

Love So Sweet 592

592 A Surprise Visit

After Zhang Li Xue and Bai Qi returned from their honeymoon, the couple has been busy with their work. Bai Qi was especially busy. Other than covering his friend's shift, he also had to work on some research and attended a few conferences with Qi Zheng.

The number of time he get to spend with his wife was not much.

Zhang Li Xue too was quite busy with the company. Her father was starting to train her to manage the hotels and she has been busy trying to learn a lot of things.

Initially, Zhang Li Xue and Bai Qi were planning to move out from her parent's house after they returned from their honeymoon trip. The apartment on the west side of the city might be small, but it was perfect for the couple and Bai Xi Xi to live together.

However, because they were quite busy, this matter was delayed again.

Moreover, Bai Qi saw that his mother-in-law was unwilling to watch them move out too soon and decided to accompany the elders a little more.

The person who was the happiest was Bai Xi Xi.

After living with her brother with just the two of them, Bai Xi Xi began to enjoy the liveliness of living in a big family. Moreover, Li Qin Yao treated her especially nicely.

The little girl never experienced a mother and a father's love before and had thought of the Zhang couple as her parents.

.....

Seeing this, Bai Qi decided to buy a bigger house nearby Zhang Li Xue's parents with the money he received from He Rong as well as the money from his late father.

Even though the Zhang couple did not mind having their daughter and son-in-law stay together with them, Bai Qi thought that he still wanted to have a house of his own.

Since he could afford it, he should work hard to prepare a house for his family. Moreover, he did not want others to think that he was taking advantage of his rich parent-in-law

With her working experience as well as connections in the property industry, Li Qin Yao helped them to look at some properties and land. It did not take her too long to find a suitable plot that was close by and would be within Bai Qi's budget.

While waiting for the house to complete its renovation, the couple continued to live with Zhang Li Xue's parents.

Zhang Li Xue sat in her office while looking at a few documents on her table. A sigh escaped her as she finally was done with checking the project that her father had assigned her to be in charge of.

Seeing that she had finished her work early, Zhang Li Xue decided to leave work on time and make a surprise visit to her husband at the hospital.

As she was leaving the office, Zhang Li Xue ran into her father in the office corridor.

Zhang Yu Han gave his daughter a lookover and smiled. "You're leaving?"

"Un..." Zhang Li Xue nodded. "I already send the documents you wanted a while ago."

Zhang Yu Han chuckled. He stretched his hand to pat his daughter's head. In his mind, his daughter would remain as his little girl. "I know. You've worked hard."

Zhang Li Xue exchanged a few words with her father before she finally leave the hotel. Then, she took her car and drive straight to the hospital.

When she arrived at Bai Qi's department, Nurse Tian was seen standing behind the counter to sort out some documents. Noticing her arrival, the nurse flashed her an amiable smile.

"Doctor Bai is having a meeting with Doctor Qi at this time," Nurse Tian spoke as Zhang Li Xue walked over. "You can go ahead and wait for him in his office."

Zhang Li Xue laughed. "Thank you, Nurse Tian." She then placed a paper bag on the desk and spoke, "I have some desserts. Nurse Tian, you can share it with the others."

Her eyes lit up. After exchanging a few words with Zhang Li Xue, Nurse Tian finally watched as the girl walked away.

Zhang Li Xue went into Bai Qi's office and took a seat.

As compared to her, Bai Qi was busier. After being together with Bai Qi, Zhang Li Xue was getting used to waiting for him in the office. She understood his work and priorities and she did not mind waiting for him a bit.

Of course, there would also be a time when she could not see him at all.

When Nurse Tian told her that Bai Qi was in an important surgery, Zhang Li Xue would leave a note for her husband in his office before she left.

Anyway, she did not want Bai Qi to feel distressed when he found out that she has been waiting for him for hours.

Zhang Li Xue took out her phone and browsed through her social media.

Her friend, Mo Qing Huan seemed to be going on a trip with her husband again. After the two got married, Mo Qing Huan was always accompanying He Rong to various countries for his work.

Seeing the photo of them going on a trip made her feel a little jealous as well.

It seemed that after her honeymoon with Bai Qi a couple of months ago, the two of them had not gone out to play for a long time.

As the thought came to her mind, Zhang Li Xue started to wonder if she should plan another vacation with Bai Qi. Perhaps they could take Bai Xi Xi along with them as well.

After staying in the office for half an hour, Bai Qi finally appeared at the door.

The moment he saw his wife, Bai Qi could not hide his surprise. He recovered really quickly and flashed his wife a smile. "When did you get here?" Bai Qi closed the door behind him.

"Not too long ago," Zhang Li Xue said. She walked over to Bai Qi and kissed his lips. "Nurse Tian said that you had a meeting with Uncle Qi Zheng."

"Mmm..." Bai Qi nodded. "There is paperwork that I am working on. Doctor Qi is helping me to look at it."

Zhang Li Xue tilted her head. "Are you busy? Have you had your dinner? Should we go together?"

Bai Qi chuckled at his wife's questions. "Un. Wait for me for a bit. I need to make a few corrections first." He waved the document in his hand. "Then, we can go out for dinner."
