

Love So Sweet 475

475 Will Never See That Person Again

The food they ordered through the room service arrived soon and the two of them started to eat.

Just like Zhang Yi Hai, Fang Su Jin too did not have much of an appetite. However, because she wanted to accompany Zhang Yi Hai, Fang Su Jin forced herself to eat a little bit.

She glanced at Zhang Yi Hai and watched as the man ate his noodle. After a while, Fang Su Jin lowered her head again. Her heart was filled with a guilty feeling.

The two of them were supposed to go out after she met with the people from the exhibition center. In the end, something happened and they could not go out at all.

Fang Su Jin's heart was aching.

Earlier, she had her lunch with the people from the exhibition center. However, Zhang Yi Hai probably did not have his lunch when he came out to pick her up. Later, he had to spend a long time at the police station.

"Why don't you eat a little bit more?" Zhang Yi Hai asked when he noticed that his girlfriend was staring at him. A thought came to his mind and Zhang Yi Hai heaved a helpless sigh. "Did it scare you?"

Fang Su Jin naturally knew that Zhang Yi Hai was talking about what happened earlier that day. After a brief pause, she then nodded slowly. She could not deny that she was still scared.

Zhang Yi Hai put down the cutlery in his hand. He was going to comfort his girlfriend when his phone on the table was buzzing.

.....

He glanced at the phone screen and saw a text message from Qi Jing Xuan.

There was a slight fluctuation in his eyes as he read the boy's message. However, in front of Fang Su Jin, Zhang Yi Hai remained calm.

He looked up again and saw that his girlfriend was still staring at him.

"That was a message from Jing Xuan," Zhang Yi Hai spoke.

Earlier, she had told Fang Su Jin and Teacher Jiang that it was a relative who helped him to leave the police station.

"Su Jin, you don't have to worry. You will never see that person again."

Fang Su Jin looked at Zhang Yi Hai inquiringly.

"It seemed that that person would no longer be able to disturb you," Zhang Yi Hai continued. His eyes grew slightly darker as he thought of what he had just read. "That person... it seemed that you are not the only victim of his harassment. Previously, he had also done the same thing to another women."

Qi Jing Xuan's uncle had let his men investigate Mika and found out a few of the crimes that would lead him to prison for a few years.

From that message, Zhang Yi Hai heard that Mika would often approach girls as an agent, wanting to promote their art. However, he would then blackmail those women with his position.

After what he had done, Mika obviously would not be able to return to his position and cause trouble for Fang Su Jin or any other women.

He probably thought that he was powerful enough with his connection.

Mika would never expect that he would end up in prison for a few years because of this.

Fang Su Jin looked up in surprise. "Really."

"Un." Zhang Yi Hai nodded. A gentle smile curled on his lips. His brow furrowed as he seemed to recall something. "That's right. In a few days, my Uncle Qi Ming Wei is coming over after he heard what happened. I have to tell him about our relationship. Su Jin, you don't mind this, right?"

Fang Su Jin shook her head. "No."

Of course, she did not mind it. After all, the situation was very pressing.

Zhang Yi Hai heaved a breath of relief. "Then, will you go with me and meet my uncle and my aunt? They wanted to meet you."

Her heart skipped a beat. Although Fang Su Jin was still worried to meet Zhang Yi Hai's relative as his girlfriend, she also knew that this was not something that she could avoid. After all, the man had helped Zhang Yi Hai.

"Alright." Fang Su Jin nodded. She decided that perhaps, she should make a preparation that their relationship would come out sooner than she had planned.

"Therefore, after eating, you have to go to bed earlier and prepare for tomorrow. Su Jin, don't forget that you are going to debut in F Country. Tomorrow, I will accompany you, alright?"

Fang Su Jin nodded.

She will no longer come up with all sorts of an excuse to stop her boyfriend to accompany her everywhere. Anyway, being with Zhang Yi Hai would make her feel safer.

Moreover... her mentor already knew about their relationship. There was no point in hiding Zhang Yi Hai from him.

Under Zhang Yi Hai's eyes, Fang Su Jin began to eat a little more.

Zhang Yi Hai cleared the table afterward. Seeing that the man was about to leave and return to his room made her a little unwilling.

She did not want to part with him this quick.

Zhang Yi Hai noticed the look in her eyes. After giving it a brief thought, Zhang Yi Hai turned around and walked to his girlfriend's side again. He held her in both hands and spoke, "Go to bed. I will stay around until you fall asleep."

Fang Su Jin hesitated. Then again, she did not want to reject this offer as she would feel more comfortable having him around.

Zhang Yi Hai sat on the couch while Fang Su Jin went into the bathroom to clean up. Seeing his girlfriend walk out again in her pajamas made his brow furrow.

Although her pajamas were conservative, her outline made her appear very alluring. Perhaps, Fang Su Jin too was unaware of what she was doing to him in this moment.

He inhaled a deep breath and reminded himself to calm down.

Then, Zhang Yi Hai watched as Fang Su Jin climbed up the bed and tucked her in. He leaned over to kiss her on the forehead. "Su Jin, goodnight." He ran his fingers through her hair. "Just go to sleep. I will be watching you for a while."
