

Love So Sweet 552

552 Was He Not Afraid?

Fang Su Jin hurried outside to meet Zhang Yi Hai. When she came out, Zhang Yi Hai was in the middle of unloading some gifts from his vehicle.

Noticing her presence, Zhang Yi Hai raised his head and flashed her a brilliant smile.

Fang Su Jin was stunned for a few seconds. However, she quickly came back to her senses when she recalled the look on her father's face earlier.

"You still can smile!"

Zhang Yi Hai looked at his girlfriend, amused. The person he loved was right in front of him. Why wouldn't he smile when he looked at her?

However, Zhang Yi Hai was quick to notice that there was something wrong with Fang Su Jin's reaction. "What's wrong?"

Fang Su Jin looked at the man anxiously, not knowing how she should explain the situation in her house. Her gaze fell on the bags in Zhang Yi Hai's hand and suddenly, she came to realize what they were. "You brought gifts for my parents?"

"Mhm..." Zhang Yi Hai nodded. "This is the first time I'm visiting as your boyfriend. Of course, I have to bring some gifts along."

Fang Su Jin looked at the gifts that Zhang Yi Hai had bought. They were nothing expensive, but she could tell that Zhang Yi Hai had put a lot of thought when he chose the gifts.

.....

Then, she looked at her boyfriend again and spoke, "Zhang Yi Hai, I think, things might not be as easy as I think. My dad... I'm sure he would make things difficult for you."

Zhang Yi Hai stared at his girlfriend for a while. Then, a faint smile appeared on his face. He put down the paper bag in his hand and stretched his hand to pinch Fang Su Jin's cheeks. "Are you worried about me?"

Fang Su Jin looked at him helplessly.

She was worried. Very worried. But why is it that Zhang Yi Hai seemed to be very cool about this? Was he not afraid?

Although her father might seem as if he was easy to get along with, once he was angry, it would be difficult to coax him.

"You don't have to worry about me," Zhang Yi Hai spoke. "I know what I have to do."

Fang Su Jin shot him an inquiring look, hoping that he would explain what he wanted to do. However, Zhang Yi Hai did not say a word.

“Come on.” Zhang Yi Hai slammed the door before picking up the gifts he brought with him. “We should go in before your parents worry.”

Fang Su Jin nodded. She also thought that letting her parents wait for a long time would not be good for her boyfriend. With that thought, Fang Su Jin turned around and led Zhang Yi Hai into the house.

As soon as they walked in, the aunties who were working at the house hid behind the walls to peek at Zhang Yi Hai.

Previously, they heard that Fang Su Jin would be bringing her boyfriend for dinner. Naturally, they were curious to look at him. However, they did not expect that Fang Su Jin would bring in a familiar face.

“Is that Yi Hai?” Mother Fang came out of the kitchen and smiled. She gave the young man a look over before nodding in satisfaction.

“Auntie, hello.” Zhang Yi Hai greeted politely.

“Just sit down and make this place like your own house,” Mother Fang spoke. “This isn’t the first time that you came to visit our house.”

“Thank you.” Zhang Yi Hai glanced at his girlfriend before he sat.

Meanwhile, Fang Su Jin was relieved to see that her mother did not treat Zhang Yi Hai badly. It seemed that the person she should be worrying about is her father.

Suddenly, a cough was heard, coming from the stairs.

Fang Su Jin watched as her father walked down the stairs and stiffened. It was a while ago that she was still worrying about her father. Then, a few seconds later, her father did appear.

She looked at her father and noticed the stern look in his eyes.

Her palm was sweaty just thinking of what her father would try to do next.

Zhang Yi Hai stood up when he saw Father Fang. He put on smile on his face and spoke, “Hello, uncle.”

“Mmm...” Father Fang nodded. He gave Zhang Yi Hai a lookover and narrowed his eyes.

Fang Su Jin was watching her father anxiously.

Usually, her father would welcome Zhang Yi Hai and ask him to spend time with him to chat. Seeing that her father was keeping his silence made Fang Su Jin worry.

Mother Fang glanced at her husband and heaved helplessly. She was also worrying about her husband’s reaction toward Zhang Yi Hai.

Seeing that her husband was not saying anything, Mother Fang took the initiative to chat with Zhang Yi Hai. “Auntie had prepared a few dishes. Wait for a bit. Later, we can all eat together.”

Zhang Yi Hai nodded. He took the paper bag that he brought with him and handed it over to Mother Fang. “Auntie, this is a little present from me. It’s not anything much.”

Mother Fang took the bag and peeked at the contents.

There were a few health products. Then, Zhang Yi Hai also bought Mother Fang a stylish scarf and a brooch.

Mother Fang looked at his gifts and was immediately smitten. She thanked Zhang Yi Hai for his gifts and the two of them began to chat a little bit.

For Father Fang, Zhang Yi Hai had bought him some rare tea.

Father Fang enjoyed drinking tea very much. The moment he saw the tea box that Zhang Yi Hai had given him, Father Fang was moved. However, he already decided that he could not make it easier for Zhang Yi Hai.

Father Fang glanced at his daughter. Seeing that the girl he raised was looking at her boyfriend without batting her eyelids made him a little unhappy.

This was the daughter he raised, but this daughter was too infatuated with this boy.
