

Love So Sweet 518

518 Final Examination Schedule

"If I don't look at my girlfriend, then who else should I be looking at?" He let out a cough. "Anyway, I think she's very pretty," Zhang Yi Hai said.

His words made her cheek grew redder. Fang Su Jin could not understand why did Zhang Yi Hai suddenly tell her these sweet words.

"What did you do today?" Zhang Yi Hai spoke. Of course, he was not going to tell his girlfriend that his sister had sent a photo of her in a wedding dress.

"I went to accompany your sister to look at a few wedding dresses," Fang Su Jin said. "Right. I have mentioned to you about this, right?" Then, she started to tell Zhang Yi Hai about the dresses she saw and the dresses that Zhang Li Xue chose.

However, she did not mention anything about putting on a few wedding dresses for Zhang Li Xue to see. Fang Su Jin thought that it was embarrassing to tell Zhang Yi Hai about this matter. She did not want Zhang Yi Hai to think that she was sending hints that she wanted to get married.

Since Fang Su Jin did not mention trying out a few dresses, Zhang Yi Hai could not find a reason to ask her about it.

"Did you see any dresses you like?" Zhang Yi Hai asked.

Fang Su Jin smiled. "I went there to accompany your sister to find her dress. What's the use of seeing if there's any that I like?"

"Well, it might come to use someday." Zhang Yi Hai started to imagine seeing Fang Su Jin standing in front of him, wearing a wedding dress.

.....

The thought made his body a little hot.

This was all his sister's fault.

What encouragement? He only grew restless after seeing the photo of his girlfriend in a wedding dress. The image of Fang Su Jin in a wedding dress stayed in his mind for a very long time.

The two of them stared at each other without saying a word.

Fang Su Jin could not help but think that the atmosphere had gotten a little strange. Then, she started to wonder what Zhang Yi Hai meant by his words earlier...

Too many thoughts came to her mind and each of them would only make her face turn redder.

She already reminded herself not to think too much, but in the end, she was still thinking too much.

Zhang Yi Hai coughed, wanting to dispel the silence between them, "Anyway, I have something to tell you."

Fang Su Jin was relieved that Zhang Yi Hai was changing the subject. "What is it?"

"The final examination schedule is out," Zhang Yi Hai said. "Starting next month, the examination period will begin."

"That was quick."

"Mhm... They wanted the student to be prepared. This was why they had released the schedule earlier," Zhang Yi Hai said. "I have looked at my schedule. It seemed that I will finish my exam in ten days."

He only has a few papers that he will have to sit for a final exam. However, because of an elective he chose, there was a large gap between his papers with the last one.

If it was not because of his last paper, Zhang Yi Hai would be able to return to Y City quickly to be by his girlfriend's side.

Fortunately, his sister already knew about their relationship and had agreed to help them hide it from their parents. Zhang Yi Hai also hoped that his sister and brother-in-law would help him to date Fang Su Jin secretly.

They only have to stay underground for a month until their examination result comes out.

Fang Su Jin had agreed that if his results were good, the two of them would tell their elders that they were seeing each other.

This was what Zhang Yi Hai was looking forward to the most. He loved Fang Su Jin and was sure of his feelings for her. Because of that, he wanted to be seen with her and let others that the beautiful woman is his girlfriend.

Sneaking around was fun, but he would rather date Fang Su Jin openly.

"Then, sent me a copy of your schedule later," Fang Su Jin spoke after a while. She stood up from her bed and walked over to her desk. She looked at the calendar and started to mark Zhang Yi Hai's exam period on it.

Zhang Yi Hai chuckled. "What are you going to do with it?"

"Of course, as your girlfriend, I need to send you some words of encouragement on the day you will be having a paper."

The word 'encourage' triggered something in his mind and the photo that his sister had sent to him earlier reappeared in his mind.

Right now, Zhang Yi Hai had enough encouragement to study hard for his future.

Fang Su Jin looked at the calendar again and noted that it would not be too long before Zhang Yi Hai's examination will start.

Previously, she had told him that she would come to Capital City to visit him again. But seeing that he was going to be busy with his exam, Fang Su Jin began to wonder if it would be a good idea for her to visit her boyfriend.

After all, she did not want to disturb him.

The last time she stayed in Capital City for a couple of days, Zhang Yi Hai has been busy taking her out to play instead of reading his books.

Fang Su Jin understood that he wanted to spend time with her. However, she thought that his study should be the most important. She could not let his grade slip because of dating.

A sigh escaped her.

This was also fine. At least, the two of them could be together after he finished his exam.

“Zhang Yi Hai, when is your final paper?”

“It should be on the twenty-eighth.”

Fang Su Jin circled the date. A faint smile appeared on her face. Fang Su Jin wondered if it would be a good idea to come to surprise Zhang Yi Hai in the Capital City on the last day of his paper.
