

Love So Sweet 520

520 The Biggest Lightbulb

Zhang Li Xue came into the living room and saw that her brother and her friend were together in the living room. Her gaze alternated between the couple before she finally looked at her mother.

At this time, her brother was stealing a few glances at Fang Su Jin. However, her mother did not seem to notice what her son was trying to do.

After watching them for a while, Zhang Li Xue finally made her presence noticed. "Su Jin, you're here."

Fang Su Jin looked at her friend and lowered her gaze again. Knowing that Zhang Li Xue was the only one who knew about her relationship with Zhang Yi Hai made her shy.

"I'm ready. Should we go now?" Zhang Li Xue said. "Mommy, we're going."

"Li Xue, let your brother drive you to the bridal shop," Li Qin Yao spoke when she saw that her daughter was about to leave. "This way, you can have someone to carry the wheelchair for you."

Her gaze shifted to her brother. Zhang Li Xue could guess that this should be her brother's idea "Alright, Mommy."

Since her brother had volunteered, Zhang Li Xue planned to use this driver well.

After a while, Zhang Li Xue sat at the back and stared at her brother through the rear mirror. Their eyes met briefly and Zhang Li Xue rolled her eyes. "Alright, the two of you better not try to feed me with dog food. Otherwise, who knew if your secret will stay safe with me."

.....

At this time, Fang Su Jin was sitting on the passenger's side while Zhang Yi Hai drive them to the bridal shop.

Fang Su Jin quickly pulled her hand away from her boyfriend upon hearing her friend's threat. Then, she shot Zhang Yi Hai a sharp look, warning him not to try to do anything funny. "You... concentrate on the road."

Zhang Yi Hai heaved a sigh. He knew that his sister was joking around, but Fang Su Jin was still shy around his sister.

He only wanted to hold his girlfriend's hand while he still can. Then, he will need to return to Capital City again and prepare for his final exam.

However, Zhang Yi Hai was also aware that without his sister's help, it would be hard for him to go on a date with his girlfriend.

He had no choice but to allow this lightbulb to come with him on a date.

Of course, Zhang Li Xue would be angry if she hear her brother had called her the lightbulb. In her opinion, the biggest lightbulb in this situation was her brother.

After all, Fang Su Jin was supposed to be accompanying her to the bridal shop to look at her dress again. It was a coincidence that Zhang Yi Hai was around to act as their driver.

The car finally arrived at the bridal shop.

Zhang Yi Hai helped his sister to get down from the vehicle and let her sit in the wheelchair. Then, he pushed her into the shop.

The moment Zhang Yi Hai saw the wedding dresses around the shop, his expression began to change again. He recalled the photo that he had kept on his phone and wondered if he could see his girlfriend wearing a wedding dress this time.

The three of them waited for a couple of minutes before the consultant, He Miao greeted them in the waiting room. Her eyes lit up the moment she saw Zhang Li Xue. Then, He Miao seemed to notice that an extra person was coming with them this time.

“Miss Zhang, this is...”

Zhang Li Xue followed the consultant’s gaze and introduced, “This is my brother.”

The consultant’s expression eased up. Then, she looked at Zhang Li Xue again. “Miss Zhang, the dress that you requested arrived this morning. Would you like to see it?”

Zhang Li Xue looked at the consultant in puzzlement. “Which dress?”

“The maid of honor,” He Miao said. “Previously, didn’t you ask me to find a certain style for Miss Fang? The dress is here.”

Zhang Li Xue sat up straight. “Really? Then, show it to me.”

The consultant turned to another shop assistant and asked her to bring the dress that she mentioned earlier.

While waiting for the shop assistant to get the dress, He Miao showed a few dresses that she had found as well. “Miss Zhang, we also have a few more dresses of the same color. Last time, you mentioned that there will be two more bridesmaids with you.”

Zhang Li Xue looked at the photo that the consultant was showing her. For her wedding, Zhang Li Xue asked her college roommates, Mao Xin Yi and Zhuang Li to be her bridesmaid.

The two have agreed and will be coming to Y City in a few weeks to look at the dresses she had prepared.

Zhang Li Xue chose a few styles and shot a few photos to send them over to her friends.

After waiting for a while, the shop assistant finally returned with the dress for Fang Su Jin.

Zhang Li Xue looked at the dress and was satisfied with it. She turned to Fang Su Jin and asked, “Su Jin, what do you think? Is it pretty? Is it to your liking?”

Fang Su Jin reached to touch the dress and smiled. “It looks good.”

“Then, Miss Fang, would you like to go in and try the dress?” He Miao spoke. “We can make some alterations if necessary.”

Fang Su Jin nodded. Then, he followed another shop assistant to the fitting room to try the dress.

While waiting for Fang Su Jin to return, Zhang Li Xue continued to look at some photos of dresses for her friend. Then, she seemed to realize that her brother was sitting beside her.

She had almost forgotten that Zhang Yi Hai was also at this bridal shop.

Zhang Li Xue thought that this brother was too lucky.

Coincidentally, the dress that she was looking for Fang Su Jin arrived just in time for her brother was coming to accompany them to this bridal shop.

He will get to see Fang Su Jin dressed up prettily, right?

Zhang Li Xue looked at her brother and clicked her tongue. “Yi Hai, you’re very lucky.”
