484 Buy You More Flowers

Zhang Yi Hai spent more than an hour with the police officer to give his statement.

When he came out again, Qi Jing Xuan was already waiting for him. However, both her uncle and aunt were no longer around.

“Brother Yi Hai,” Qi Jing Xuan called as soon as he saw him coming out of the room. He glanced at the officer who was escorting Zhang Yi Hai and nodded.

“It’s all done,” Zhang Yi Hai spoke. “Should we go back now?”

Qi Jing Xuan turned to the officer and spoke in the F Country language. Once the officer left Qi Jing Xuan turned to Zhang Yi Hai again and spoke “Brother Yi Hai, the officer said you don’t need to come to the station again. As for what’s next, we will hire a lawyer to represent you.”

Zhang Yi Hai sighed in relief, knowing that he did not have to prolong his stay in F Country. If he had to stay around, it would be troublesome as he was still a student.

“That’s good.” Zhang Yi Hai patted the young man on his shoulder. “Jing Xuan, thank you for your help. Fortunately, you are in F Country as well.”

“I did not do anything much. It’s all because of Uncle Eric.”

Zhang Yi Hai understood that the elder man had a special status in F Country. Moreover, his relationship with his Uncle Qi Ming Wei and Aunt Yang Ran was quite special.

.....

In the past, Zhang Yi Hai might have heard about it a little.

“Brother Yi Hai, let’s go out.” Without waiting for Zhang Yi Hai to reply, Qi Jing Xuan had already turned around to leave the police station. Once they were outside the building, Qi Jing Xuan looked at Zhang Yi Hai again and spoke, “Brother Yi Hai, are you going to the exhibition center? My parents should already be there. They said that they wanted to check on Sister Fang’s exhibition before they headed back.”

“No. I still have another matter to attend to.” Zhang Yi Hai checked at the time before he looked at the young man again. “Your parents are going back soon?”

“Mhm...” Qi Jing Xuan nodded. “My parents had other engagements in Capital City.”

Zhang Yi Hai made mental note to call his uncle again to thank him for his help. After all, his uncle and aunt chose to fly to F Country the moment they heard that he was in trouble.

“Brother Yi Hai, should I drop you over to your next destination?”

Zhang Yi Hai was about to decline but decided to accept the young man’s offer.

...

Meanwhile, Fang Su Jin was quite busy with the exhibition.

Just like the organizer had predicted, there were a lot of people coming to the exhibition on the second day. From the moment she arrived, Fang Su Jin has been busy following her mentor and the organizer around the place to meet a few people.

There were also a few offers to purchase her paintings.

As Fang Su Jin was not familiar with the system in F Country, she decided to let her mentor and organizer handle this matter for her.

Fang Su Jin almost did not have time to eat her lunch.

When she finally get her time to take a rest again, Fang Su Jin realized that it was almost time for the exhibition to end for the day.

Fang Su Jin took out her phone to check on her message. The last time she spoke with Zhang Yi Hai, it was during her lunch hour. Later, she was afraid that she would disturb him in his meeting and decided not to text him that much.

Before they parted this morning, Zhang Yi Hai made a promise that he would pick her up at the exhibition center before the two of them are going to have their dinner together.

But seeing that the man still had not arrived made her wonder if something happened to him.

She stood on tiptoes and craned her neck as she looked at the entrance. However, she still could not see Zhang Yi Hai appearing.

Her heartbeat accelerated and she could not help but worry.

Fang Su Jin took out her phone, wanting to give Zhang Yi Hai a call.

Then, she could hear a familiar ringtone behind her.

Fang Su Jin turned around and saw a bouquet of flowers in front of her. She looked up and saw her boyfriend smiling at her.

It felt as if something in her mind was exploding. Fang Su Jin lowered her head to hide her reddened face and pressed the end call button. Just like that, the ringtone ended as well.

“When did you get here?” Fang Su Jin asked.

“A while ago. I saw that you were busy with the organizer and decided not to disturb you.”

Fang Su Jin looked at the flower in front of her and smiled. “Is this for me?”

The bright red roses surrounded by baby breath looked very mesmerizing.

At this time, Fang Su Jin was reminded of the bouquet that Zhang Yi Hai had given her at her exhibition in Capital City. The roses were as fiery as this one.

“Mhmm...”

Fang Su Jin smiled happily. She took the flowers from him and sniffed the flowers. “It’s beautiful.” She stared at the flowers for a while and sighed. “Unfortunately, I won’t be able to bring them home.”

“It’s alright. I will buy you more flowers when we get back.”

Fang Su Jin continued to admire the flowers in her hand. Her eyes lit up as a thought came to her mind. “That’s right. How was your meeting with that company? Is it going well?”

Zhang Yi Hai pinched his girlfriend’s cheek and smiled. “Mmm... It’s going well. Actually, we already discussed this collaboration before. This time, I only come to discuss a few more things and signed a contract.”

“Then, is my boyfriend rich now?” Her tone was teasing.

Zhang Yi Hai chuckled. He found that he liked hearing Fang Su Jin calling him her boyfriend. “Mmm... Should we go out and celebrate for dinner? What do you want to eat?”

“Anything is fine.”

Zhang Yi Hai glanced at his wristwatch. “There are still a few minutes before the exhibition ended. You should go do what you have to do. I’ll wait for you here.”

“Actually, there was not a lot of things I can do around,” Fang Su Jin said. “Let me go and talk to Teacher Jiang. Then, we’ll leave together, alright?”
