

## Love So Sweet 569

### 569 The Wedding (1)

The lively atmosphere told her that Bai Qi had arrived to pick her up. Zhang Li Xue wanted to go out but was told that she could only wait for Bai Qi to pick her up in the room.

Fang Su Jin, Zhuang Li, and Mao Xin Yi went out to help others to tease the groom while Bai Xi Xi stayed with her. Zhang Li Xue did not know what they did to bully her husband, but the laughter outside the room was so loud that she started to worry.

Soon, the girls entered the room to tell her that Bai Qi had passed the test and would come over soon. They even showed off the bribe they received from Bai Qi.

Hearing this made her heartbeat accelerate.

Someone knocked on the door, and Bai Xi Xi went over to open the door.

However, instead of letting her brother in, the little girl was staring at her brother in a daze. This was the first time that Bai Xi Xi had seen her brother this handsome.

“Xi Xi, will you let me in and let me see your sister-in-law?”

Bai Xi Xi snapped out of her trance upon hearing her brother’s question. She stepped aside and pulled the door wider so that her brother can go in.

Zhang Li Xue inhaled a deep breath. The moment her gaze met up with Bai Qi, her face turned bright red. Bai Qi’s gaze was too intense that it made her shy.

.....

Someone announced that he have to help her to find her shoes.

Fang Su Jin and the others had worked hard so that it would be difficult for Bai Qi to find it.

However, Bai Qi only shot a glance at his little sister, and the little girl quickly gave him a hint.

It did not take Bai Qi too long to find the shoe for his wife. Then, he knelt on one knee and held his wife’s feet to help her wear her shoes.

The groomsmen started to cheer and Bai Qi carried his wife out of the room. His steps were hurried. It was as if he could not wait to be married to the person he liked in front of others.

From the house, the bride and groom departed to the hotel. On their way to the venue, Bai Qi was holding his wife’s hand tightly and his gaze was trained on her without breaking contact.

Seeing this made her shy. After being together with Bai Qi for a while, Zhang Li Xue was quite familiar with the meaning of his gaze.

“Stop looking at me like that,” Zhang Li Xue whispered.

"I can't help it." His lips curled into a smile. "Li Xue, you are so beautiful." He wanted to lean over and kiss her lips. However, Bai Qi was afraid that he might ruin her makeup. He could only hold her hand tightly to suppress a certain feeling.

Bai Qi thought of the first time he saw his wife in this wedding dress. He thought that she looked so pretty. Her shoulder was exposed, showing off her white and tender skin. This made him want to go over and bite them.

Unfortunately for him, he could only wait until the wedding ceremony was over. It won't look good if he left any mark on his wife's body.

After a while, they finally arrived at the hotel.

Someone greeted them and ushered them to the suite.

Bai Qi wanted to stay around and stare at his wife.

However, someone dragged him out, telling them that he needed to greet the guest while his wife will have to put on some makeup before walking down the aisle.

This made him a little puzzled.

His wife was already dressed up prettily. Why would she need to wear more makeup?

Afraid that he would be delaying the ceremony, Bai Qi quickly followed the others to the banquet hall downstairs to greet the guests.

He walked into the hall and saw the decorations. The once empty and large hall had suddenly turned into a big garden with colorful flowers everywhere. The fresh scent of the flowers was very refreshing.

Zhang Yi Hai arrived at his side at this time to help introduce the guests.

Bai Qi did not have any family members other than his little sister. His friends were mostly the staff from the hospital. Therefore, most of the guests were family and friends of the Zhang family.

Fortunately, Bai Qi had already met their aunts and uncles. Once upon a time, he was dragged by his uncles to play basketball when they found out that he was dating Zhang Li Xue. Then, he met them again when Zhang Li Xue got into an accident while inspecting a site.

Later, there were too many guests and he started to feel a little dizzy.

Now that he was married to Zhang Li Xue, these people had become his family.

Meanwhile, Zhang Li Xue was still in the room adjusting her makeup and hair.

It did not take her too long to touch up her makeup, but it took a while for her to style her hair.

This time, the door was pushed open and her bridesmaid walked in along with Bai Xi Xi.

Zhang Li Xue glanced at the girls and smiled. "Thank you for looking after my little sister."

Bai Xi Xi heard this and smiled brightly. Then, she walked over and saw that her sister-in-law's hairstyle was different than previously.

Zhang Li Xue noticed that the little girl was staring and smiled. "Xi Xi, how do I look?"

Bai Xi Xi suddenly became shy. "Sister-in-law, you are too beautiful."

This made the others start to laugh.

Later, the stylist helped Zhang Li Xue to put on the detached sleeve and skirt. Then, a flowery crown was put on her head. Once everything was done, the stylist stepped away to let others take a look.

Bai Xi Xi raised her head and was surprised to see that her sister-in-law had turned into a fairy... Bai Xi Xi wondered how her brother was going to react when he saw her sister-in law.
