

Love So Sweet 548

548 His Result

Fortunately for Zhang Yi Hai, his sister's analysis was right and Ji Xin Xin had not sent any anonymous letter to the Fang family. Even if she wanted to mess with Fang Su Jin, the contact number will only lead her to Teacher Jiang.

However, for the past few weeks, the couple has been anxious, thinking that the Fang couple might have to find out the news of their daughter dating through an anonymous letter.

They both considered informing their parents earlier. However, after discussing this together, they decided to go on as planned. Anyway, it was not that long before Zhang Yi Hai's result was announced.

This incident also helped the couple to prepare themselves to break the news to their parents when the time comes.

Regarding Ji Xin Xin, Zhang Yi Hai decided not to take action against her. Now that he was done with university, there was no chance for them to meet again.

Ji Xin Xin was expecting his father would force him to break up with his girlfriend, but that girl did not know that his father did not mind him dating Fang Su Jin. Although she was a few years older, their relationship was not a crime.

The only thing he could do was to show up at the graduation with Fang Su Jin and their family. Ji Xin Xin would have to see him and Fang Su Jin together. This alone would be enough to make her suffer.

On the night before his exam result will be announced, Zhang Yi Hai stayed up and sat in front of his computer, waiting until midnight, so that he could check on the result.

He made a video call with Fang Su Jin and they both decided to look at his result together.

.....

After he graduated from middle school, Zhang Yi Hai had never been anxious about his exam result again. However, knowing that his relationship status depended on this result, Zhang Yi Hai could not help but feel anxious.

If his result was not as good as he expected, would Fang Su Jin really choose to break up with him?

His hands started to tremble as the thought crossed his mind. He could not bear thinking that the two of them would separate because of his result.

However, when he looked at the screen, Zhang Yi Hai noticed that Fang Su Jin was looking anxious as well. Her face was a little pale and she kept biting at her lips.

This scene made him chuckle. "Su Jin, are you anxious as well?"

"Of course, I am. Once the result came out, we're going to meet each other's parents and break the news to them, right?"

A helpless smile curled on his lips. It seemed that the reason Fang Su Jin was anxious was different than his.

“Then, what if my result is not as good as we expected?”

Fang Su Jin frowned. “Didn’t you say that you are always good at your study? A top-class student?”

“Do you trust me that much?”

“Of course, I am.” A teasing smile curled on her lips. “Aren’t you my boyfriend?”

Zhang Yi Hai laughed happily at her words.

“Anyway, we can be considered growing up together,” Fang Su Jin said. She sat up straight again with a smug look on her face. “I know that your result is good at school.”

Why was his girlfriend so adorable?

Zhang Yi Hai wished that he could be by his girlfriend’s side so that he could pinch her cheek.

The two of them continued to chat while waiting.

Fang Su Jin glanced at the clock and suddenly sat up straight again. Her expression tensed. “Zhang Yi Hai! There’s a minute left before midnight.”

Zhang Yi Hai was shocked when his girlfriend suddenly shouted his name. He glanced at the time and began to laugh.

Look, the person who was the most excited was his girlfriend.

“Alright. I’ll go and open the browser now.”

There was a long silence between the two of them as Zhang Yi Hai was focusing on the computer.

Fang Su Jin continued to glance at the clock. Her heartbeat accelerated. It felt as if time was moving slowly. Two minutes passed but Zhang Yi Hai was still not saying anything.

Seeing this scene made her worry. Fang Su Jin began to wonder if perhaps she was too confident that Zhang Yi Hai would do well in his exam. Perhaps the final exam was more difficult than they had thought, or his professor decided to be a little stricter.

“Yi Hai, how is it?”

“Wait for a few minutes. There are a lot of students going online to check their results at this time.” He flashed her a smile. “I haven’t accessed the website yet.”

“Oh.” Only then that Fang Su Jin was more at ease.

Her hand was gripping her pajama tightly while she watched Zhang Yi Hai’s expression without batting her eyes.

A few minutes later, she finally saw the change in Zhang Yi Hai’s face. Seeing this, Fang Su Jin sat straight as well. She held a deep breath and waited for him to speak.

Then, Zhang Yi Hai's lips slowly turned into a smile.

Her eyes lit up. Seeing the smile on his face finally made her anxiety die down. Although the man had not said a word yet, Fang Su Jin knew that his result was good.

Zhang Yi Hai moved his phone and pointed it to the screen without saying a word.

Fang Su Jin did not understand much about the subject that Zhang Yi Hai was studying. However, her gaze straightaway moved to the grade section before it slowly moved to the bottom of the page.

Zhang Yi Hai's exam result was very good.

Subconsciously, her lips turned up into a smile.

This was her boyfriend's final result, but her heart was soaring with joy as if she was looking at her own exam result.

Fang Su Jin inhaled a deep breath and spoke, "Zhang Yi Hai, congratulations on your result."

Zhang Yi Hai could not help but smile as well. "Thank you. I know that it was still early, but Su Jin, you have to attend my graduation, alright?"

Fang Su Jin suddenly thought of something. "That's right. Yi Hai, the last time, you said that you wanted a reward for your final exam. What do you want?"

A mysterious smile curled on his lips. "That... I will tell you when the time comes."
