

## Love So Sweet 597

### 597 Share a Room

The group returned back to their hotel after having their lunch together.

Seeing that Bai Xi Xi was tired, Bai Qi and Zhang Li Xue decided to take a rest and came out to play by the beach nearby the hotel when the sun was no longer as hot.

They already planned to go out again with Mo Qing Huan and He Rong for dinner.

Meanwhile, Fang Su Jin and Zhang Yi Hai decided to walk around the town just the two of them. Zhang Yi Hai had his arms around Fang Su Jin's shoulder. He held her close and tight as if not wanting to let her go.

It was a rare chance for him to be intimate with his girlfriend. Naturally, they would not waste this chance to be together.

Fang Su Jin had a camera in her hand and was busy taking a few photos of the scenery around the town that she could use for her paintings.

The beach scenery was quite pretty and the building around the town had a lot of history.

However, they both had just returned from the fishing trip as well. Therefore, after walking around for a bit, the couple decided to return to the hotel and rest.

Fang Su Jin took out her key card to enter her room. Just as she pushed the door and entered, a certain someone sneaked into her room and closed the door behind him.

.....

Fang Su Jin stared at Zhang Yi Hai in disbelief. There was a brief silence between them before Fang Su Jin finally spoke again, "What are you doing?"

Zhang Yi Hai raised a brow while flashing his girlfriend a mischievous smile. "Didn't you say that we should return to the hotel room and rest?"

Fang Su Jin laughed. Her eyes narrowed as she looked at this tricky fox. "I did say that we should rest. But Zhang Yi Hai, your room is next door."

"It's a rare chance for us to go on a vacation together." Zhang Yi Hai put on a pitiful look on her face. "Su Jin, I want to stay with you."

Her eyes widened in surprise. Who would have thought that her boyfriend would know how to look pitiful? However, her heart quickly melted upon seeing the look on his face.

She was really weak against Zhang Yi Hai's trick.

Seeing that Fang Su Jin did not speak a word, Zhang Yi Hai approached her slowly but stopped himself before he reached her side. "Actually, we can share a room. Why do you want to book two rooms? Wouldn't we get to save some money?"

Fang Su Jin laughed. She did not think that Zhang Yi Hai minded saving some money. "Let's not forget that your sister is here as well," she pointed out.

She could already imagine how Zhang Li Xue was going to tease her if the two of them were sharing a room.

Zhang Yi Hai still had a smile on his face.

In his opinion, they were a couple and his sister would not think that it was strange if they were sharing a room. His sister might tease them a little bit, but she would know her limit.

However, Fang Su Jin was too shy.

Zhang Yi Hai could still remember how shy she was when they had to let their family know about their relationship.

In the end, he could only heave a sigh. "It's alright. I can still come over to your room later." Zhang Yi Hai leaned over to peck at his girlfriend's lips.

Fang Su Jin took a step back and looked at her boyfriend with her eyes wide. "Why are you coming to my room later?"

Zhang Yi Hai noticed the playful look in Fang Su Jin's eyes. He stared at her for a while before inching closer to her. Each time that Fang Su Jin took a step back, Zhang Yi Hai would take a step forward.

A gasp escaped her as her back hit the wall. Then, Fang Su Jin realized that she was trapped between Zhang Yi Hai and the wall.

It seemed that something like this had happened in the past.

The young man leaned over until the tip of his nose was almost touching hers. "Su Jin, I miss you. Don't you... miss me?"

Her heartbeat accelerated. Fang Su Jin could feel the heat creeping down her face.

Such a simple question could make her grow crazy.

At this time Fang Su Jin suddenly recalled the few nights they spent together in Capital City. She lowered her gaze, wanting to look away from Zhang Yi Hai. However, the moment she moved, his lips were touching her forehead.

Her forehead turned hot. Just as she was still thinking of a way to escape, Zhang Yi Hai placed his hand under her chin and lifted her face.

"Su Jin..." He lowered his voice, making it sound magnetic.

Fang Su Jin raised her eyes to meet Zhang Yi Hai's gaze.

Then, she screamed internally upon looking at the handsome and seductive man.

Actually, she was missing Zhang Yi Hai a lot. The man was right in front of her, but she still missed him a lot. Fang Su Jin thought that she was crazy to think like this.

It made her realize how in love she was with this man.

Her throat bobbed. After a brief hesitation, Fang Su Jin finally spoke, "Well, I miss you too."

Slowly, the corner of his lips tilted into a smile.

Fang Su Jin watched his face and thought that Zhang Yi Hai was really good at seducing her. He would coax her slowly until he get the answer he wanted. And Zhang Yi Hai did not take too long to coax her.

Each time Fang Su Jin reminded herself not to give in too quickly, she would lose.

After a while, Fang Su Jin was finally able to look away from his eyes. However, her gaze fell on his lips instead. Looking at the red and delicious lips made her lean over.

Then, a breath of relief escaped her as their lips finally met in a kiss.
