

## Love So Sweet 462

### 462 Bring the Date Forward

Zhang Yi Hai walked Fang Su Jin to her room before the two of them came out again to have a meal.

As Fang Su Jin's hotel was quite close to his apartment, Zhang Yi Hai decided to take her to eat somewhere near. Anyway, if they happen to meet someone they know, they could always figure out something to cover their relationship.

When they reached the restaurant, Zhang Yi Hai could not help but stare at Fang Su Jin a little more.

Of course, Fang Su Jin would notice the way Zhang Yi Hai was looking at her and it was making her slightly embarrassed. Being stared at for a long time was uncomfortable.

"Zhang Yi Hai, you... why are you staring at me like that?" Fang Su Jin asked.

"What's wrong with staring at my girlfriend? I haven't seen you in a while. Of course, I should look at you a little longer." Zhang Yi Hai noticed his girlfriend's reddened cheek and the urge to tease her a little bit more came to his mind.

Fang Su Jin heaved a helpless sigh. She had a feeling that Zhang Yi Hai would not stop looking at her no matter how much she wanted him to stop.

But when she thought about it again, it was not wrong for him to look at her, right? After all, they are in a relationship.

If Zhang Yi Hai did not stare at her, should he stare at another girl instead?

.....

Moreover, she was also going to F Country later. Then, they could only see each other again after a week. But then, she could not stay in Capital City for too long.

As those thoughts came to her mind, Fang Su Jin began to calm down.

She inhaled a deep breath and pretended she was not bothered by Zhang Yi Hai's penetrating gaze.

In Zhang Yi Hai's eyes, his girlfriend was just too adorable.

The waiter came to their table to take their order.

Zhang Yi Hai paid attention to Fang Su Jin's choice of dishes to learn more about her preferences. Although Fang Su Jin often spent her time with his sister, her food preferences were quite different.

Suddenly, Zhang Yi Hai could not help but recall how his sister had complained to him in the past when Fang Su Jin took her to a vegetarian restaurant.

The two of them began to chat about their next plan.

Fang Su Jin was ready to go out with her boyfriend before she was going to head to F Country for her exhibition.

She did not forget to remind her boyfriend to study hard as he was going to graduate soon.

Zhang Yi Hai was listening carefully when Fang Su Jin spoke about his graduation. He was very much looking forward to that day to come. Once he graduated, the two of them will no longer have to hide their relationship.

“Su Jin, I have something to ask,” Zhang Yi Hai spoke after a while.

“What is it?”

“Do we have to wait until my graduation day?” Noticing the change on his girlfriend’s face, Zhang Yi Hai quickly spoke, “Can’t we bring the date forward and start dating in the open after I finished my final year?”

Once the result comes out, he will have to wait for a few months before his graduation. Zhang Yi Hai thought that it was too long for him to wait.

Having an underground relationship was exciting, but he hoped that he could be seen with his girlfriend in the open soon.

Fang Su Jin began to hesitate.

Once Zhang Yi Hai completed his study, he will return to Y City again.

The two of them will go on a lot of dates in Y City. However, there were a lot of people who knew both of them. It would be problematic to run into someone who knew them.

Moreover, they were not like Zhang Li Xue who could have their secret date at the hospital.

They do not have a secret dating place.

Actually, Fang Su Jin would be satisfied as long as Zhang Yi Hai do well in his study. She just did not want his family to blame them if his result went down drastically.

Fang Su Jin looked at Zhang Yi Hai again and suddenly thought that this situation where she was worried about her young boyfriend’s future was a little funny.

Looking at his expression, Fang Su Jin could sense that Zhang Yi Hai was really looking forward to hearing her answer.

“Then... let’s just wait until your sister’s wedding,” Fang Su Jin spoke. “If our parents knew about this earlier, then, I might feel awkward attending Li Xue’s wedding.”

Their family knew each other for years and her parents would definitely come to Zhang Li Xue’s wedding.

Fang Su Jin could already imagine the awkward atmosphere between their parents if their relationship was revealed earlier. She did not want to be the focus during her best friend’s wedding.

“Alright. Su Jin, you already said it. You can’t change your mind, alright?” Zhang Yi Hai smiled. He was very satisfied with her answer.

Thinking that he can be in the open with his girlfriend earlier made him happy.

After the meal, Zhang Yi Hai planned to take his girlfriend back to his apartment and let her rest there. Then, he will send her back to her hotel when the night comes.

The couple was ready to leave the restaurant after Zhang Yi Hai paid for their meals.

As they reached the restaurant's entrance, Zhang Yi Hai stretched his hand and waited for Fang Su Jin to walk over to him.

Just as Fang Su Jin was going to walk over to his side, the couple both heard a voice in front of them.

"Zhang Yi Hai?"

The two of them looked up simultaneously and saw a girl standing in front of them with a shy smile on her face.

The girl turned to Fang Su Jin and flashed a smile. "Sister, you are here too."

Fang Su Jin quickly recognized this girl as Zhang Yi Hai's classmate, Ji Xin Xin.

The moment she saw this girl, Fang Su Jin quickly retracted her hand away.
