

Love So Sweet 551

551 After All, You are His Daughter

On the same day, Father Fang, who was supposed to be busy with his work headed home in a hurry.

The moment he entered the house, Father Fang quickly went to look for his wife. He found her in their bedroom and quickly asked, "What did you tell me earlier... is it true?"

Mother Fang looked at her husband helplessly. "I don't know. But it was Su Jin who told me about it this afternoon. Do you think she would lie?"

"Su Jin... is she serious?"

"I don't think that your daughter would joke about something like this."

The man had a frown on his face. Father Fang knew his daughter well and he believed that his daughter would not lie about this matter.

Father Fang was in a daze as he thought of the person that his daughter was dating. After a few seconds, he came back to his senses and looked at his wife again. "Then, is he really coming over today?"

"Why are you asking me this?" Mother Fang looked at her husband, wanting to laugh but was unable to. "Weren't you the one who told our Su Jin to invite that boy home?"

The man let out a cough. Then, he looked at his wife with an embarrassed look on his face.

.....

A few hours earlier, Mother Fang gave him a call and reported that their daughter was dating someone. Father Fang who was in the middle of discussing an important matter with his assistant was shocked.

Moreover, his wife revealed that the person that their daughter was dating was Zhang Yi Hai!

Suddenly, Father Fang found that he did not know how he should react to this news.

He liked Zhang Yi Hai and discussed with him the economy and current affairs. However, Father Fang did not know whether he liked that this young man was seeing his daughter.

Father Fang can be considered the person who was watching Zhang Yi Hai growing up. Just thinking about this person dating his daughter gave him a strange feeling.

He pursed his lips as he thought about this matter for a long time.

"Alright. What are you spacing out for?" Mother Fang nudged at her husband's arms. "Yi Hai will be coming over for dinner. Why don't you take a shower first and change your clothes?"

Father Fang narrowed his eyes unhappily upon hearing his wife's words. "That boy hasn't walked through our door yet. Why are you addressing him Yi Hai affectionately?"

"What's wrong with it?" Mother Fang looked at her husband incredulously. "Isn't this how we always address him?" She let out a chuckle and continued, "It seemed that you're getting muddleheaded after hearing the news."

Without waiting for her husband to reply, Mother Fang turned around and walked out of the room to make some preparation.

Zhang Yi Hai coming to their house was a bit too sudden. However, this was what Father Fang had wanted. The moment he heard the news, Father Fang urged her to invite Zhang Yi Hai to their house so that they could have a talk.

Thinking about it, Mother Fang began to worry that her husband was going to beat up the young man for dating their daughter.

...

Meanwhile, Fang Su Jin could not help but worry as well.

She had never thought that the moment her father knew that she was dating Zhang Yi Hai, her father would ask Zhang Yi Hai to come over to their house to have a chat.

And her father... who would have expected that the moment her mother told him that she was dating Zhang Yi Hai, her father would ask her to invite Zhang Yi Hai immediately!

It was too surprising!

Initially, Fang Su Jin was thinking that perhaps, her father wanted to use this chance to talk to Zhang Yi Hai about the economy and business again. However, when she saw the look on her mother's face, Fang Su Jin knew that that was not the case.

At this time, Fang Su Jin did not know what to expect.

As she was thinking about this matter, Fang Su Jin noticed that her father had returned home. She went out to peek at her father's expression and realized that things might not be as simple as she thought.

Fang Su Jin realized that while her father liked discussing some matters with Zhang Yi Hai, it does not mean that he would like him as his potential son-in-law.

Her movement halted.

Fang Su Jin seemed to realize that her thought has gone wild and her face quickly turned red.

She staked outside her parents' room for a while and saw that her mother had come out. After a while, Fang Su Jin walked over to her mother who was busying herself in the kitchen, and asked, "Mom, how is dad? Do you think he's angry?"

Mother Fang cast a glance at her daughter before she looked away to hide her smile. "What do you think?"

Fang Su Jin tried to observe her mother's expression, but could not find anything from it. "Mom, just tell me. Otherwise, I might die from anxiousness."

Mother Fang laughed.

"Mom, don't laugh. Quickly tell me."

Her laugh died down. Mother Fang looked at her daughter, amused. It seemed that this would not be the first time that she would bring home a boyfriend. The last time she brought home her boyfriend should be in college. Unfortunately, their relationship did not work out and her daughter has been single for a long time.

“I also don’t know what was your father thinking,” Mother Fang said. “You will have to wait until Yi Hai comes over and meet your father.” Seeing the change in her daughter’s expression made her heave a long sigh. “All I can say is that your father might like Yi Hai as a person, but after all, you are his daughter. Hearing that you seemed to be serious about him made him anxious.”

Fang Su Jin stayed in the kitchen to watch her mother preparing some dishes with a perplexed look on her face.

Her phone rang just in time. Fang Su Jin glanced at the screen and inhaled a deep breath.

Zhang Yi Hai was already parked in front of her house!

Her hands were getting colder. Fang Su Jin could not calm down.
