

## Love So Sweet 599

### 599 Applying Sunscreen

Zhang Li Xue walked out of the room and found Bai Xi Xi waiting for her in the living room. The little girl was sitting on the chair with her legs swinging back and forth. Zhang Li Xue could see how much Bai Xi Xi was looking forward to playing around the beach.

The little girl looked up when she sensed her presence. Then, Bai Xi Xi had a bright smile on her face.

“Xi Xi,” Zhang Li Xue called her name. “Have you been waiting for me for too long?”

Bai Xi Xi shook her head. “Not too long. Did you have enough rest?”

“Un. I’ve slept enough.” Zhang Li Xue said.

The little girl jumped down from the chair and spoke, “Should we go now?”

A faint smile curled on her lips. Zhang Li Xue stretched her hand and Bai Xi Xi walked over to her side to hold her hand.

Bai Qi returned from the kitchen and saw this scene. A helpless sigh escaped him upon seeing how close his little sister was with his wife.

Just then, Zhang Li Xue raised her head to look at him.

.....

Bai Qi quickly put away the look on his face. “I’ve talked to Yi Hai and Su Jin earlier. They said that they will meet us at the beach. We don’t have to wait for them.”

Her brow furrowed as she listened to her husband’s words. “Did they say that they will join us?”

“Uh-huh.” Bai Qi nodded.

Zhang Li Xue thought that there was something going on between the couple. However, the thought quickly disappeared from her thought when she saw Bai Xi Xi.

Knowing that the little girl was anticipating this trip to the beach, Zhang Li Xue decided not to think about her brother.

Soon, the family of three left their suite and headed to the beach.

They walked through the hotel’s garden before finally arriving at the beach. Zhang Li Xue picked up a spot under an umbrella and sat down. Before she allowed Bai Xi Xi to play at the beach, Zhang Li Xue did not forget to help the little girl to apply some sunscreen to her body.

After reminding Bai Xi Xi not to go that far, the little girl left her bag on the seat and ran over to the beach.

Bai Xi Xi ran to the water and watched as the wave touched her feet. Then, she started to play around in excitement.

Zhang Li Xue watched the little girl from her seat and smiled. Seeing that Bai Xi Xi was happily put her in a good mood.

Fortunately, there were not too many people at the beach at this time. It was easier for her to keep her eyes on Bai Xi Xi.

“Li Xue.”

Hearing the voice, Zhang Li Xue looked up and met her husband’s gaze.

Bai Qi then leaned over and took the bottle from his wife’s hand. His lips turned into a faint smile. “Let me help you to put some sunscreen on your body.”

Her brow rose. “Doctor Bai, are you sure that you did not have another intention other than applying the sunscreen on my body?” There was a hint of tease in her voice.

Bai Qi had a serious look on his face. “Young miss, I’m an honest person. I don’t have any other intention than to help you.”

Zhang Li Xue laughed happily. She put on a serious look on her face as well, deciding to play along with him. “Then, please help me to apply some sunscreen.”

Zhang Li Xue took off her outer robe and sat up straight as she let Bai Qi apply the sunscreen to her body.

Bai Qi rubbed his hand on his wife’s shoulder and gradually, his hand went down to touch a certain sensitive spot on her body.

A gasp escaped her. Zhang Li Xue looked at Bai Qi and spoke, “Didn’t you say that you’re an honest person? Why are you touching my chest?”

Bai Qi chuckled when he saw that his wife was still in the mood to play around. He could not help but be amused at her reaction. Seeing this, Bai Qi decided to tease her by touching her waist.

Her laughter reverberated. Worried that Bai Qi would continue to tickle her, Zhang Li Xue quickly grabbed his hand to stop him from moving around.

The couple looked at each other. Then, suddenly, a glint appeared in Zhang Li Xue’s eyes. She leaned over to her husband and whispered, “Hubby, don’t you think that role-playing could be quite interesting? Why don’t we try this next?”

Bai Qi was amused by his wife’s idea. He could not deny that his body began to feel a little hot upon hearing her suggestion. “What do you want to try?”

His voice sounded a little hot as he was suppressing a certain urge.

Then, the little fairy leaned over with a mischievous look on her face. “Hubby, I can be whatever you wanted me to be.”

His throat bobbed. Bai Qi was definitely tempted by this idea.

Suddenly, a familiar cough was heard, snapping them out of their thoughts.

The couple looked up and saw that Zhang Yi Hai and Fang Su Jin were walking over in their direction.

“Sister, brother-in-law, I have to remind you both that this is a public place,” Zhang Yi Hai spoke as he walked closer. “Please restrain yourself from acting too intimately.”

Zhang Li Xue gave her brother a lookover and clicked her tongue. “I’ll see if you can restrain yourself from Su Jin.”

Fang Su Jin looked at the siblings with a gaze that said that she did not want to get involved in their sibling’s quarrel.

Seeing that the two of them had arrived, Bai Qi lowered his gaze to look at a certain part of his body and thought that this would be a good time for him to go and calm down. He looked at his wife and spoke, “I’ll go ahead and look at Xi Xi first.”

Without waiting for them to reply, Bai Qi jogged over to his sister’s side and convinced her to play in the water with him.
