

Love So Sweet 473

473 I'm Back

Zhang Yi Hai followed an officer to process his release from the lockup.

He got his belongings back and planned to call Fang Su Jin about his release. However, Zhang Yi Hai then realized that his phone was out of battery.

Once the release process was settled, he came out of the building and found that Qi Jing Xuan was waiting for him outside the station with Uncle Eric. The sky outside was already dark.

He gave an elder man a nod before turning to the younger man.

"Brother Yi Hai, you are lucky. There are a few surveillance cameras outside the exhibition center building," Qi Jing Xuan spoke. "Uncle Eric managed to get that recording and help you with the situation." His eyes turned darker.

Zhang Yi Hai looked at the young man in front of him and thought that the dangerous look in his eyes was almost the same as his father's.

"That man won't be able to get away with what he does," Qi Jing Xuan said.

"Jing Xuan, thank you."

The younger man flashed a bright smile until his eyes turned crescent. "As for that man... he won't be able to return to his work soon."

.....

Zhang Yi Hai turned to look at the elder man and guessed that it should be something that he did. He did not know what this man do, but he once heard Aunt Yang Ran had quite powerful friends in F Country.

Hearing that Fang Su Jin's exhibition would not be affected by this incident finally gave him a sense of relief.

After explaining to Zhang Yi Hai what was about to happen, Qi Jing Xuan flashed a teasing smile and spoke, "Brother Yi Hai, I heard from my father that you are in F Country with your girlfriend."

Zhang Yi Hai lowered his gaze.

Earlier, to ask help from his Uncle Qi Ming Wei, Zhang Yi Hai he had no choice but to tell that man about his girlfriend. Zhang Yi Hai did not expect that his uncle would be telling this Qi Jing Xuan.

"Yes." Zhang Yi Hai had a rare shy smile on his face.

Previously, Zhang Yi Hai could still brag to Song Xiao Jun about his girlfriend, but it was a different situation with Qi Jing Xuan.

First, this young man was not afraid of him. Second, Uncle Qi Ming Wei is much scarier than his dad. As someone who has been sent to train under this uncle, Zhang Yi Hai knew just how strict this uncle can be.

“My dad said he will be coming over with my mom in a few days,” Qi Jing Xuan spoke. “Brother Yi Hai, in a few days, let’s have a meal together. Of course, you have to bring over your girlfriend.”

Zhang Yi Hai shivered as he thought of this meal.

He did not know how should he explain to Fang Su Jin later about his uncle.

Uncle Eric gave him a lift back to the hotel. After exchanging a few more words with Qi Jing Xuan, Zhang Yi Hai then turned around and headed back to his room.

He wanted to meet Fang Su Jin quickly before the girl would start to worry.

Zhang Yi Hai jogged out of the elevator until he was standing in front of Fang Su Jin’s door.

He inhaled a deep breath and pressed on the doorbell.

In the room, Fang Su Jin was still discussing with Teacher Jiang about Zhang Yi Hai when she heard the doorbell. She exchanged a look with her mentor and shot him an inquiring look.

“It could be the housekeeping,” Teacher Jiang spoke.

Fang Su Jin walked over to the door, wanting to tell the housekeeping that she did not need them to clean up the room. She peeked into the peephole and suddenly, her movement halted.

Outside her door, Fang Su Jin could already see the silhouette of the person she has been worried about.

Her heartbeat accelerated.

Fang Su Jin stood still at the door, wondering if perhaps she was imagining things. Her hand rested on the doorknob, but she did not make a move. Fang Su Jin continued to look at the man through the peephole. She was worried that if she looked away, Zhang Yi Hai would disappear.

Then, Zhang Yi Hai pressed the doorbell again.

The sound of the doorbell snapped her out of her trance.

“Su Jin, who is it?” Teacher Jiang walked over to her side when he noticed that his student was standing at the door without moving for a while.

His expression darkened at the thought that Mika might have shown up at the hotel to continue and harass his student.

Before Teacher Jiang could get closer, Fang Su Jin made a move and opened the door.

Fang Su Jin raised his head and looked at the tall man in front of him. Her eyes widened in disbelief.

“Su Jin...” Zhang Yi Hai flashed her a smile. “I’m back.”

Fang Su Jin’s nose was stinging and her eyes were misty with tears. Hearing Zhang Yi Hai’s voice finally made her realize that the person in front of her was real.

She took a step and hugged the man tightly.

His scent and the warmth of his body made her feel more at ease. Then, Fang Su Jin started to cry as much as she wanted. She was so scared that Zhang Yi Hai might be in trouble because of her.

Fortunately...

Fortunately, he came back unharmed.

“Alright... Su Jin, don’t cry. I came back unharmed.” Zhang Yi Hai heaved a helpless sigh. He wrapped his arms around Fang Su Jin’s body tightly as he tried to coax her not to cry. “I’m sorry. I made you worry.”

His heart ached as he continued to listen to her cry.

He always thought that he would never want to make Fang Su Jin cry. Unexpectedly, she still cried because of him.

Zhang Yi Hai caressed his girlfriend’s long hair before he lowered his head and kissed the top of her head repeatedly. “Su Jin, can we go into the room first? Otherwise, the other guests might come out and think that I was bullying you.”

It was then that Fang Su Jin finally pulled away from Zhang Yi Hai.

Then, she noticed that the two of them were standing in the corridor.

A tint of red appeared on her cheek. Then, Fang Su Jin turned around and let Zhang Yi Hai into the room.
