

Love So Sweet 568

568 Bai Qi is On His Way

Zhang Li Xue woke up in the morning and stared at the wall with a dazed look on her face. On this day, she will walk the aisle and marry the person she loved. Thinking about it made her shy and excited at the same time.

Then again, she had already got her marriage certificate with Bai Qi. They were already husband and wife. Zhang Li Xue could not understand why was she feeling giddy.

Someone knocked on the door, snapping her out of her trance. Soon, her mother appeared at the door and smiled as their gazes met. "You're awake."

"Mmm..." Zhang Li Xue rubbed her eyes lazily.

Li Qin Yao entered the room and patted her daughter's head. "Go and take a bath. The stylist is going to arrive soon. You don't want to be late."

"Mommy, I know." Seeing that her mother was about to leave, Zhang Li Xue stretched her arms and hugged her mother tightly.

Her daughter's move startled her. Then, a few seconds later, a faint smile appeared on her face. Li Qin Yao hugged her daughter and kissed the top of her head. "My silly little girl. Go on. Mommy will prepare some light breakfast for you. Later, you would be too busy to eat."

Zhang Li Xue released her arms around her mother's body and giggled. She watched as her mother left the room and finally rolled out of bed.

Her eyes then fell on the wedding dress that had arrived a while after Bai Qi left the house yesterday. Then, her lips turned up as she imagined how Bai Qi was going to react when he see her later.

.....

The dress that she had chosen had detachable sleeves and skirt.

When Bai Qi showed up in a while, he will see her in a dress without too many details. However, when she showed up at the hotel, the stylist will help to put on the sleeve and skirt.

Surely, he would be surprised.

Zhang Li Xue walked out in her bathrobe after taking her bath. Her steps halted when she saw that Fang Su Jin was already waiting for her.

"Li Xue." Fang Su Jin stood up from the sofa and gave her friend a lookover. "How is it? It's your big day. Are you excited?"

Zhang Li Xue laughed. Her heart was beating fast and she had to inhale a deep breath to calm down.

Fang Su Jin pointed at the tray of food on the table. "Your mom asked me to send your breakfast. Come one. Let's eat a little bit before the others will show up."

"Then, let's eat together." Zhang Li Xue walked over and sit down.

As the two were eating, Bai Xi Xi appeared at the door.

Zhang Li Xue saw the little girl appear at her door this early and smiled. "Xi Xi, you're up early."

The little girl had a shy smile on her face. "Sister-in-law, I want to see you get ready."

"Alright, come over here and sit down." Zhang Li Xue patted the space next to her. "The stylist should arrive soon. Then, Xi Xi, you have to remember to get ready as well, alright? Today, you will be my flower girl."

Bai Xi Xi smiled happily. Not too long ago, Zhang Li Xue had bought her a dress. Bai Xi Xi thought that the flower girl dress was the prettiest dress she had seen. She was a little reluctant to wear it. But thinking that she would wear it for her brother and sister-in-law's wedding, Bai Xi Xi was suddenly looking forward to it.

Zhang Li Xue did not have to wait that long. Soon, the stylist appeared and started to work on Zhang Li Xue's face and hair. Not too long after, the photographer and videographer arrived to record this moment.

Meanwhile, Fang Su Jin sat at the side to accompany her friend. Later, both Zhuang Li and Mao Xin Yi showed up and another stylist was working on their makeup and hair as well. However, their makeup and hair were not as elaborate as Zhang Li Xue's.

Unexpectedly, it took more than an hour for the stylist to do Zhang Li Xue's stylist and almost an hour to do her hair.

When the stylist was done, Zhang Li Xue looked so pretty that Fang Su Jin and Bai Xi Xi were unable to react.

Fang Su Jin thought of her reaction and started to laugh as she imagined how Bai Qi was going to react when he saw his wife. Fang Su Jin made a mental note to record the look on Bai Qi's face after this.

"Alright. I will meet you again at the hotel and help you with your hair and dress," the stylist spoke. She was aware that Zhang Li Xue planned to add something to her dress before she walked down the aisle later.

"Thank you." After exchanging a few words with the stylist, Zhang Li Xue turned around to look at the others.

"Sister-in-law, you are so pretty." Bai Xi Xi spoke. Her eyes were sparkling. Bai Xi Xi thought that her sister-in-law was already pretty. But with her makeup and hairdo, she looked like a fairy.

The others started to nod in agreement.

"Xi Xi, you are so pretty as well." Zhang Li Xue smiled as she looked at the little girl in her flower girl dress.

While Zhang Li Xue was doing her hair, Li Qin Yao called Bai Xi Xi to let her get ready and wear her dress.

At this time, Li Qin Yao walked into the room. Her movement halted as she arrived at the door. Seeing her daughter so pretty made her sigh.

Who would have guessed that this little ancestor would look so pretty and she was about to get married?

“Mommy...” Zhang Li Xue walked over to her mother with a bright smile on her face. “How do I look?”

Li Qin Yao gave her daughter a look over and nod. “You are your father and my daughter. Of course, with such good genes, you would look so pretty.”

Zhang Li Xue stared at her mother speechlessly. The others began to laugh upon hearing Li Qin Yao’s words. Zhang Li Xue wanted to say something, but seeing her mother’s misty eyes, she thought that her mother was joking around to suppress her urge to cry.

“He Rong called me just now,” Li Qin Yao spoke. “He said that Bai Qi is on his way here. He should arrive in a while.”

Zhang Li Xue’s heartbeat accelerated as she listened to her mother’s words.
