

Love So Sweet 540

540 How is it Your Business?

After spending five days in Capital City, Zhang Yi Hai and Fang Su Jin both returned to Y City together.

This time, the two of them made new progress in their relationship. After tasting such sweetness together, naturally, they both were unwilling to part from each other.

Even so, they had no other choice but to part. At least, this time, they could see each other and have their date whenever they wanted.

As they were unwilling to part, Zhang Yi Hai and Fang Su Jin decided to take the last flight to Y City.

They arrived at the airport several hours earlier, wanting to walk around the airport.

Zhang Yi Hai settled with their check-in before taking his girlfriend to a cafe to eat their dinner. Then, holding hands, the two of them walked around the airport to shop for a few things.

Fang Su Jin saw a few interesting souvenirs and decided to buy some. While she was choosing which design she liked best, Zhang Yi Hai stood at the side to watch her.

Seeing the adorable look on her face, Zhang Yi Hai decided to snap a few photos of his girlfriend secretly. He was very careful. However, Fang Su Jin still noticed what he was up to.

Just as Zhang Yi Hai was about to press the button, Fang Su Jin tilted her head up to look at him.

.....

Zhang Yi Hai looked at the screen and was stunned to see the photo that he took. She raised her head just in time, making her pair of eyes look seductive. The slight smile on her face was teasing.

“What are you doing?” Fang Su Jin laughed as she went to his side. “Sneaking some photo of me?” She tried to peek at his phone, but Zhang Yi Hai was quick to hide it away from her.

“Un. I saw that my girlfriend is too pretty. I have to snap a few photos.” Zhang Yi Hai said.

Her eyes narrowed. “Then, why are you hiding it? Show me. Zhang Yi Hai, you did not take a silly photo of me, right?”

This was her boyfriend. Of course, Fang Su Jin wanted to look the best in his eyes.

“Of course, not.” Zhang Yi Hai laughed. “Su Jin, you will always look pretty to me.”

A certain someone was trying to take his phone away. Fortunately, with their height difference, it was very easy for Zhang Yi Hai to stop her.

Zhang Yi Hai’s reaction made her curious to see the photo he took.

Fang Su Jin tried to snatch the phone from his hand, but each time, she would fail. Seeing the mischievous smile on her boyfriend’s face was making her frustrated.

The passersby watched the couple teasing each other like this and smiled at their sweetness.

After failing to get his phone for a few tries, Fang Su Jin puffed her cheeks to sulk.

Recently, she found that Zhang Yi Hai liked to bully her with his tall figure. She was not short. However, when she stood beside this basketball player, Fang Su Jin could not beat him.

She stared at her boyfriend for a while and finally came up with a trick.

Fang Su Jin stood on tiptoe. She grabbed the front of Zhang Yi Hai's shirt until he bent down slightly. Before he could move away, Fang Su Jin quickly pressed her lips against Zhang Yi Hai's.

Her sudden kiss made him waver.

Zhang Yi Hai's body turned soft. He lowered his arms to wrap them around Fang Su Jin's waist so that he could kiss her deeper.

A smile bloomed on her lips. Fang Su Jin took this advantage to grab his phone from his hand. When she succeeded, Fang Su Jin started to laugh.

"Zhang Yi Hai?"

A voice calling out Zhang Yi Hai's name made them both pause.

Fang Su Jin started to panic thinking that someone they knew might recognize them. The two of them had already walked away from the crowd. Unfortunately, they would still run into someone who knows them.

Turning around, the couple was surprised to find that Zhang Yi Hai's classmate, Ji Xin Xin stood behind them with a horror look on her face.

Fang Su Jin could immediately guess the reason for her reaction.

This girl should have seen them kissing earlier.

Fang Su Jin was aware that Ji Xin Xin liked Zhang Yi Hai. Therefore, seeing them together should have been a blow to this classmate.

Feeling a little awkward at this situation, Fang Su Jin turned to Zhang Yi Hai and wait to see what he was going to do.

"Hello." Zhang Yi Hai greeted this classmate with a cool look on his face. He seemed unbothered that this classmate had caught him with his girlfriend.

Ji Xin Xin watched the couple in front of her alternately. "You... the two of you are together?"

Previously, Zhang Yi Hai had confessed that he had a girlfriend. Everyone in their class knew about this. However, no one had seen him with any girl. Therefore, some of them were doubting whether it was the truth.

Ji Xin Xin did not expect that she would run into them at the airport.

Zhang Yi Hai was tall and it was easy to recognize him from a distance. When Ji Xin Xin saw him, she happily walked over, wanting to talk to him. Who would have thought that she would catch him kissing?

“Mmm...” Zhang Yi Hai wrapped his arms around Fang Su Jin’s shoulder. “This is my girlfriend.”

“But... isn’t she your sister?”

Zhang Yi Hai’s face darkened. “A friend of my sister. We are not blood-related. Classmate Ji, what are you thinking about?”

“How can the two of you be together?” Ji Xin Xin was still finding this hard to believe that the two of them were together.

She thought of how she had asked Fang Su Jin about Zhang Yi Hai previously and suddenly felt so ashamed. She wondered if Fang Su Jin was laughing at her.

“Isn’t she older than you?” Ji Xin Xin blurted out.

“But what does that got to do with you? Classmate Ji, whoever I dated, what does that got to do with you? How is it your business?”

Her expression shifted. Ji Xin Xin knew that she probably did not mean anything to Zhang Yi Hai other than being his classmate. Still, the words he said hurt her. She could not react for a long time. Before she knew it, Zhang Yi Hai had already dragged his girlfriend away.
