

## Love So Sweet 515

### 515 Wedding Preparation

After a few weeks she returned to Y city, Fang Su Jin finally went out to see her best friend, Zhang Li Xue. The girl was going to have a wedding in a few months and Fang Su Jin planned to help with the wedding preparation as well.

Fang Su Jin headed to Zhang's residence to pick up her friend. Then, they headed together to the bridal shop. As soon as they arrived, Fang Su Jin helped to get the wheelchair and pushed her into the shop.

As she stopped in the lounge, Zhang Li Xue patted her friend's hand and flashed a mischievous smile. "Thank you, my good sister-in-law."

The corner of her lips twitched. "Zhang Li Xue!" Her cheek already turned red from the tease.

Zhang Li Xue giggled happily. "Alright, I was only trying to prepare myself for the future."

"Be careful that you might accidentally call me that when we're in front of others." Fang Su Jin knew that her friend liked to joke around and did not mind it. However, she still worried that Zhang Li Xue might say the wrong thing in front of her mother.

At this time, Fang Su Jin was still thinking of how she was going to tell her parents she was dating Zhang Yi Hai. Moreover, she was worried about how Zhang Yi Hai's parents were going to react when they knew about this news.

"En. I understand." Zhang Li Xue nodded. "I'll be very careful."

When Zhang Li Xue knew that her best friend and little brother were dating, Zhang Li Xue had already promised that she will keep this secret and help them to hide their relationship.

.....

Once upon a time, Fang Su Jin had helped her to hide her relationship with Bai Qi. This time, of course, Zhang Li Xue had to help them.

A consultant appeared and greeted the friends. She alternated her gazes between the two friends and spoke, "Hello! My name is He Miao. May I ask, which one of you is the bride?"

Fang Su Jin pointed at her friend. "It's her."

The consultant turned to Zhang Li Xue and smiled. "You..." She noticed that the girl was seated in the wheelchair and suddenly recalled something. "Ah, you're Miss Zhang, right?"

"That's right."

"Mmm... Mrs. Qi mentioned that you are stopping by to look at the dresses today," He Miao spoke. She looked at the book in her hand and finally found the notes she wrote earlier. "I'm sorry. I almost did not recognize you."

"It's alright." Zhang Li Xue naturally did not mind these things. In the past, she often heard from her aunt that life as a wedding planner was quite hectic and crazy.

Moreover, there were a few more months before their wedding banquet would happen. Usually, it took months to plan a wedding. Zhang Li Xue's upcoming wedding could be considered on short notice. But fortunately, her Aunt Yun was previously a wedding planner and had a lot of contacts. This was helping to make it easier for them to plan the wedding.

The consultant took them into a special lounge and let the other staff bring in some refreshments for them.

Zhang Li Xue and Fang Su Jin ate their snacks while listening to He Miao's advice on the wedding dress. Then, Zhang Li Xue told He Miao about the kind of dress she was looking for. She was hoping to wear something that's convenient for her to move around. It should not be anything extravagant, but enough to make Bai Qi mesmerized when he saw her walking down the aisle.

After a while, the consultant took out a few catalogs to show her a few pictures of the latest dresses from their shop.

As Zhang Li Xue was looking at the pictures, Fang Su Jin leaned in to help her choose a few dresses as well. Her task this time was to tell Zhang Li Xue if the dress would look good on her.

In the end, the two of them chose a few designs and the consultant called the assistant to take out a few dresses and let them have a look. Zhang Li Xue was considering wearing a dress with an open back. But as she was going to ask her best friend for her opinion, Zhang Li Xue saw that Fang Su Jin was looking at another dress with a faint smile on her face.

The words she wanted to say were stuck in her throat. Then, Zhang Li Xue smiled brightly. "Su Jin."

"En?" Fang Su Jin turned around.

"Why don't you try on the dress?"

Fang Su Jin stared at her friend in disbelief. "You... I'm not the one who's getting married. Why would I try the dresses?"

"Well, it's not convenient for me to wear the dress in my current situation," Zhang Li Xue said. "You can consider helping me. Put on the dresses and let me see if it's good. Anyway, our size shouldn't be that different, right?"

Zhang Li Xue gave her friend a lookover. Her gaze stayed on Fang Su Jin's chest for a few seconds longer. It seemed that Fang Su Jin's chest was a little larger. She recalled that Fang Su Jin liked going to a vegetarian restaurants.

In the past, she had seen Fang Su Jin drinking some papaya soup. Zhang Li Xue wondered if it was already too late for her if she started to drink them as well.

Zhang Li Xue retracted her gaze and looked at the consultant. "Is it alright if my friend helps to try those dresses?"

The consultant nodded. "It's alright. After all, it is your first visit. You can try them and see which one you like best."

Zhang Li Xue looked at Fang Su Jin again. "You hear that? Su Jin, help me, alright?"

Fang Su Jin hesitated. Seeing Zhang Li Xue's pleading look, Fang Su Jin decided to agree. "Alright then. I'll just have to be your model, right?"

"En. En." Zhang Li Xue nodded. "Su Jin, you're the best!"

"Miss Fang." The shop consultant smiled. "Please, come with me."

With a sigh, Fang Su Jin followed the consultant to the fitting room to get changed.
