

Love So Sweet 530

530 Prepare Her Surprise

Fang Su Jin took the first flight to Capital City carrying her bag and her paintings with her.

As soon as she arrived, Fang Su Jin called her mother to report her whereabouts before taking the taxi and heading over to Zhang Yi Hai's apartment.

Fang Su Jin entered the house using her fingerprint and headed to the guest's room to put down her bag. Then, she headed to the kitchen to look for available ingredients.

Once she made a list, Fang Su Jin put on her cap and headed to the nearby market to buy some ingredients.

Today was Zhang Yi Hai's final paper and Fang Su Jin planned to celebrate with him together. She was thinking of cooking a feast to congratulate him. If he passed his exams, he would be able to graduate soon.

Fang Su Jin headed back to Zhang Yi Hai's apartment once she purchased everything she needed.

She glanced at the time a few times, worrying that Zhang Yi Hai might return to his apartment before she could prepare her surprise.

Seeing that there was not much time, Fang Su Jin quickly hastened her speed and began to cook a few of Zhang Yi Hai's favorite dishes.

Her phone on the table rang as she was marinating the ribs.

.....

Fang Su Jin looked at the caller ID and gasped. She quickly turned off the hood. Once the atmosphere quietened down, Fang Su Jin inhaled a deep breath and answered the phone call. "Hello? Zhang Yi Hai? Are you done with your exam?"

Zhang Yi Hai smiled when he heard his girlfriend's voice. The heavy feeling of having to go with his classmates for their last meal gradually disappeared.

"Un. I'm finally done with my final paper."

Her lips bloomed into a bright smile. "Congratulations."

"Thank you. Then, when I get back, would I get a reward?"

Fang Su Jin laughed. "Then, let's wait until you come back first. When are you returning to Y City?"

"I was going to take the last flight this evening to Y City."

Fang Su Jin began to panic upon hearing his words.

"But my mom said, I shouldn't be rushing to go home," Zhang Yi Hai said. "Since I'm going to leave Capital City soon, it's better if I tidy up the house a little bit. I am not sure when I will be back to Y City."

Zhang Yi Hai wanted to surprise his girlfriend with his return. Of course, he could not tell her that he was planning to head back to Y City on the earliest flight the next morning.

“That’s good. You have worked hard for this exam. Zhang Yi Hai, you should take a rest for a little bit. Don’t rush. You haven’t been sleeping well to study. Just go back to your apartment and rest.”

“Un. I know. I won’t rush.”

“Then, what are you doing now? Are you heading back to your apartment to rest?” Fang Su Jin asked, wanting to find out whether he would be returning to his apartment soon.

Zhang Yi Hai heaved a sigh as he glanced at his classmates who were starting to gather outside the hall. They were waiting for a few more people to arrive before they would head to the restaurant to eat.

Apparently, their class monitor had already booked a restaurant.

“No. My classmates wanted to hang out for a bit,” Zhang Yi Hai said. “After all, it will be a while before everyone gathers like this again.”

Fang Su Jin was relieved that Zhang Yi Hai would not be returning to his apartment soon. “Then, you should go and have fun with your classmates.”

The couple chatted for a little bit before they finally ended the call.

...

Zhang Yi Hai thought that he would be able to leave after having a meal with his classmates. However, Liu Jin and the others joined forces and drag him to sing at the karaoke center together.

Seeing everyone’s enthusiasm, Zhang Yi Hai had no way to reject their invitation.

He continued to chant that this might be the last time that he get to hang around with his classmates and make memories.

Zhang Yi Hai thought that he could stay around for half an hour before he could finally escape. He watched as his friends were drinking and singing together. However, Tang Yin got really drunk and was sleeping on his shoulder.

The look on his face turned dark. However, he could only be patient.

Everyone was happy that they were finally done with their study. Because of that, they have been drinking a bit too much.

In the end, a lot of them were drunk.

As he did not drink any drop of alcohol, Zhang Yi Hai and a few others were assigned to send their drunk classmates back to their college.

At this time, Zhang Yi Hai was slightly regretting his decision to come out and play with everyone. He could have tidied up his apartment and packed up his bag before he was going back to Y City. However, it seemed that he could only delay his plan.

Fortunately, he still has not purchased his ticket to Y City.

Zhang Yi Hai helped the drunk Tang Yin walk out of the karaoke place. He pushed Tang Yin into the taxi and finally heaved a breath. He sent Tang Yin and Liu Jin back to their room and reminded their roommate to look after them both.

Once everything was settled, Zhang Yi Hai took a taxi and headed back to his apartment.

It was already close to midnight by the time he arrived. His body was too tired. Last night, he spent his time studying. He thought that he might be able to get a bit of rest, but it seemed that this would be impossible.

He still needed to tidy up his apartment and pack his bag. There were a lot of clothes that he wanted to bring home.

Zhang Yi Hai heaved a heavy breath as he unlocked his door with his fingerprint. He entered the house and paused. Zhang Yi Hai could not help but notice that there was something strange. He narrowed his eyes and walked into the house quietly, worried that there might be an intruder in his house.

His steps halted as he arrived at the dining room. There were a lot of dishes on the table, however, his gaze was on the figure who sleeping with her head resting on the table.

Fang Su Jin? Why was she in his apartment? When did she get here?
