

Love So Sweet 511

511 How Can He Bear It?

The light in his eyes flickered.

He looked at his girlfriend and swallowed. His heart was beating so fast that he felt as if it was going to pop out of his body anytime soon.

Zhang Yi Hai wondered if this person in front of him knew just how her words had made him feel.

His eyes were staring straight into Fang Su Jin's eyes. The two of them continued to look at each other for a long time.

Right now, Fang Su Jin's face was a little red and her eyes were a little misty after the two of them had kissed for a long time.

She was too adorable and seductive. At this time, he was leaning over on top of her. This atmosphere plus the words she had said to him made him feel hot all over.

Zhang Yi Hai closed his eyes and heaved a faint sigh. He looked at his girlfriend again with his lips pursed tightly. The look on his face was as if he was trying to suppress something.

"Fang Su Jin." His voice sounded a little hoarse. "Are you trying to seduce me?"

She looked into his eyes and started to panic. It was at this time that she finally realized the situation they were in. His hands were on both her sides, trapping her. Even if she wanted to think of escaping, Fang Su Jin did not think that she would succeed.

.....

"Me... when did I try to seduce you?" Fang Su Jin had an aggrieved look on her face.

"Just now, didn't you try to seduce me?"

"I didn't." Fang Su Jin bit her lips. "I was just telling you that I—"

The words she wanted to say remained unfinished as she watched his eyes turn darker.

Fang Su Jin slowly unclasped her hands from his neck. Slowly, they trailed down until they reached his chest area. Her eyes were watching him cautiously.

In Zhang Yi Hai's eyes, Fang Su Jin was like an innocent rabbit trying to find her chance to get away from him.

This person had already provoked him, but she was still trying to run away.

Of course, Fang Su Jin was aware that she was now in a dangerous position. Her mind worked quickly wanting to find a way to escape. "Zhang Yi—"

She did not get to finish saying his name as Zhang Yi Hai leaned over to kiss her again. Then he pulled away. Noticing that she was going to speak another word, Zhang Yi Hai leaned to kiss her again.

"Zhang Yi Hai!"

“Mhm...” He caught her lips in another kiss. His teeth were nibbling on her lips softly. Zhang Yi Hai thought that perhaps he would get addicted to her jelly-like lips.

“You—”

Then, another kiss.

This was starting to make her frustrated. “Are you—”

Zhang Yi Hai moved to rub his lips against hers again. Each time that he kissed her, it would last a little bit longer.

Fang Su Jin thought that his person was annoying and funny. She wondered if Zhang Yi Hai was going to kiss her again like this for a long time. Was she not allowed to say anything now?

Wasn't this too childish?

No! He was simply trying to take advantage of her!

Her hands moved to pinch a spot on his stomach area. However, his hard muscle made it difficult for her to grab anything.

Why did he have such a good body? It was really hard for her to find a good spot to pinch him.

Suddenly, Zhang Yi Hai let out a groan. He pulled away from kissing her and grasped both her hands before pinning them on top of her head. “Are you trying to murder me?”

The look in his eyes made her scared. Her eyes were teary as she looked at him.

Zhang Yi Hai closed his eyes briefly and let out a faint sigh. “Fang Su Jin, don't touch me around carelessly. Otherwise, I really did not know how I could stop myself.”

His body was already on fire, but a certain someone was touching his body everywhere closer to the lower part of his body.

How can he bear it?

There must be something wrong with him if he was not stimulated. After all, the person who was touching him was no other than the person he liked.

Fang Su Jin pursed her lips tightly and her body turned rigid under Zhang Yi Hai's intense gaze.

His throat bobbed. Zhang Yi Hai realized that Fang Su Jin's pose at this time was too alluring. He was pinning both her hands on top of her head and her chest moved as she tried to catch her breath. The shape of her body... Su Jin was so soft...

Zhang Yi Hai wanted to look away but was unable to.

Fang Su Jin had once said that he was like a fox, full of tricks. However, Zhang Yi Hai thought that the person under him was more like a fox, seducing him.

Zhang Yi Hai was doing his best trying to suppress his desire for Fang Su Jin. However, his rationality was telling him that this was not a good time.

They were both not prepared to go to the next stage and he did not want to hurt her. He did not want to frighten her with what he wanted to do to her.

After that night when he had accompanied her in her hotel room, Zhang Yi Hai realized that he has been having all sorts of thoughts he never had before. If his girlfriend knew about it, perhaps, she would try to get away from him.

Fang Su Jin widened her eyes as she watched Zhang Yi Hai approaching her slowly. She thought that he was going to kiss her again. But instead, the man buried his face in her neck as he hugged her.

She tried to wriggle out of his embrace, but he was holding her tightly.

“Su Jin, don’t move.” His voice was a silent plead. “I don’t know if I’m going to be able to hold it any longer if you continue to move around.”

Fang Su Jin stayed still. “Then? Let me go back to my room?”

“I can’t. It’s already too late.” Zhang Yi Hai kissed a spot on her neck, making her shiver. “Just let me hug you like this for a while, alright?”

“Hmm...” Fang Su Jin nodded. She stayed obediently in his arms, letting him kiss her face and nuzzling his nose against her skin. Her face turned redder as she felt his hot body against hers.

Everything was making her dizzier.
