you anymore. I still have to do my assignments.”

Without waiting for his sister to reply, Zhang Yi Hai had already hung up the phone.

Zhang Li Xue stared at her phone speechlessly before turning to her friend again.

“Li Xue, what does your brother mean?” Fang Su Jin spoke. “Are you pregnant?”

Zhang Li Xue started to cough. “Of course, not.”

“Then, what is it about a gift for your future niece or nephew?”

Zhang Li Xue laughed. “My brother must be joking around.”

“Really?” Fang Su Jin shifted her gaze to her friend’s stomach area. “You have been married for a while. It’s possible for you and Bai Qi to create a small life, right?”

Zhang Li Xue heaved a sigh. “I also want to have a child. But Bai Qi won’t allow it. He said that I have to wait until my leg is properly healed before we can start to consider having one.”

When she brought up that matter, Bai Qi said that carrying a baby would be hard with her injured legs. He did not want her to suffer more. Therefore, they will have to wait before considering starting a family.
