

Love So Sweet 472

472 You Can Come Out Now

While Zhang Yi Hai was still stuck at the police station, Fang Su Jin and her mentor were busy trying to find a way to help him out.

Although Zhang Yi Hai had assured her that he would be alright, Fang Su Jin could not sit still.

Fang Su Jin was still traumatized over what happened earlier. However, at this time, her fear that Zhang Yi Hai would be punished was stronger.

If he had to go to prison because of her, then Fang Su Jin would feel guilty.

She did not know that Mika was someone who had a backer. If only she knew, she would run away as far as she can go the moment she saw him at the door.

After her mentor brought her back to the hotel, Teacher Jiang has been busy calling a few people to help them with this situation. They have called the embassy and they only said that they will look into this matter.

This was making her frustrated.

She did not know anyone who would be able to help her, but Fang Su Jin knew that she absolutely could not give up.

Fang Su Jin thought of asking her parents to help, but her family did not know anyone from F Country. If she spoke to her parents, they would only worry but they won't know what they should do in this situation.

.....

Should she call Zhang Li Xue and spoke about their situation?

She knew that the Zhang family should have some connections...

Just then, Fang Su Jin watched as her mentor put down his phone and walked over. "Teacher Jiang, what did the other person say?"

Teacher Jiang heaved a long, heavy sigh.

Even without saying a word, Fang Su Jin already knew the answer.

It seemed that even the organizer or anyone from the exhibition center would not be able to do anything to help.

Fang Su Jin watched her mentor's disappointed face and felt sorry for him.

Her mentor had worked hard to help her have this exhibition in F Country. This was their dream. But before Fang Su Jin could make her debut in F Country, something happened and she might not be able to continue with this exhibition.

"Teacher Jiang, I'm sorry." Fang Su Jin lowered her gaze. "If it's not because of me..."

The elder man walked over and patted his student on her shoulder. "Su Jin, don't apologize. You are not wrong. The person who did wrong was Mika." His eyes narrowed. "Previously, I did not think that this person was a scum."

If he had known, he would not have even considered talking to Mika about cooperation between them. Thinking that his student was bullied by Mika made him angry. However, Teacher Jiang was also powerless.

"Su Jin, don't worry. I will definitely figure out something to help your friend to come out," Teacher Jiang spoke. "Mika might have a backer, but I don't believe that he was that powerful."

Fang Su Jin pursed her lips and sniffled. Although she was very helpless in this situation, Fang Su Jin decided to stay positive.

Zhang Yi Hai told her not to worry and that he would come out soon. Fang Su Jin decided that she wanted to believe in Zhang Yi Hai's words.

...

Zhang Yi Hai sat quietly in the lockup as he waited for someone to pick him up at the station. A few hours passed and Zhang Yi Hai was beginning to think that perhaps, he will have to spend a night at this place.

There were a total of three men who were sharing the same lockup as him.

One of them was arrested for stealing, one for profanity act in public, and another for fighting. The four of them sat down in silence.

Once in a while, Zhang Yi Hai would see them glancing at him. But fortunately, none of them came to disturb him.

This was the first time that he had experienced sitting in the lockup and Zhang Yi Hai thought that it was an experience that he will never forget.

After waiting for a long time, a police officer walked over to the lockup and unlocked the door.

Swiftly, everyone raised their head to look at the officer.

"You." The officer beat the metal rail with his baton before pointing it at Zhang Yi Hai. "You can come out now. Someone is here to pick you up."

Zhang Yi Hai stood up silently and followed the officer out. Once he stepped out, the officer locked the door again.

The officer gave Zhang Yi Hai a lookover and spoke, "Follow me."

Earlier, he have heard that this young man will have to stay a couple of nights in the lockup as he had made someone upset. However, when the officer thought of the person who came to pick up Zhang Yi Hai, the officer started to shiver.

Zhang Yi Hai followed the officer until they reached an office. When he entered, Zhang Yi Hai noticed that there were two men talking to the inspector.

The two men turned around simultaneously.

Zhang Yi Hai was familiar with the young man, but not the older one.

“Brother Yi Hai, are you alright?” The young man walked over to his side and gave him a look over. He then exhaled in relief upon finding that Zhang Yi Hai was not harmed.

Zhang Yi Hai nodded. “Qi Jing Xuan, what are you doing here?”

The young man flashed him a smile. “My dad called and tell me that you are in trouble. He asked me to come over and help. Coincidentally, I am also in F Country.”

Zhang Yi Hai had not thought that this young man would be in F Country as well.

Qi Jing Xuan was his uncle Qi Ming Wei and Aunt Yang Ran’s eldest son. The boy was around the triplets’ age and he was two years younger than him. Zhang Yi Hai knew that Qi Jing Xuan often visited F Country to help his mother with some properties.

After exchanging a few words, Zhang Yi Hai shifted his gaze to the elder man beside Qi Jing Xuan.

Qi Jing Xuan followed Zhang Yi Hai’s gaze and spoke, “Brother Yi Hai, let me introduce you to Uncle Eric. He’s a good friend of my mother.” His lips turned into a smile. “Don’t worry about it. Uncle Eric has helped to look into your matters. You can leave this place with us.”
