

## Love So Sweet 538

538 Wanted to be a Villain

Zhang Yi Hai hugged the person in his arms tightly. Sensing that Fang Su Jin was gasping for air, he then finally let her lips go.

However, he did not stop kissing her.

His lips traveled down to her chin and went down to her neck.

At this time his body was still hot and the tormenting feeling had not disappeared. In fact, Zhang Yi Hai thought that they had only got worst.

He was planning to punish a certain someone for tormenting him all day. He thought that he was going to get his relief after kissing her deeply, but it seemed that his plan had backfired.

“Su Jin.” His voice was low and hoarse. There was a hint of pleading in his voice as well.

Zhang Yi Hai thought that if Fang Su Jin did not push him away, he might be in deep trouble.

His lips were kissing a spot on her neck, making her moan.

The sound made them both pause.

.....

Zhang Yi Hai’s face was still buried in Fang Su Jin’s neck. Meanwhile, Fang Su Jin stared at the ceiling with horror on her face.

She almost could not believe that such a voice would come out of her. At this time, Fang Su Jin was too embarrassed and all she wanted to do was to find a place to hide.

Suddenly, Zhang Yi Hai moved his face from her neck. He raised up his body to look at his girlfriend.

The two of them were staring at each other in silence for a long time.

Seeing Fang Su Jin’s reddened eyes and lips ignited a certain need in his body.

After a while, Zhang Yi Hai let out a sigh. “Su Jin, you’re torturing me like this.” He then put a hand on Fang Su Jin’s cheek before he lowered his head to kiss her lips again.

This time, his action was gentler. His kisses were slow and lingering. He was kissing her as if she was a very precious treasure.

The embarrassment from earlier gradually disappeared.

Fang Su Jin found herself lost in his kisses. Her hands gripped the front of his shirt tightly but as time passed by, her hands loosened up and Fang Su Jin put her arms around Zhang Yi Hai’s neck as the man continued to kiss her slowly.

They continued to kiss each other until she was starting to feel dizzy.

Fang Su Jin thought that kissing Zhang Yi Hai like this felt really good. She was quickly absorbed in this situation and lost in his kisses.

Her eyes snapped open when Fang Su Jin seemed to feel a warm palm on her chest. Before she could compute what was going on, Zhang Yi Hai gave her flesh a squeeze and pinched the nip at the top.

Fang Su Jin let out a gasp before she finally broke away from the kiss.

“Zhang Yi Hai.” She put her palm on his chest, creating a small distance between them. Her expression showed that she was panicking.

It was then that she realized that Zhang Yi Hai’s hand had somehow sneaked into her clothes as they were kissing.

This was the first time that something like this had happened and Fang Su Jin was a little shocked at what was going on.

Zhang Yi Hai raised his head again to look at her. However, his palm still rested on her mound, not wanting to let it go for a second.

The way he was looking at her made her blush. The desire in his eyes was too obvious and she could not find a place to hide.

Fang Su Jin wanted to look away but realized that the hand underneath her cloth was starting to move slowly, caressing her.

A strange feeling went through her body. Her lips were slightly parted as she let out a sigh. His touch was really comfortable.

Fang Su Jin could figure out where he was going. The two of them had been seeing each other for a few months. Therefore, it would not be strange for them to go to the next step. However, these days, Fang Su Jin was always worrying about his final exam and had never given this a thought.

“Zhang Yi Hai, do you know what you are doing?” Fang Su Jin spoke with a gasp.

The man was still looking into her eyes with such intensity.

At this time, Zhang Yi Hai was enjoying the look on her face at this moment. Her face was red and her eyes were slightly misty.

Zhang Yi Hai had always thought that he would be distressed every time he saw the tears pooling under her eyes.

However, at this time, Zhang Yi Hai thought that he wanted to be a villain and make his girlfriend cry even more.

Zhang Yi Hai leaned over and rested his forehead against Fang Su Jin’s. “Su Jin, I want you. Can I?” His deep voice was hoarse. Then, Zhang Yi Hai leaned over to peck at her lips. “I’ve been trying to hold myself for a long time, but Su Jin, you’re tormenting me like this. I can’t keep my calm when I’m with you.”

Fang Su Jin was a little surprised to hear his words. After all, Zhang Yi Hai was always someone who knew how to hold back.

Suddenly, Fang Su Jin could feel a little something poking at her thigh.

When she came to understand what it was, Fang Su Jin's face turned red again.

He moved to kiss her cheek and then her ears making her tingle with desire. "If you don't want me, then you can tell me to stop. If you push me once, then I will take a step back, alright?"

His body was at its limit. But he still had a little rationality left.

If this was something that she did not want to do, then he will listen to her. He would... try his best to restrain himself.

Fang Su Jin lay on the sofa while staring at the ceiling as she weighed her decision.

A certain someone continued to touch her body, messing up her thought.

Suddenly, Fang Su Jin gave his chest a little shove.

The movement under her clothes suddenly stopped.

Zhang Yi Hai lowered his gaze and inhaled deeply as he tried to compose himself.

Perhaps, Fang Su Jin was not ready and he was too rash.

With this thought, Zhang Yi Hai pulled away and sat up.

He was about to retract his gaze away when he saw Fang Su Jin taking off her shirt and throwing it to the side. Then, her white skin against the black lace appeared in front of him, making his throat dry.

Before he could figure out what was going on, Fang Su Jin put her arms around his neck before taking the initiative to kiss him.
