

Love So Sweet 558

558 You're Yi Hai's Girlfriend?

The weekend came in a blink of an eye. The most anxious person on this day was, of course, Fang Su Jin. On this day, she was supposed to go to the Zhang's residence for lunch where her boyfriend would introduce her to his family as his girlfriend.

Fang Su Jin had visited the house quite a few times and met everyone before. But this time, she was going to show up with another identity.

She could not help but wonder just how she should be facing Zhang Yi Hai's parents after this.

Would they accept that she was dating their son?

Fang Su Jin inhaled a deep breath to calm down but found out that it was not helping.

A warm hand enveloped hers, snapping her out of her trance.

Fang Su Jin turned and saw that Zhang Yi Hai was looking at her. She was about to remind him to focus on his driving when she realized that he was stopping at the red light.

"Your hands are cold." Zhang Yi Hai frowned. He then, adjusted the temperature, wanting to let his girlfriend feel comfortable.

"I'm not cold," Fang Su Jin commented. "I'm just overly worried."

.....

Zhang Yi Hai studied his girlfriend's face and smiled. "What are you worried about? You have met my parents before."

Fang Su Jin bit her lips. "This time it's different."

Showing up as Zhang Li Xue's best friend and Zhang Yi Hai's girlfriend was different.

"It's alright." Zhang Yi Hai gave her hand a gentle squeeze. "Whatever happened I will be there."

Fang Su Jin wanted to smile, but her lips were a little stiff.

After a while, they finally arrived at the Zhang's residence.

Zhang Yi Hai walked around the car to help his girlfriend with the door. Then, he went to pick up a few things that Fang Su Jin had brought along for his parents.

Knowing that she was going to meet Zhang Yi Hai's parents, Mother Fang helped her daughter to pack up a few things.

Earlier, Father Fang was still eyeing those items unhappily.

The front door was pulled open from the inside just as they were approaching close. Then, Zhang Li Xue appeared with a bright smile on her face.

Seeing her face finally made Fang Su Jin feel more at ease

“Su Jin, come in.” Zhang Li Xue moved aside to let her friend in. Then, the two of them walked over to the living area together.

Meanwhile, Zhang Yi Hai was carrying the paper bags while watching his sister stealing his girlfriend away. Seeing that his girlfriend’s expression was no longer as tight finally made him feel at ease.

Zhang Yi Hai was placing the bags on the table when his mother came out of the kitchen. Instantly, Zhang Yi Hai could notice his girlfriend’s tense expression again.

“Yi Hai, you’re back.” Li Qin Yao flashed a smile at her son. She gave Zhang Yi Hai a lookover and frowned when she did not see her son’s girlfriend with him. “Yi Hai, where’s your girlfriend?”

Zhang Li Xue burst into a fit of laughter upon hearing this question. She found that this situation was quite amusing. Their mother was looking for Zhang Yi Hai’s girlfriend when the girl was right in front of her.

It was then that Li Qin Yao finally shifted her gaze to her daughter. She was about to ask her daughter why she was laughing when Li Qin Yao spotted Fang Su Jin beside her daughter.

“Su Jin?” Li Qin Yao smiled. “You’re here to visit Li Xue?”

Zhang Li Xue found it hard to stop laughing. Because of that, she received her mother’s sharp gaze. Zhang Li Xue tried to suppress her laughter, but it was really hard to do it in this situation.

Li Qin Yao was about to say something to her daughter when she saw her son walk over to his sister. The young man stood beside Fang Su Jin and held her hand. Li Qin Yao watched this scene without batting her eyes.

Her mind went blank and it seemed as if she could not understand what was going on.

“Mom,” Zhang Yi Hai inhaled a deep breath as he held Fang Su Jin’s hand tightly. “This is my girlfriend. Fang Su Jin.”

Fang Su Jin felt a jolt running through her body as she heard this introduction. Even if she wanted to run away, it was too late now. Moreover, a certain someone was holding her hand tightly, as if he was afraid that she would flee. Fang Su Jin raised her head to look at the elder woman and tried to smile. “Hello, Auntie.”

Time seemed to have stopped.

Li Qin Yao looked at the people in front of her and wondered if her children were playing tricks on her. However, when she looked at Zhang Yi Hai and Fang Su Jin’s intertwining hands, she quickly dismissed that thought.

Moreover, she understood her son well. Zhang Yi Hai would not joke with her about this thing.

“Su Jin... You’re Yi Hai’s girlfriend?” Li Qin Yao finally came to her senses.

Fang Su Jin nodded shyly, wondering if the elder woman was unhappy with this news. Her free hand was clutching her skirt tightly as she continued to observe this situation.

Li Qin Yao shifted her gaze to Zhang Li Xue and asked. “Is this true?”

“Mommy, why would we joke about this.” Zhang Li Xue sighed helplessly.

Li Qin Yao looked at the couple in front of her again. She had never imagined that the two of them would be together.

Suddenly, Li Qin Yao seemed to recall the conversation she had with her daughter not too long ago. It seemed that Zhang Li Xue was already hinting that her little brother was dating Fang Su Jin.

“Li Xue, did you know about this?”

Zhang Li Xue looked at her mother with a guilty conscience. “Mommy, I already know about this not too long ago. I didn’t plan to hide it from you, but I already promised to let them tell you in person.”

Li Qin Yao stared at the people in front of her before she finally heaved a long breath. Then, she looked at her son and spoke, “Yi Hai, you have a lot to explain.”
