

Love So Sweet 477

477 I Will Protect You

Fang Su Jin did not answer immediately. A few seconds passed and she finally nodded.

It seemed that she had a lot of things she wanted to say to him. However, the words she wanted to say were stuck in her throat.

After crying so hard for a long time, Fang Su Jin realized that only a hiccup could be heard each time she opened her mouth.

But thinking about it made her feel so silly.

She was clearly the elder sister, but why is it that each time she was with Zhang Yi Hai, she would feel as if she was the younger one instead?

Fang Su Jin felt embarrassing thought of how she had cried in Zhang Yi Hai's arms like a child.

Moreover, she had cried because of a bad dream.

The atmosphere in the room remained silent for a long time.

Seeing that Zhang Yi Hai continued to stare at her, Fang Su Ji then raised her courage and spoke.

.....

"Are you going to stay here?"

It was fine if he stayed in her room as he waited for her to fall asleep.

However, it was now different. Fang Su Jin did not think that she could sleep with Zhang Yi Hai hugging her while they were in bed.

As the thought crossed her mind, Fang Su Jin began to feel embarrassed again.

"Un." Zhang Yi Hai nodded. "I don't feel at ease to leave you alone."

At this time, Zhang Yi Hai was glad that he had stayed around. He could not imagine how Fang Su Jin would feel when she woke up in her room alone. His heart ached as he recalled how Fang Su Jin had cried earlier.

"If you're not sleepy, then, do you want to talk?" Zhang Yi Hai asked.

Fang Su Jin lowered her eyes, hesitating to tell him what she was dreaming about a while ago. In the end, Fang Su Jin lay her head on Zhang Yi Hai's chest and spoke, "Zhang Yi Hai, it's really great that you are here."

He let out a helpless sigh. Then Zhang Yi Hai leaned to kiss her on the forehead.

"I had a dream about what happened in the afternoon. I dreamed that I was shouting for help, but no one came to save me. She held him tighter.

His movement halted when he heard her words. He too did not dare to imagine what would happen if he did not go to Fang Su Jin's side.

Fang Su Jin wanted him to wait for her in the garden, but he suddenly thought of wanting to see her earlier. He thought that he could surprise her. But if she was with her mentor, then, he will hide and watch from afar. Suddenly, he heard a muffled voice and decided to look at it. Who would have thought that he would see Mika dragging Fang Su Jin away?

Zhang Yi Hai recalled how she has been struggling as if she was tormented by something in her dream.

Zhang Yi Hai did not expect that his girlfriend was recalling what had happened earlier that day. It must have traumatized her so much that she had dreamed about it. He really wished that he could punch Mika a few more times.

Taking a deep breath, Zhang Yi Hai tried to suppress his anger least he would scare his girlfriend.

"Su Jin, that person will not be able to disturb you again. I will protect you."

"I know."

Fang Su Jin knew that Zhang Yi Hai would make her feel safer. Her instinct told her that this man will always protect her. He would always be around when she needed someone the most.

...

The sound from the alarm clock woke her up.

When Fang Su Jin opened her eyes again, she realized that she was alone in her room. She sat on the bed and suddenly, a few images of Zhang Yi Hai hugging her came to her mind.

She had a nightmare and later, Zhang Yi Hai accompanied her to her room and hugged her to sleep.

Suddenly, her cheek turned a little red.

Fang Su Jin tried to convince herself that everything should be a dream. The images of herself burying her face in Zhang Yi Hai's chest while he hugged her to sleep were too much.

She closed her eyes and shook her head a few times to make that image disappear. Only then she finally felt more at ease.

Once she had calmed down, Fang Su Jin stood up and headed to the bathroom for a shower.

Seeing that her eyes were not as swollen as she had thought convinced her that it was a dream. If she had cried hard, surely her eyes would turn swollen.

As someone who liked to cry after watching a drama, Fang Su Jin was aware of her appearance after she cried.

She took out a shower and recalled that Zhang Yi Hai had told her and Teacher Jiang that she could still join the exhibition. This time, Mika would not be able to do anything to her.

Taking a deep breath, Fang Su Jin then took her clothes and get ready for her first exhibition in F Country.

A part of her was excited. Then, there was another part of her that worried that Mika or his men would show up and make things difficult for her.

What if she ended up getting kicked out of the exhibition center?

As she was still worrying, someone came to her door and pressed the doorbell.

Fang Su Jin put down the brush in her hand and looked through the peephole.

A glint of surprise appeared on her face when she saw Zhang Yi Hai standing outside the door.

Without waiting for too long, Fang Su Jin quickly opened the door.

Zhang Yi Hai flashed a smile, seeing that she was all dressed up. "You're awake." He raised the paper bag in his hand. "I bought you some breakfast."
