

Love So Sweet 480

480 My Girlfriend, Fang Su Jin

In the evening, the art exhibition finally ended for the day.

The organizer looked at the data in their hands and was happy with the number of visitors who turned up. With the positive reviews from the bigshots and the coverage from a few media, it was expected that there would be a lot more people coming to the exhibition tomorrow.

Fang Su Jin spent her time with Teacher Jiang after the exhibition ended. After exchanging a few words, she then turned around and walked over to the tall man who was standing beside the entrance, waiting for her.

Zhang Yi Hai watched as his girlfriend walked over to him and smiled. "Are you done?"

"Un." Fang Su Jin nodded. "Sorry. You have to wait for a long time for me."

Zhang Yi Hai chuckled. He stretched his hand to pinch Fang Su Jin's cheek. Before his girlfriend would get upset, Zhang Yi Hai quickly retracted his hand. "Should we go now?"

Fang Su Jin inhaled a deep breath as she remembered that the two of them were going to meet Zhang Yi Hai's uncle.

Although she had prepared herself for this moment, Fang Su Jin was still anxious to meet his elders. After all, they got into a relationship not too long ago.

"If you're not ready, I can always make up some excuse for you," Zhang Yi Hai said.

.....

He hoped that Fang Su Jin would go with him. However, he did not want to put too much pressure on her.

"It's fine." Fang Su Jin flashed a smile. "I already said that I a going to meet your uncle. I am not going to back down now."

Zhang Yi Hai scanned his surroundings briefly. Seeing that there was no one else around, he then leaned over to kiss his girlfriend on the lips. Then, he reached to grab Fang Su Jin's hand and the two of them walked over to the street.

They grabbed a taxi and headed to the restaurant that Qi Jing Xuan had mentioned to him.

Fortunately, the restaurant was not that far and the traffic was not too bad. The couple arrived at the restaurant and alighted from the taxi.

Zhang Yi Hai helped his girlfriend out and looked up only to find that Qi Jing Xuan was already waiting for them at the entrance.

The corner of his lips began to twitch as he watched that younger man waved his hand.

Zhang Yi Hai walked Fang Su Jin to the entrance and watched as Qi Jing Xuan gave her a look over. Instinctively, Zhang Yi Hai stepped in front of his girlfriend, blocking Qi Jing Xuan's gaze.

His movement was too sudden. Qi Jing Xuan looked up again and was surprised to see the unhappy look on Zhang Yi Hai's face.

A thought came to his mind and he let out a chuckle.

The look on Zhang Yi Hai's face was almost the same as his father's whenever he saw his mother with Uncle Eric. How can Qi Jing Xuan not know that Zhang Yi Hai was jealous?

However, this was the first time that Qi Jing Xuan had seen such an expression from Zhang Yi Hai. It was indeed a little surprising. The two of them had known each other for so long. Qi Jing Xuan had thought that Zhang Yi Hai had no interest in falling in love.

"Brother Yi Hai," Qi Jing Xuan greeted. He tried to peek at the woman again and smiled, "This is your girlfriend?"

Zhang Yi Hai glanced at his girlfriend. He held her hand tightly and spoke, "Jing Xuan, this is my girlfriend, Fang Su Jin. Su Jin, this is Uncle Qi Ming Wei's eldest son, Qi Jing Xuan."

"Hello." The two of them exchanged a nod as their form of greeting.

"Sister, you looked quite familiar," Qi Jing Xuan spoke as he looked at Fang Su Jin. "I feel as if I had seen you before."

"You probably have seen her with my sister before," Zhang Yi Hai said. "Su Jin and Sister Li Xue are best friends."

There was a hint of surprise in Qi Jing Xuan's eyes as he heard this. Based on Zhang Yi Hai's words, his girlfriend should be the same age as Sister Li Xue, right? Qi Jing Xuan had not thought that Zhang Yi Hai's girlfriend would be a few years older than him.

Qi Jing Xuan looked at Fang Su Jin again and smiled. "So, it was like that."

Although he was curious to know how did the two get together, Qi Jing Xuan decided not to probe into their matter at this time. Later, he could always ask Zhang Yi Hai about it.

He retracted his gaze and looked at Zhang Yi Hai again. "Brother Yi Hai, let's go in. My parents are already waiting for us inside."

Zhang Yi Hai gave Fang Su Jin's hand a gentle squeeze to assure her that everything will be fine later. Then, the two of them went to follow Qi Jing Xuan into the restaurant.

"That's right, why did your parents decide to come to F Country this early?" Zhang Yi Hai asked.

Qi Jing Xuan smiled. "My dad got something important to deal with. He said that he did not like to owe Uncle Eric a favor."

Zhang Yi Hai was curious to know about Qi's family relationship with that elder man he met yesterday. However, seeing that Qi Jing Xuan was not going to explain, Zhang Yi Hai decided not to ask.

After walking for a while, they finally reached a quiet booth at the corner of the restaurant.

As they were walking over to the elder couple, Zhang Yi Hai could not help but notice the way Fang Su Jin was gripping his hand tightly. He turned to her briefly and flashed her an assuring smile.

Whatever happened, he will be by her side.

Zhang Yi Hai finally stopped once they reached the table. He looked at the elder couple and greeted, "Uncle, Aunt, hello."

Qi Ming Wei gave the young man a look over. Then, his gaze shifted to the woman beside him. Lastly, his gaze fell on the young couple's intertwining hands.

"Uncle, Aunt, let me introduce you..." Zhang Yi Hai pulled Fang Su Jin closer to him. "This is my girlfriend, Fang Su Jin."
