While having her dinner with her parents, Fang Su Jin did not forget to mention her upcoming exhibition to her parents.

The Fang couple was surprised as well to hear that the exhibition will be held sooner than they thought. The couple was excited. Unfortunately, Father Fang will be busy with his work during the time Fang Su Jin was going to hold her exhibition.

He was disappointed that he could not attend his daughter's exhibition, but Fang Su Jin did not seem to mind it at all.

"How about this," Father Fang spoke after a long time. "I will try to finish my job sooner and head over to F Country with your mother."

Of course, Fang Su Jin would be happier if her parents could attend her exhibition. But she understood that her father was recently busy with his work.

"Dad, it's fine. The paintings that will be shown on that day are the same as the one you saw last week," Fang Su Jin said. "Anyway, I would rather have you look after your health and rest instead of working hard to attend my exhibition."

Even with his daughter's words, Father Fang was still feeling bad about not attending his daughter's exhibition. After all, it was going to be Fang Su Jin's first exhibition overseas.

Fang Su Jin heaved a breath. "Then, how about this, Dad, the next time I had a solo exhibition overseas, you definitely have to come, alright?"

Seeing that his daughter was working hard to coax him, Father Fang could only agree with his daughter's words.

.....

However, Father Fang was secretly planning to work hard to attend his daughter's exhibition. Perhaps, they could even give their daughter a surprise!

As the thought came to his mind, Father Fang's mood began to lighten up a little bit.

...

After having her dinner, Fang Su Jin returned to her room and took a long shower. Once she was properly dressed, Fang Su Jin locked the door before texting her boyfriend to tell him that she was available to talk to him.

A minute later, her phone started to ring.

Fang Su Jin answered the phone call and Zhang Yi Hai's face appeared on her screen. The moment she saw his face, Fang Su Jin could not help but blush. She pushed a few strands of hair behind her ear and spoke, "Zhang Yi Hai."

Zhang Yi Hai looked at his girlfriend and smiled. He noticed her dewy skin and slightly damp hair. It was not hard to figure out that Fang Su Jin had just taken her shower.

As the thought came to his mind, Zhang Yi Hai could not help but feel a little hot.

Now that he finally had a girlfriend, Zhang Yi Hai realized that sometimes, his thought would run wild. It was a little concerning...

"You're at your house?" Fang Su Jin looked at the screen and noticed the surrounding around Zhang Yi Hai was a little familiar.

She had been to his house once and visit his rooms. The bookcase behind him showed that he was in the study.

"Un." Zhang Yi Hai nodded.

"Are you doing your assignment? Then, maybe I shouldn't disturb you."

"It's fine. I already finished my assignments. Su Jin, I was waiting for you."

Fang Su Jin's cheek turned slightly red. Zhang Yi Hai's words could always make her feel this way.

"You met my sister today?" Zhang Yi Hai said.

"Un." Fang Su Jin nodded. "That's right. Your sister said that she will be holding a wedding banquet after her leg is fully healed. Why didn't you mention this to me?"

"I thought that you wanted to hear it from my sister," Zhang Yi Hai said. "Moreover, they didn't set up a date for the wedding yet."

"Your sister wanted me as her maid of honor," Fang Su Jin told him.

"Hmm... I figured so." Zhang Yi Hai leaned over to look at her face closely. "I bet that you would look very beautiful."

Fang Su Jin had a bright smile on her face. Worried that Zhang Yi Hai was going to tease or flirt with her later, Fang Su Jin quickly find a way to change the topic.

"That's right. My mentor called earlier to talk about the joint exhibition in F Country."

"Oh? Did they already decide on the date?"

"It will be on the third week of next month," Fang Su Jin said. "I still have more than a month to prepare for it."

Zhang Yi Hai looked at the calendar and marked the date that his girlfriend had mentioned. He stared at the calendar for a long time and seemed to be deep in his thought.

Meanwhile, Fang Su Jin continued to tell him a bit about her conversation with her mentor.

"Su Jin..."

"Hmm?"

Zhang Yi Hai paused to look at her for a few more seconds before he speak again. "Have you bought the ticket and arranged your accommodation yet?"

Fang Su Jin was momentarily surprised when her boyfriend suddenly asked her this question. "Not yet. I haven't looked at the flight schedule yet."

"Then, why don't you let me arrange it?" Zhang Yi Hai spoke. "Our family also had a hotel in the city. I guess it should be somewhere near the F Country Exhibition Center. Just give me your details later. I will handle everything."

"It's fine. I can book them myself," Fang Su Jin said. "You are already busy with your work and study. I don't want to disturb you."

"I already looked at the flight to F Country," Zang Yi Hai said. "Su Jin, there is no direct flight to F Country from Y City. But there is one from Capital City."

Her heartbeat accelerated as she listened to his words. Fang Su Jin could already guess what her boyfriend was about to suggest.

"You're going to come to Capital City before you head to F Country, right?" Zhang Yi Hai said. "Since it was that case, then, why don't I send you to the airport? I want to see you before you go."
