

## Love So Sweet 466

### 466 Reached F Country

After a long hour, the flight finally reached F Country.

Zhang Yi Hai glanced at the person who was sleeping beside him. At this time, he had his arms wrapped around her shoulder while Fang Su Jin was leaning against his chest.

After watching her for a while, Zhang Yi Hai took out his phone and snapped a few pictures of them together. He looked at their picture together and thought that it looked perfect. But of course, he was not going to let Fang Su Jin know about the photo they took together.

Seeing his girlfriend's sleeping figure made him smile. He had never thought that having the person he liked to sleep in his embrace could make him this happy.

It seemed that after the two of them were in a relationship, he continuously experienced this happiness for the first time.

Seeing that the plane was going to land soon, Zhang Yi Hai took the chance to kiss her cheek before he woke her up.

Fang Su Jin was in a daze for a few seconds.

She looked out the window before figuring out that she was on the plane. Then, she turned and saw Zhang Yi Hai staring back at her.

Her cheek turned redder as she noticed the way Zhang Yi Hai was looking at her.

.....

Worried that there might be something on her face, Fang Su Jin turned around to dab her eyes and wiped the corner of her lips.

Her heart skipped a beat upon finding that Zhang Yi Hai was still staring at her.

"Alright. Sit tight. The plane is landing soon." He held her hand tightly until the plane finally landed.

The couple alighted from the plane together.

Fang Su Jin did not forget to text her family that she had arrived. Then, she took a selfie alone and posted it on her social media.

A few comments came in, but she was too busy to check.

After taking her baggage, Fang Su Jin remembered that the person who booked her flight tickets and her hotel was her boyfriend.

When he gave her the hotel booking information, Fang Su Jin realized that Zhang Yi Hai did not book his family's hotel for her to stay at.

Now that she thought of it, she realized that Zhang Yi Hai might have planned everything from the beginning.

As they were walking out, Fang Su Jin turned to her boyfriend and asked, "Are we going to stay at the same place?"

Zhang Yi Hai let out a chuckle. "Of course." He pushed the cart with one hand while wrapping his arms around Fang Su Jin's with another.

Her heartbeat accelerated as she thought that the two of them were going to stay at the same hotel.

This time, they were in a foreign country to have a date.

Fang Su Jin began to wonder if anything would happen between them this time.

As the thought came to her mind, Fang Su Jin quickly scolded herself. She should not let her mind runs wild, alright?

Fang Su Jin was quiet as they both headed to the hotel together. Her heart grew anxious as they approached the hotel closely.

She glanced at Zhang Yi Hai and saw that the man was very relaxed.

It seemed that she was the only one who has been thinking too much.

Heaving a deep breath, Fang Su Jin reminded herself to relax.

The two of them finally reached the hotel building. After dealing with the check-in session, Zhang Yi Hai walked over to his girlfriend and handed over their keys.

Fang Su Jin glanced at the card number on Zhang Yi Hai's hand and realized that the two of them will be staying close.

As they reached the elevator together, the phone in Fang Su Jin's purse started to ring.

Zhang Yi Hai helped to hold her stuff as Fang Su Jin busied herself to grab the phone.

"Hello, Teacher Jiang," Fang Su Jin spoke as she picked up the phone call.

"Su Jin, have you arrived at the hotel?" Teacher Jiang spoke.

"Hmm... Teacher Jiang, I just finished the check-in process.," Fang Su Jin spoke. "Should I meet you at the exhibition center today?"

"There's no need. You just arrived. Go and take a proper rest first," Teacher Jiang spoke. "Why don't you come over tomorrow morning and look at the place?"

The student and teacher spoke for a while. Mostly, it was Teacher Jiang who reminded Fang Su Jin about her schedule in F Country.

Zhang Yi Hai held her luggage until they both arrived at their floor. While his girlfriend was still on the phone, Zhang Yi Hai continued to stand there and waited for her.

"Su Jin, what did your mentor say to you?"

Fang Su Jin lowered her gaze as she slid her phone back into her pocket. "Teacher Jiang said that I should come to the exhibition center next morning to look around."

“Then, will you be free later?”

“Un.” Fang Su Jin looked up and saw that her boyfriend was looking at her with a smile. She could already guess what this man wanted to do. “I guess, after checking the venue, I will be free.”

The smile on Zhang Yi Hai’s face widened. “Then, should we go out on a date?”

Her eyes lit up. “Where are you taking me?”

“I heard that the scenery in F Country is beautiful. Let’s go and check at them together, alright?”

Fang Su Jin was naturally happy to hear his suggestion.

In the beginning, she had thought that she will stay in F Country to attend the exhibition and meet a few people in the industry.

But having Zhang Yi Hai by her side, Fang Su Jin found that she was looking forward to this trip to F Country.

While Fang Su Jin was still in a trance, Zhang Yi Hai had already helped to unlock her door and placed her belongings inside.

Suddenly, Fang Su Jin found that she was in Zhang Yi Hai’s embrace again. The young man leaned placed his chin on her shoulder and hugged her tightly.

“It’s really great to be able to hug you like this.”

Fang Su Jin could not help to think that Zhang Yi Hai can be quite clingy.
