

Love So Sweet 498

498 She Still Had Some Conscience

As it was a rare chance for them to come to F Country, the group decided to play around the city together.

Zhang Li Xue took a few photos of them in F Country and posted them on her social media. A few of her friends and family quickly commented on them.

Her parents saw the photos and did not find that it was strange for them to be together. After all, their son, Zhang Yi Hai was supposed to be in F Country to attend a meeting with some company.

The girls were especially having fun visiting a lot of places, going shopping as well as taking a lot of photos together.

Bai Qi watched the scene in front of him with a dark look in his eyes.

At this time, Fang Su Jin had taken away his job to push Zhang Li Xue's wheelchair. Meanwhile, the two women were busy talking to Bai Xi Xi and explaining to her about F Country's culture.

After a while, Bai Qi turned to look at Zhang Yi Hai.

His gaze was too piercing and Zhang Yi Hai was quick to notice that there was something wrong with the way his brother-in-law was looking at him.

"Brother-in-law, you... why are you looking at me like that?"

.....

Bai Qi gave the man a lookover and sneered.

He had already helped this couple to reconcile with his wife, but look at how Zhang Yi Hai let Fang Su Jin steal his wife away.

Initially, he came to F Country wanting to spend his time with his wife and little sister, but some extra person else was occupying her attention. How can he be happy?

And this person... why didn't he know how to look after his girlfriend?

Without giving an answer, Bai Qi turned away to trail after his wife.

Zhang Yi Hai blinked as he wondered if he had made any mistake.

Just then, his phone started to ring. Zhang Yi Hai looked at the caller ID and saw that it was Qi Jing Xuan. He picked up the phone call and heard the young man's voice.

"Brother Yi Hai, are you still in F Country?"

"Un. I will be staying here for a few more days and go back after the exhibition ended."

"I saw Sister Li Xue posted a few photos on her social media," Qi Jing Xuan said. "She's in F Country too?"

Zhang Yi Hai glanced at his sister who was standing a few meters away from him. "Hmm... Sister arrived in F Country a few days ago."

"I'm still in F Country," Qi Jing Xuan said. "Why don't we meet up together? Let me treat everyone at a good restaurant. It has been a while since I saw Sister Li Xue." Qi Jing Xuan heard that Zhang Li Xue was involved in an accident a few months ago and still had not visited her yet.

Moreover, he also heard from his parents that Zhang Li Xue had gotten a marriage certificate.

"I'll have to ask the others first," Zhang Yi Hai said.

"Then, you go ahead. Just tell me if you have made your decision."

After exchanging a few words with Qi Jing Xuan, Zhang Yi Hai went over to his sister and asked for her opinion.

Zhang Li Xue heard that Qi Jing Xuan was in F Country and decided to meet him as well. It was rare for everyone to meet. Zhang Li Xue was someone who liked a lively atmosphere and was the oldest among the other kids. Therefore, she could not turn down this invitation.

Zhang Yi Hai made a few arrangements with Qi Jing Xuan and they both agreed to meet up somewhere before dinner. Of course, Zhang Yi Hai did not forget to remind Qi Jing Xuan not to mention anything about his time in the lockup.

The group met up in the city and Qi Jing Xuan took them to a secret place that was known to the locals. The restaurant served F Country's local food and the taste was quite delicious.

It was also Qi Jing Xuan's first time meeting Bai Qi. Before they part ways, he did not forget to give the couple a wedding present.

Of course, Qi Jing Xuan did not mention anything about what happened a few days ago. Zhang Yi Hai's stay at the police station will remain a secret only to the people involved.

As Zhang Yi Hai and Fang Su Jin were staying in different hotels, the two of them had to leave separately.

Fang Su Jin looked at the Bai couple before they turned to Bai Xi Xi. "Xi Xi, do you want to stay with me at the hotel?"

The little girl stared back at Fang Su Jin in puzzlement.

"Didn't you say that you want to learn painting from me?" Fang Su Jin said. "Why don't you stay with me for a night and I'll teach you a little something?"

Bai Xi Xi's expression lit up upon hearing that Fang Su Jin was going to teach her to paint. However, before she could answer, Bai Xi Xi did not forget to look at her brother. "Brother Bai Qi, can I?"

"Su Jin, you should be busy with a lot of things," Zhang Li Xue said.

"It's alright." Fang Su Jin looked at Bai Qi and spoke, "The two of you should use this time to be alone. It's not easy for you to take a few days of vacation."

Zhang Li Xue's face turned a shade redder at the thought of being alone with Bai Qi.

Bai Qi crouched beside his little sister and asked, "Xi Xi, do you want to go?"

The little girl nodded. "Un. Brother Bai Qi, I want to learn painting from Sister Su Jin."

"Then, you have to be obedient and listen to Sister Su Jin and Brother Yi Hai, alright?" Bai Qi reminded her.

Bai Xi Xi smiled brightly. "Brother Bai Qi, you can rest assured. I will listen to them both and not run around."

Fang Su Jin leaned over to Zhang Li Xue and whispered, "Li Xue, I'll give you this chance to be alone with your Doctor Bai, alright? Just take this trip here as if it is your pre-honeymoon."

Meanwhile, Bai Qi was watching Fang Su Jin and was glad that she still had some conscience after stealing his wife away.
