

Love So Sweet 501

501 Did You Like Our Surprise?

Fang Su Jin's palms were starting to sweat.

Facing her parents who showed up at her exhibition unannounced made her anxious. At this time, Fang Su Jin hoped that her parents had not seen anything they shouldn't.

Why is everyone coming to her exhibition unannounced?

Her relationship was known to Zhang Li Xue and Bai Qi. She had thought that they were no longer in a dangerous position. Because of that, she lowered her guard and dared to be close to Zhang Yi Hai again.

"Dad, Mom..." Fang Su Jin had an awkward smile on her face. "Why are you guys here?" Her gaze shifted to her father again. "Dad, didn't you say that you were busy?"

Father Fang had a proud look on his face. "This is the first time you had an exhibition in F Country. No matter how busy I am, of course, I have to come and show my daughter my support."

Fang Su Jin was happy that her parents came to give her their support. However, their appearance was too sudden.

"Why didn't you tell me that you guys are coming?" Fang Su Jin did not dare to look her father in the eyes, worried that the man would sense her guilty conscience.

Mother Fang laughed. "Why would we tell you if we're going to give you a surprise? Su Jin, how is it? Did you like our surprise?"

.....

Fang Su Jin did not know what she should feel about this.

Her parents came to F Country wanting to surprise her, but the person who received the most surprising is her, alright?

Father Fang was about to say something when he noticed the tall, young man, standing behind his daughter. His brow furrowed. A while ago, he noticed that his daughter has been especially close to this man. Father Fang was about to voice his displeasure when he finally saw the young man's face.

"Zhang Yi Hai?" Father Fang's face was especially bright.

Zhang Yi Hai flashed a polite smile at the man. "Hello, Uncle." He looked at Mother Fang and greeted, "Aunt."

Just like that, Father Fang left his daughter to his wife as he walked over to Zhang Yi Hai's side. He gave the young man a look over and smiled. "Why are you here? Are you here to support Su Jin's exhibition as well?"

Fang Su Jin stared at her boyfriend, praying that he would not say anything that would make her parents suspect anything.

"Mhm..." Zhang Yi Hai said. The look on his face was calm. "Coincidentally, I am in F Country as well."

Father Fang nodded. But a few seconds later, he seemed to recall watching his daughter and Zhang Yi Hai standing too close again.

“My sister is here as well.”

“Li Xue is in F Country as well?” Mother Fang asked.

“Mmm...” Zhang Yi Hai nodded. “My sister wanted to come and support Sister Fang.”

Just in time, Bai Xi Xi walked over to Zhang Yi Hai’s side. She was about to say something when she noticed the two newcomers.

“Uncle, this is Bai Xi Xi, my brother-in-law’s little sister,” Zhang Yi Hai introduced. He turned to the little girl and spoke, “Xi Xi, this is Sister Su Jin’s parents.”

“Hello Uncle, Auntie.” The little girl greeted them politely.

Zhang Yi Hai took this chance to explain, “My sister and brother-in-law are still at the hotel. I decided to bring Xi Xi over to play first.”

The Fang couple looked at the little girl and smiled. This was their first time meeting the little girl and they thought that Bai Xi Xi was adorable and polite.

Bai Xi Xi bit her lips before turning to Zhang Yi Hai again and whispered, “Brother Yi Hai, I need to go to the restroom.”

Fang Su Jin overheard her words and was going to volunteer. However, before she could say something, Zhang Yi Hai beat her to it.

“Then, Sister Fang, you should talk to your parents first. I will go and look after Xi Xi,” Zhang Yi Hai said. He gave the Fang couple a nod before accompanying Bai Xi Xi to the restroom.

The Fang couple looked at the scene of Zhang Yi Hai and Bai Xi Xi holding hands with a pair of warm eyes.

“I didn’t expect that Yi Hai would be very good with kids as well,” Mother Fang said with a sigh. Meanwhile, Father Fang was still thinking of exchanging some opinions with Zhang Yi Hai.

Fang Su Jin heaved in relief when Zhang Yi Hai and Bai Xi Xi’s figure could no longer be seen. Now that her boyfriend was not around, it would be easier for her to hide her secret.

She lowered her gaze, hoping to hide the guilt in her eyes.

...

As soon as Zhang Yi Hai sent Bai Xi Xi to the restroom, he stood outside the door and told her that he was going to wait for her outside.

Then, he took out his phone to text his sister. “Sister, when are you going to arrive?”

Fortunately, it did not take a long time for his sister to reply. “Bai Qi and I are still having our breakfast. What’s up? Did Xi Xi miss us?”

“Sister, you have to help us. Su Jin’s parents showed up at the exhibition.”

Zhang Li Xue was in the middle of eating her breakfast when she saw her brother’s message. She quickly put down her cutlery and called her brother’s number. “Yi Hai, what do you mean? Su Jin’s parents are in F Country? I thought that they were unable to come because Uncle is too busy?” She did not bother with pleasantries.

“Her parents said that they wanted to give her a surprise.”

Zhang Li Xue was stunned. “The two of you did not do anything inappropriate when they arrived, right? Of course, Zhang Li Xue still remembered stepping into the hall and finding her brother and best friend kissing.

“Of course, not.” Zhang Yi Hai scoffed. “I told them that I came here with you. Sister, you have to help us to keep this secret from her parents.”
