

Love So Sweet 541

541 His Classmates were Gossiping

Fang Su Jin glanced at Ji Xin Xin as Zhang Yi Hai took her away. Seeing the surprised look on the girl's face made her heart soften a little bit.

Liking someone and knowing that the person did not like you back will always hurt.

However, this does not make her feel guilty about being with Zhang Yi Hai.

Fang Su Jin knew that Ji Xin Xin liked Zhang Yi Hai. She might not care about it too much in the past, but Zhang Yi Hai is now her boyfriend. Even if Ji Xin Xin liked him, she would not give up on Zhang Yi Hai easily.

Ji Xin Xin should have her chances for years. From the beginning they were classmates, the girl should have taken the initiative if she liked him very much.

But, just as Zhang Yi Hai told her in the past, if he liked Ji Xin Xin, he would have gotten together with her a long time ago.

Once they were farther away, Zhang Yi Hai turned to Fang Su Jin to examine her expression.

The last time Fang Su Jin saw Ji Xin Xin talking to him, his girlfriend got jealous and would ignore him for a long time.

Zhang Yi Hai was afraid that his girlfriend would get jealous again and this was the reason he could not wait to get away from Ji Xin Xin.

.....

"Why are you looking at me like that?" Fang Su Jin asked as she saw her boyfriend staring at her for a long time.

"I'm worried that you might get jealous again."

Fang Su Jin was startled by his answer. She stared at him with a look of disbelief on her face. Once she recovered, Fang Su Jin clicked her tongue. "It's good that you know how to be afraid. Zhang Yi Hai, if you don't treat me well, then you can see how I will ignore you."

A helpless smile curled on his lips. "Why wouldn't I treat you well? You're the person that I liked."

Fang Su Jin had a proud look in her eyes.

"Moreover, my sister had already threatened to beat me if I ever mistreated you."

Fang Su Jin laughed at his words. She looked at him curiously and asked, "Are you that afraid of your sister?"

A faint smile curled on his face. "No. I'm afraid that my sister will report this to my parents."

Fang Su Jin thought that his boyfriend was too cute.

Soon, it was time for them to board their plane, and finally, they left Capital City. After a long flight, they finally arrived in Y City.

Bai Qi was already waiting at the arrival hall to pick them up at the airport.

Zhang Yi Hai saw her brother-in-law and was surprised to see the man coming to pick him up. He walked over to the man and spoke, "Brother-in-law, why are you here?"

Bai Qi greeted Fang Su Jin briefly and spoke, "Your sister asked me to pick you up. She said that you would be here with Su Jin."

"Then, would you mind sending Su Jin to her place first?"

"Of course." Bai Qi nodded. "Your sister already asked me to do this."

Zhang Yi Hai smiled. He made a note to himself to treat his sister to her favorite chicken wings for helping him out.

He followed Bai Qi and left the airport together with Fang Su Jin.

As Bai Qi was driving to Fang Su Jin's residence, Zhang Yi Hai was still thinking about how he should have a date with his girlfriend later.

Now that they have returned to Y City, it would be easy for him to meet with his girlfriend. However, it would be difficult for him to have a date with his girlfriend without being seen by people they know.

This was the city where they both grew up in. No matter where they go, it would be easy for them to meet someone.

Fang Su Jin only agreed to tell the others about their relationship after he got his result. He still have to wait for a month before they could go on a date freely.

When his sister was having a date with his brother-in-law previously, the two managed to hide from everyone because they mostly had their date at the hospital.

Zhang Yi Hai glanced at Bai Qi had suddenly thought of something.

A few months ago, his Uncle Li Mu Bai had given him and his sister both an apartment.

Before his sister got married, she had rented her apartment to her husband. These days, his sister would often stay at the apartment when she wanted to be alone with her husband.

Meanwhile, his apartment which was located in a different building was still empty. After the construction was done, his mother mentioned this matter to him. However, he was too busy to look at that place.

His brow furrowed.

Zhang Yi Hai thought that it would be better for him to start visiting this apartment. Perhaps he could do something about it.

The notification tone from his phone snapped him out of his thought.

Zhang Yi Hai took out his phone and saw that the group chat with his classmates was quite active.

Initially, Zhang Yi Hai would not care much about what his classmates were gossiping about. However, Tang Yin had sent him a message, asking him to check the group chat.

After pondering this for a while, Zhang Yi Hai finally clicked on the message.

His expression froze the moment he saw that everyone was talking about him and Fang Su Jin.

It seemed that Ji Xin Xin had broken the news about his girlfriend to their classmates. Although a lot of them did not care about this news, there were also others who scorned him for dating an older woman. Some thought that he might have been seduced. Some thought that he might have a special interest. Some of them said that Fang Su Jin had a good technique in a certain area.

His eyes narrowed.

He was not happy that someone was talking about his girlfriend this way.

He really cannot understand why would Classmate Ji tell others about his private matters. Just what was she trying to achieve?

Zhang Yi Hai sent a message to Tang Yin before he finally turned off his phone.

His private life is not something for others to discuss. No matter what the others said, he would not care about it.
