

Love So Sweet 584

584 Hubby, You Can't Use That

Zhang Li Xue spun around slowly until she was facing Bai Qi again. When she met his gaze, Zhang Li Xue was startled to see his slightly hooded eyes.

It was not like she hasn't worn something like this before. But this time, Bai Qi's gaze was a little different.

It made her nervous and excited at the same time. They haven't done anything but her body was already hot and there was that tingling sensation down there.

Then, it seemed that her husband liked this sort of design.

The thought made her smile.

Then, Zhang Li Xue turned slightly to let him see the laces on her back.

"You liked this design?"

"Un." Bai Qi wanted to tell her how much he liked the design. But when he opened his mouth, his throat was dry and he could not utter any words.

His reaction made her chuckle.

.....

Then, there was a mischievous glint in her eyes. "Since you have already seen it, then I should go back and change."

Without waiting for his reply, Zhang Li Xue turned around, wanting to return to the bathroom. However, after a few steps, a certain someone had caught her wrist.

She turned to look at Bai Qi again with an innocent look on her face. "What's wrong?" Zhang Li Xue was pretending as if she did not know what her husband want.

"Where do you think you are going?"

The little fairy was still pretending as if she did not understand anything.

Then, Bai Qi noticed the mischievous glint in her eyes.

His little fairy was really planning to murder him like this!

With a gentle tug on her wrist, Zhang Li Xue found herself seated on Bai Qi's lap. She put a hand on his chest as if to create a distance between them. "What are you doing? Didn't you say that you wanted to see if this lingerie fit me? Since it fits, I should go and get change."

"But I haven't seen enough."

Zhang Li Xue wanted to struggle to get away but the hand resting on her waist stopped her movement.

"Don't move."

Zhang Li Xue stopped. Then, she felt something poking from below. She raised her head again and looked at Bai Qi in disbelief.

The hands around her waist kept wandering around, making trouble. Zhang Li Xue caught his hands and saw the inquiring look in his eyes. "Didn't you say that you wanted to look? Why are you touching me?"

"Li Xue, do you want to torture me like this?"

Zhang Li Xue laughed happily. "What did I do?" Then she swiftly got off his lap.

Bai Qi stayed still, seeing that his wife was not planning to run away. His eyes were trained on her as he wondered what she was up to.

Zhang Li Xue spun around slowly, trying to show off the lingerie. She watched as Bai Qi's expression changed slowly and slowly took a few steps back.

A certain someone became impatient and quickly caught his wife in his arms again.

Before Zhang Li Xue could say anything about watching and not touching, Bai Qi had already kissed her lips, making her unable to say a word. His hands were roaming on her body, touching her where he knew would make her weak.

A few minutes later, Zhang Li Xue grew weak in Bai Qi's arms. Only then did Bai Qi finally pull away.

Seeing that his wife was staring back at him in a daze, Bai Qi then started to touch the garment on his wife's body, slowly appreciating it.

He had the urge to rip them but thought that it would be a shame to watch her wear them once. Bai Qi hoped that he would be able to see his wife wearing the same lingerie again.

"Li Xue," Bai Qi called her name and swallowed. "Next time, you can go with your friend and buy this type of lingerie, alright? I'll pay for it. Hmm... you should buy a little more."

Zhang Li Xue snapped out of her trance and laughed. However, her laughter halted when Bai Qi squeezed a certain part of her body.

She saw the look on Bai Qi's face and could guess what was coming up next.

As Bai Qi leaned closer to kiss her again, Zhang Li Xue quickly raised her hand and put a finger on his lips.

"Li Xue..." His brow furrowed, wondering if his wife was serious about not letting him touch her.

"Do you want it?"

By this time, Bai Qi was very sure that his wife was determined to torture him.

"Is this something you should ask? Zhang Li Xue, I always want you."

"I can let you touch me," Zhang Li Xue said. She leaned over and whispered in his ear, "But hubby, you can't use that."

Bai Qi naturally understood what his wife was talking about. He still remembered what his wife wanted and how he had promised that they can start to have a child after her leg was fully healed.

However, later, he still used protection and told her to wait until their wedding ceremony.

Zhang Li Xue inhaled a deep breath and whispered again, "Bai Qi, I want to have your baby."

The words tempted him so much. He wanted to push his wife and kiss her senselessly. Still, he managed to hold back. Before they continued, there was a little something that he wanted to say.

"Okay."

There was a glint of joy in Zhang Li Xue's eyes.

"I want to have a baby with you as well. But Li Xue, you should also understand that getting pregnant isn't always an easy thing."

Bai Qi knew that his wife always wanted to have a baby, but he was mostly afraid that his wife would be disappointed if they could not conceive after trying. He wanted her to be prepared for any possibility.

"I know this," Zhang Li Xue said. "But it doesn't matter. Even if we cannot have a baby quickly, we can always work hard and try again."

Bai Qi looked into her eyes and saw the determination in them.

"I won't put on too much pressure on myself," Zhang Li Xue said. He leaned over to kiss his lips. "We'll let this work naturally. If it doesn't work, then, we'll figure out things together."
