

Love So Sweet 586

586 Boyfriend Discount

Meanwhile, in Y City,

Fang Su Jin was seated on the passenger's side when she received a message. She glanced at the phone and raised a brow upon seeing Bai Qi's text.

'Thank you?' What does it mean?

Her brow furrowed as she tried to think about what was Bai Qi thanking her for. Then, a thought came to her mind, making her chuckle.

"What is it?" Zhang Yi Hai asked upon noticing the look on his girlfriend's face.

"Nothing. It's just that your sister said she's going to bring home some souvenirs," Fang Su Jin said. She let out a cough and put on a casual look on her face.

Of course, she was not going to tell Zhang Yi Hai about the gift she bought for his sister. If Zhang Yi Hai started to ask her about the lingerie, wouldn't she be the one who might be in trouble?

Zhang Yi Hai raised a brow. But did not ask more about it.

Soon, the vehicle pulled over in front of a building and Zhang Yi Hai helped his girlfriend with the door. The two of them walked to the building ahead and stopped. Zhang Yi Hai glanced at her girlfriend and smiled upon noticing how she was breathing in to calm down.

.....

He waited for Fang Su Jin to calm down. Then, Zhang Yi Hai pushed the door in front of them and entered the door.

The beat of the music filled the air.

As soon as they stepped into the room, Fang Su Jin could see all eyes were looking at her. Some of the faces in the room were familiar to her.

Not too long ago, Zhang Yi Hai helped her after she encountered a few hooligans. Later, he took her to a club to meet his friends. Because of this, Fang Su Jin was aware that the boys were Zhang Yi Hai's high school friends.

"Yi Hai..." Qian Ji waved his hand.

Holding Fang Su Jin's hand, Zhang Yi Hai led her into the room and stopped in front of his friend.

Qian Ji looked at his friend and thought that the girl in front of him was quite familiar.

"Qian Ji, this is my girlfriend, Fang Su Jin." Zhang Yu Hai placed his arms around Fang Su Jin's waist and hugged her tightly. "Su Jin, this is my friend, Qian Ji."

The two of them shook hands. Then, Qian Ji realized where he had last seen this girl.

Qian Ji looked at Zhang Yi Hai in surprise. "I've heard the rumor that you are seeing someone. But I did not expect that you would introduce her to me today."

Zhang Yi Hai raised a brow. "You heard a rumor?"

"Mmm..." Qian Ji nodded. "I heard that you brought your girlfriend to attend your sister's wedding."

Qian Ji was also invited to the wedding, however, he had to leave after the meal. There were only a few of their friends around when Zhang Yi Hai introduced Fang Su Jin to the others.

"Come on." Qian Ji stepped aside and smiled. "Let's go in and chat."

As they walked into the building, Qian Ji could not help but cast a few more glances at Fang Su Jin.

Fang Su Jin then met Zhang Yi Hai's high school classmates and Qian Ji's fiancée. As she chatted with the woman, Fang Su Jin realized that she had attended the couple's engagement party before with Lin Fang. Back then, it was her mother who forced her to go out and get to know Lin Fang.

Seeing that Zhang Yi Hai and Qian Ji were quite close made her wonder if Zhang Yi Hai had seen her with Lin Fang on that day.

Meanwhile, Zhang Yi Hai continued to chat with Qian Ji to discuss a few of their business matters.

The two of them were going to graduate soon and they both planned to stay in Y City for their convenience.

Fang Su Jin sat at the side while eavesdropping on their conversation. Seeing her boyfriend discussing about his business with his face full of confidence made her smile. She thought that Zhang Yi Hai looked very handsome like this.

This chance also allowed her to understand Zhang Yi Hai's business and what he does a little more.

After having lunch with a few of Zhang Yi Hai's close friends, the couple left the shop together. Fang Su Jin looked out the window and turned to look at her boyfriend again. "Are we going back to your apartment?"

"Mhm..." Zhang Yi Hai nodded. "Yesterday, some furniture arrived, I was hoping that I could get your opinion on the layout."

Fang Su Jin narrowed her eyes. She did not think that Zhang Yi Hai's invitation to his apartment was quite that simple.

As they arrived at the apartment, Fang Su Jin began to look around the place while Zhang Yi Hai was watching her from the entrance.

Her eyes widened, finding that there seemed to be a little more color around the living room. Since her last visit to his apartment, Zhang Yi Hai has been decorating the space a little bit.

After she had looked enough, Fang Su Jin turned to Zhang Yi Hai and watched as the man walked over to her side.

“What do you think?” Zhang Yi Hai asked as he wrapped his arms around Fang Su Jin’s waist from behind. He leaned over slightly to rest his chin on her shoulder. “I thought that you might like this place with a little more color.”

Fang Su Jin nodded. “Well, it’s beautiful.” She pointed at the wall. “It seemed like it would be better if you hang a painting on the wall. It’s too empty.”

“Hmm... you’re right.” He turned his head to kiss Fang Su Jin’s cheek. “Then, I can only count on you to suggest which painting would look best. Otherwise, Miss Fang, how about selling one of your paintings to me?”

Fang Su Jin chuckled. She turned around in his embrace and flashed a smile. “Then, it’s going to cost you a lot.”

“Shouldn’t I get a boyfriend discount?” Zhang Yi Hai teased.

Her eyes lit up. “Well then, you can start buttering me up for this boyfriend discount.”

Zhang Yi Hai laughed. Then, he leaned over to peck on her lips. Once he had kissed her, Zhang Yi Hai thought that it was not enough and started to kiss her a few more times.

In the end, they finally pulled away again with their breathing heavy.

Zhang Yi Hai looked into Fang Su Jin’s eyes and spoke. “Su Jin...”

“Hmm?”

“Do you think your dad will kill me if I did not send you back tonight?”
