

Love So Sweet 525

525 Zhang Li Xue Turned Obedient

The next morning, Fang Su Jin appeared at the Zhang family house, hoping to give a surprise to her boyfriend. The auntie who opened the door was familiar with her and quickly let Fang Su Jin enter the house.

After waiting for a while, Zhang Li Xue came out of the living room with a teasing smile on her face. Since there was no one at home, Zhang Li Xue was too lazy to sit down in her wheelchair. Instead, she walked around the house with a crutch.

Anyway, it has been months since her accident and Zhang Li Xue thought that her legs had healed. However, Bai Qi think that it was better for her to rest properly.

“Su Jin, are you here to look for my brother?” Zhang Li Xue whispered as she walk closer. “My brother went out with my mother to make a new suit. I still don’t know when they will be back.”

The smile on Fang Su Jin’s face froze. At this time, she was slightly regretting her decision not to speak to Zhang Yi Hai before she come over. Otherwise, she can always come over once they returned.

“It’s alright. Su Jin, you can always look at my face.”

Fang Su Jin looked at her friend in puzzlement.

“Zhang Yi Hai is my brother anyway,” Zhang Li Xue explained before Fang Su Jin could ask. “Our faces aren’t that different, right?” Zhang Li Xue laughed happily after teasing her friend.

“What are you talking about? I’m only here to pick up my car.”

.....

Seeing that a certain person was upset, Zhang Li Xue decided not to tease her anymore. “Alright. I won’t tease you anymore. Just stay here and accompany me for a bit. Coincidentally, Bai Qi went out with them to try on his suit as well. I think they should return before lunch hour.”

Initially, Zhang Li Xue wanted to accompany Bai Qi to go out as well. However, she was a little tired after she was tossed around for the whole night. When Bai Qi and the others left home, she was still asleep in her room.

Fang Su Jin did not hesitate to agree. Anyway, she did come over to see Zhang Yi Hai before he would return to Capital City in the evening.

As the two friends were chatting, the person that Fang Su Jin was waiting for finally appeared. She stood up immediately, wanting to go to his side. However, her steps halted the moment she saw the siblings’ mother walking into the house as well.

The look on Fang Su Jin’s face becomes timid.

“Su Jin, you’re here as well.” Li Qin Yao smiled when she saw the girl accompanying her daughter. Li Qin Yao was used to seeing Fang Su Jin accompanying her daughter ever since the two of them were just little girls. Of course, she was happy to see Fang Su Jin visiting the house.

“Hello, Auntie.” Fang Su Jin smiled politely.

“Since you’re here, you should stay for lunch as well,” Li Qin Yao said. “It has been a while since there are many people accompanying me for lunch. Usually, there are only me and the aunties.” Without waiting for Fang Su Jin to reply, Li Qin Yao spoke to the auntie to prepare a few more dishes for the guests.

Seeing the elder woman turn around and headed to the kitchen, Fang Su Jin finally heaved a breath of relief. Her gaze shifted to Zhang Yi Hai who was watching her silently. The look on her face was as if he was laughing at her.

Fang Su Jin narrowed her eyes dangerously and the look on Zhang Yi Hai’s face quickly disappeared.

Fortunately, Zhang Yi Hai was still aware that he should not tease his girlfriend too much.

At the side, Zhang Li Xue was asking Bai Qi about his fitting session. She wanted to go and look at him dressed in his suit. However, she did not wake up at a time when everyone else come out.

Bai Qi did not answer his wife right away. Instead, he carried his wife off the ground and made her sit down.

Now that he has been married to Zhang Li Xue for a few months, he was no longer afraid of showing his affection to his wife in front of her family. Anyway, it was better to let her family see that he was treating Zhang Li Xue well. Only then would they feel more at ease.

Zhang Yi Hai was jealous as he watched this scene. He would also like to act intimately with his girlfriend. However, he could only suppress himself and continue to hide their relationship for a while longer.

“Why are you walking around carelessly?” Bai Qi frowned as he looked at his wife. “Did you forget that your leg is not fully healed?”

Zhang Li Xue could only wrap her arms around Bai Qi’s neck so that she won’t fall. She batted her eyes at her husband, hoping that he would let her go after seeing the pitiful look on her face.

“I was walking around for a short time,” Zhang Li Xue said. “Anyway, didn’t Uncle Qi say that I have to exercise a bit more? Otherwise, it would be hard for me to start walking again.”

“I will massage your leg for you. Don’t move around when I’m not by your side.” His voice was soft enough for only the two of them to hear. “Li Xue, remember what you told me previously.”

Zhang Li Xue pursed her lips.

The last time that she tried to convince her husband to let her have a baby, Bai Qi told her that she could only try to get pregnant after her legs were fully healed. Because of this, Zhang Li Xue has been especially obedient in front of Bai Qi.

“I know. I have been eating the medicine and supplement obediently.” She tried to act coquettishly again. “Really.”

Meanwhile, Fang Su Jin could not help but chuckle as she look at her friend. This person liked to tease her so much. But once Bai Qi was around, Zhang Li Xue turned into an obedient person.
