

Love So Sweet 483

483 The Situation Change So Quickly

On the next day, Zhang Yi Hai appeared in front of Fang Su Jin's room to have breakfast together.

When Fang Su Jin appeared in front of him, Zhang Yi Hai could not help but to give her a look over. The dress she wore on her body made her look lively. An impulse to hug her tightly and hid her in his pocket suddenly came over.

"You..." Fang Su Jin spoke when she noticed that Zhang Yi Hai has been staring at her for a long time.
"What are you looking at?"

He stretched his hand and cupped her cheek. "Looking at my pretty girlfriend."

Her heart skipped a beat.

Fang Su Jin inhaled a deep breath, as she tried to calm down. Zhang Yi Hai was good with his words and each time, she would find herself falling for his sweet words. He was such a good seducer.

"Let's have our breakfast at the restaurant outside," Zhang Yi Hai suggested. "We can also have a walk on our way to the exhibition center."

Before coming to F Country, Zhang Yi Hai planned to have a date with Fang Su Jin freely. However, after they arrived, he barely had time to have a date with her.

This time, Zhang Yi Hai planned to settle what he needed to settle and free his schedule for the rest of their days in F Country. It was not easy for them to come to F Country. Of course, they will have to make a lot of memory here.

.....

Fang Su Jin quickly agreed with his suggestion to have their breakfast outside.

The two of them left the hotel together. They walked along the street while holding hands to look for a restaurant before Zhang Yi Hai was going to send Fang Su Jin to the exhibition center.

Fang Su Jin lowered her gaze and looked at their intertwined hands. Then, a bright smile appeared on her face. Having a walk in the morning around the city was also romantic. At this time, Fang Su Jin was silently praying that a moment like this would last for a very long time.

The couple had their breakfast at a restaurant nearby the hotel. Then, Zhang Yi Hai walked Fang Su Jin to the exhibition center and waited with her until Teacher Jiang showed up.

Seeing that there was someone with Fang Su Jin, Zhang Yi Hai felt more at ease to leave her.

After exchanging a few words with Teacher Jiang, Zhang Yi Hai grabbed a taxi and headed to the police station to assist them with some investigation.

Just as he arrived, a black Bentley stopped nearby and the Qi family of three alighted.

Seeing them, Zhang Yi Hai walked over and greeted the family.

“Jing Xuan, you’re here as well,” Zhang Yi Hai nodded at the younger man.

Qi Jing Xuan merely smiled.

How can he not be around when Zhang Yi Hai went to the police station to assist in the investigation? He was worried that Zhang Yi Hai was going to be bullied by the people here.

Fortunately, the police officers knew that he was with Uncle Eric and they would not make things difficult for him.

“Su Jin did not come with you?” Yang Ran asked, noticing that the boy in front of him came alone.

“Mmm... She’s busy with the exhibition,” Zhang Yi Hai said. They’re estimating that a lot of people will come to visit the exhibition center today.”

Yang Ran’s eyes lit up. She looked at her husband and smiled, “Let’s go and look at Su Jin’s exhibition later. We have to give her our support.”

Qi Ming Wei naturally did not have an objection to his wife’s suggestion. They came to F Country to help Zhang Yi Hai to settle some problems. Since they would be free afterward, he thought that they could walk around the city for a bit before they go back.

“Then, Aunt Yang, I hope you’re going to enjoy the exhibition later,” Zhang Yi Hai said. “Unfortunately, I can’t accompany you to her exhibition. Later, I still have something to do.” Zhang Yi Hai quickly explained that he had a meeting with a company in the city.

After exchanging a few words, the group entered the police station together.

Qi Jing Xuan went with his mother to speak with the police officers as they were much fluent in F Country’s language. Using their friendship with Eric Tan, they managed to find out the recent update regarding the investigation.

Before Zhang Yi Hai went with the officer to give his statement, Qi Jing Xuan walked over to his side and explained what happened.

Even with the evidence in the police’s hands, it seemed that Mika did not want to admit his mistake. He was even blaming the victim for his action. Mika told the police officers that it was those girls who were flirting with him first.

Zhang Yi Hai’s expression darkened. But with Qi Jing Xuan around, he decided not to comment too much about Mika’s action. Anyway, he believed that Mika would soon receive the punishment he deserved.

Zhang Yi Hai went with the police officers to the investigation room to give his statement regarding the incident two nights ago.

Just as he passed by a room, Zhang Yi Hai overheard a familiar voice shouting.

The door was pushed open and a man in his suit and tie walked out hurriedly.

“Lawyer Li, you cannot abandon me here! You promised that I can get out of here soon!”

Zhang Yi Hai managed to peek into the room and saw Mika in his disheveled look, sitting behind the table.

Then, Zhang Yi Hai turned to the officer who was escorting him again.

“The lawyer’s gone too. That’s too bad,” the officer shook his head. “It seemed that the man’s backer will no longer support him.”

The officer was speaking in the F Country language, however, Zhang Yi Hai could understand his words.

Just before the door closed, Mika looked up and met Zhang Yi Hai’s gaze. A look of surprise appeared on his face when he saw Zhang Yi Hai.

Mika thought that Zhang Yi Hai was the one who was supposed to be behind the bars. How did the situation change so quickly?

He could not understand what was going on.

Of course, Mika would never think that he had provoked someone he should not have. He might have his backer, but he would not expect that Zhang Yi Hai would have a bigger helper behind him.
