

## Love So Sweet 507

### 507 Staying Over at His Apartment

The elevator door opened with a ding and the couple walked out together.

Zhang Yi Hai led her to his door and spoke, "My hands are full. Su Jin, help me to unlock the door."

Fang Su Jin turned to Zhang Yi Hai and noticed that the man had their luggage in both his hands. She then turned to look at the fingerprint machine. Her heartbeat accelerated at the thought of entering the apartment.

Taking a deep breath, Fang Su Jin raised her hand and placed it on the machine.

The sound of the door unlocking was heard. Fang Su Jin pushed the door open and entered through the door. She stepped aside and let Zhang Yi Hai enter.

Zhang Yi Hai smiled as he looked at his anxious girlfriend. He could guess the reason Fang Su Jin was anxious. Because of that, Zhang Yi Hai tried not to say much, afraid that his girlfriend might be frightened and run away.

He walked inside and put the luggage on the side. Then, Zhang Yi Hai took out the slippers from the cabinet and placed a pair in front of Fang Su Jin. He then moved into the house with their luggage. Zhang Yi Hai waited for Fang Su Jin to walk into the living room and smiled.

"What are you anxious about?" Zhang Yi Hai asked.

He walked over to Fang Su Jin's side and wrapped his arms around her body. Sensing the tension around her body, Zhang Yi Hai hugged her tighter.

.....

"If you are not comfortable, then, we can find a place for you to stay," Zhang Yi Hai whispered as he nuzzled his nose into her tresses.

"No. It's fine." Fang Su Jin flashed an awkward smile. "It's just that, it will take me a while to get used to this." She buried her face in his chest and continued, "After what happened in F Country, I keep having this feeling as if we are going to get caught by someone else."

They both thought that F Country would be safe for them to date as there was no one they know. Who would have thought that they continued to run into familiar faces?

Zhang Yi Hai laughed.

However, other than hugging her, Zhang Yi Hai did not try to do anything else.

He wanted to let her know that he will not try to take advantage of her. He wanted her to know that she can trust him.

Seeing that Fang Su Jin began to relax, Zhang Yi Hai gradually loosened his embrace and took a step back. He touched the tip of her nose and spoke, "Would you like something to drink?"

Without waiting for her to answer, Zhang Yi Hai went into the kitchen and poured her a glass of warm water.

“Drink this,” Zhang Yi Hai handed the glass to her. “Maybe you will feel better.”

Fang Su Jin took a sip and felt the warm temperature from the water traveling through her bloodstream and into her heart. Her eyes were peeking at the young man silently.

Her boyfriend was drinking some water beside the kitchen counter.

Fang Su Jin thought that the way his Adam’s apple was moving as he swallowed was too attractive. Her cheek felt warmer and Fang Su Jin began to look away.

She was worrying about staying over at his apartment, but Zhang Yi Hai has been patiently coaxing her, trying to make her feel at ease.

He was someone she could rely on and trust. Therefore, she did not need to worry about him around.

When Zhang Yi Hai looked at his girlfriend again, he could see that she had relaxed. “Come on.” He held her hand and pulled her to the guest room. “I know that you have toured my apartment before, but let me just show you to your room.”

“Alright.” Fang Su Jin put down the glass on the counter. Then, she let Zhang Yi Hai lead her around the apartment.

Once they arrived in front of the guest bedroom, Zhang Yi Hai pushed the door open to let Fang Su Jin into the room. He stood at the side to let her in. “I’m sure that you should be tired after our long flight. Go in and take a rest first. Later, we’ll have our dinner together. We can have our dinner together when you wake up. That’s right. What do you want to eat? Should we go out to eat or call for delivery?”

“Anything is fine. I’m not that picky.”

“Then, let’s decide after you had enough rest.”

“Alright.” Fang Su Jin nodded. “Zhang Yi Hai.” Fang Su Jin stepped forward to hug him tightly. She then looked up to meet his gaze. Without saying another word, Fang Su Jin leaned over to hug him. “Thank you.”

He raised his hand and pinched his girlfriend on the cheek. “Alright, go and rest. Just tell me if you need anything. I will be in the next room.”

“En.” Fang Su Jin nodded again.

Zhang Yi Hai took the chance to lean over and kiss his girlfriend on the lips. Then, he pulled away again and took a step back before he would be tempted to do something bad.

It was hard enough to restrain himself. He did not need to do anything that would stimulate a certain feeling.

With one last look at her face, he finally turned around and closed the door behind him.

The surrounding turned quiet without Zhang Yi Hai around. Fang Su Jin stared at the closed door for a few seconds. Then, the corner of her lips turned up.

Turning around, Fang Su Jin walked to the single bed and slammed her body on it. Her heart felt as if it was going to explode and the silly smile on her face was very hard to stop.

Fang Su Jin was acting very much like a girl in love.

The thought that she was staying in Zhang Yi Hai's apartment made her scared and excited at the same time. Although she was only staying here briefly, Fang Su Jin found that she was looking forward to every moment they are together.
