

Love So Sweet 526

526 Seducing Her

Fang Su Jin stayed with the family to have lunch together. Throughout their meals, Li Qin Yao chatted with Fang Su Jin about a lot of things. These past few months, their family has been busy. Li Qin Yao had to rely on Fang Su Jin to help Zhang Li Xue with her wedding preparation.

To thank Fang Su Jin for her help, Li Qin Yao continued to feed Fang Su Jin with a lot of good food.

This made Fang Su Jin shy. She glanced at Zhang Yi Hai and saw that he was whispering something to his sister. Noticing that she was looking at him, Zhang Yi Hai flashed a teasing smile at her.

Now that she was dating Zhang Yi Hai, Fang Su Jin became more reserved when she was facing Li Qin Yao. The elder woman was always very nice to her.

Perhaps, it was because Fang Su Jin was already very familiar with Li Qin Yao. Therefore, she was a little afraid to know Li Qin Yao's reaction once she found out that she was dating her son.

It was only after their meal ended that Fang Su Jin finally felt more at ease.

Fang Su Jin went into the garden and inhaled a deep breath.

When she came to Zhang's residence, Fang Su Jin hoped that she could spend a little time with her boyfriend. But now that she was here, Fang Su Jin realized that she was a coward.

She wanted to get close to Zhang Yi Hai but was afraid that they were going to get caught.

.....

As Fang Su Jin was pondering whether she should head home and find Zhang Yi Hai again at the airport, Zhang Li Xue called her over to her side.

"Su Jin, help me to send this over to Yi Hai's room." Zhang Li Xue had a wide smile on her face as she handed Fang Su Jin a small bag.

Fang Su Jin took a few steps back and stared at her friend in horror.

Her friend's reaction made Zhang Li Xue chuckle. "What's with the exaggerated reaction?" She leaned closer and whispered, "I am only trying to help you to spend time with my brother."

Fang Su Jin looked around. "Don't joke around. Your mom is still around. I wouldn't know how to explain if we both get caught."

"My mom is on the phone with my grandparents in C Country. Usually, they will talk for an hour." Zhang Li Xue said. "She would not come out of her study until the call ended. How about this? I will call you when my mom is done with her phone call, alright?"

Just now, while their mother was not paying attention, Zhang Yi Hai had asked her to help. Thinking that Zhang Yi Hai would be taking the flight to Capital City in a few hours, Zhang Li Xue decided to be generous and help her with this task.

Anyway, she saw the look on Fang Su Jin's face and thought that this pair of lovers was too pitiful. They were in the same room and space, but could not get close to each other.

Fang Su Jin eyed her friend suspiciously.

Zhang Li Xue laughed. "Alright. I know that I can be mischievous but I really won't do anything to harm you. Anyway, whether you want to go or not depends on your decision."

Fang Su Jin stared at the bag for a long time. After a while, she decided to take the bag and go to look for her boyfriend. She took a deep breath and announced, "I'll go."

"You should know where Yi Hai's room is."

Fang Su Jin nodded. This was not the first time she had visited the house and she was familiar with the layout.

With Zhang Li Xue's encouragement, Fang Su Jin went to look for her boyfriend. She did not dare to step loudly, worried that she was going to attract anyone's attention.

Sneaking around like this made her feel as if she was having an affair...

Fortunately, Fang Su Jin did not run into anyone on her way to Zhang Yi Hai's room.

Once she arrived, Fang Su Jin inhaled a deep breath and raised her hand to knock on the door. However, the door was opened before her knuckle could touch the door.

Zhang Yi Hai appeared in front of her and smiled. "Su Jin, you're late."

Before she could say a word, Zhang Yi Hai grabbed her wrist and pulled her into his room.

The door behind her was closed. Seeing that Zhang Yi Hai was approaching her slowly, Fang Su Jin stepped back until her back was touching the door. Her heart was beating loud and fast.

Now that she was in Zhang Yi Hai's room, Fang Su Jin started to feel afraid again. If someone found out that she had gone into Zhang Yi Hai's room and spent her time with him, then, she would get into trouble.

Fang Su Jin placed her hands on Zhang Yi Hai's chest, creating a small distance between them. Then, she looked up to look at her boyfriend. Their gazes met and her legs turned weaker. Fortunately, Fang Su Jin was leaning on the door behind her. Otherwise, she might slide down on the floor.

"I thought that you might not want to come," Zhang Yi Hai said.

Fang Su Jin tried to think of the words he said, but her mind was a little hazy at this moment.

"Su Jin, I was waiting for you." His voice was especially low.

"You... You were waiting for me?" Her chest heaved as her breathing turned heavier.

"Mhm... I asked my sister to help." He stared into Fang Su Jin's eyes deeply. "Su Jin, I really am going to miss you a lot. Are you... going to miss me as well?"

Fang Su Jin felt warm and fuzzy. She could not help thinking that this person was deliberately seducing her.

The hands that rested on his chest were gripping the front of his shirt tightly. Subconsciously, Fang Su Jin stood on tiptoes to kiss Zhang Yi Hai on the lips.
