

Love Through Time and Space

Chapter 105

Tianxian and Dinosaurs, after experiencing the "framing" and "self-hacking" live broadcast storm, Ye Fangfang appeared in everyone's sight for the first time.

She is wearing a plain dress today, with a waterfall-like long straight black head, without excessive makeup on her face.

Although it is still not ranked as the name of Jiang Da Colonel, but the title of Su Yan Goddess can definitely be called.

She stood among a group of top students, holding books in her hands, it was really beautiful.

Beautiful and quiet, beautiful and elegant, beautiful and gentle.

Fully in line with boys' imagination of the goddess!

It also matches the girl's longing for herself.

Such a high-achieving beauty is not on the same level as Emily Gale, an ugly student.

Jiang Da is a beautiful woman, this is absolutely the truth.

Even the boys from Ningda University, looking at Ye Fangfang and then taking care of Jenni, suddenly lost their appetite.

Although the girl from Ningda University was a bit unconvinced, she couldn't be more unconvinced when she saw Emily Gale's ugly appearance.

What are the gods and dinosaurs?

"Of course, let's go to class."

Su Xiaomi grabbed Emily Gale's hand and walked quickly to the teaching building.

The Ye family didn't know if it was a special vixen, these girls were actually more attractive than each!

Ye Fangfang is Siniya Ye's niece, and Kylena Gale is Siniya Ye's daughter.

They are actually from the Ye family's blood.

Ye Fangfang is already so good-looking, you can imagine how beautiful Kylena Gale is several times better than her.

Su Xiaomi didn't think Emily Gale was ugly, in fact, Ranran's facial features were really super beautiful.

Unfortunately, freckles on his face really affect the beauty.

Ugly is not enough, but beauty is really not counted at all.

"Why? You feel uncomfortable seeing people so beautiful?" Emily Gale tapped on her forehead, with a light smile on her face, she was really not emotional at all.

"Those people are comparing you to that bad woman. What's the comparison? They just don't know how disgusting that woman is."

Su Xiaomi is just mad, but his face and facial features are super beautiful, but, No one noticed it.

"Since you know she is sick, why are you angry?" Emily Gale disapproved.

"Are you really not angry at all? That bad woman pretended to be!" Su Xiaomi stomped angrily.

Emily Gale just smiled, ignored it, and walked to the teaching building with her.

"Isn't this ugly Emily Gale?" someone screamed behind him.

"Fangfang, is this slut persecuting you?" This is really unfair. How can this ugly person find such a rich gold master?

"I don't know what the bad old man behind her pictured about her.

They want to have no figure or face!" "Don't say that."

Ye Fangfang's voice was very slight, but around

Everyone can hear it.

She took a peek at Emily Gale's back, bit her lip, and lowered her head: "Stop talking, she didn't bully me."

This look of pity made the boys feel distressed immediately.

Not only the group of high-achieving students who came with Jiang Da, but even the boys at Ning Da University were filled with indignation.

Therefore, before Emily Gale and Su Xiaomi had entered the teaching building, they blocked her.

"Ugly, you are going to leave if you bully?" The group of students who were caught yesterday was because they broke into someone else's place.

Now, they are in places where they can go in and out at will. This is not illegal and there is no need to be afraid.

"Excuse me, what did I bully her?" Emily Gale looked indifferent at the few Jiangda boys blocking him.

"What have you done, you don't know?" "Yes, when you grow up like this, you should hide in the corner and don't dirty other people's eyes.

It's so ugly that you slander everywhere!" "What are you talking about? Where's the swagger?" Su Xiaomi flushed with anger, "We go to school quietly, who hindered?" "It hindered everyone's eyes."

The girl also intervened, helping.

When it comes to quarreling, of course women are better than men.

A few girls immediately joined the battlefield: "I really don't know which eye of the gold master behind you is blind. Didn't you see how ugly you look like?" "Really, Ning Da just find a girl, They are all ten times more beautiful than you!" "Maybe people behave very well in bed?" "So, maybe there is more than one funder, maybe a group of people?" "That's amazing, not three places together Huh? Hahaha..."

"You are so disgusting!" Su Xiaomi clenched her fists, almost swiped at the fat girl who spoke the most ugly in it.

Although these girls are really ugly, but as long as they fall on Emily Gale, the boys don't feel distressed.

"Emily Gale, you tried all means to bully a weak girl, shouldn't you apologize?" After a round of malicious scolding by the girls, now it is the boys' turn to "help justice".

"I want you to apologize to Fangfang, otherwise, you don't want to leave here!" A group of boys in their twenties can easily be provoked.

Especially Ye Fangfang's low voice just now aroused everyone's strong desire for protection.

Leading the boys one step forward, Su Xiaomi was so scared that he immediately guarded Emily Gale behind her: "You... dare to mess around!" "I didn't find you, get out!" One of the boys grabbed Su Xiaomi by the shoulder and pressed hard. Flick.

Su Xiaomi was suddenly thrown out by him, and slammed into the girls on the side.

None of those girls wants to help her

One, even, two people pushed her hard, directly pushing her to the ground.

"Millet!" Emily Gale wanted to go, but was blocked by a few boys.

They are constantly approaching, and they have the intention of hitting people at any time.

Of course Emily Gale knows that boys at this age are sometimes very impulsive.

If you have committed anger and anxious, they will really do it!

She pursed her lips and stood straight in front of everyone's malicious gaze.

"Who told you that Ye Fangfang is a weak, good girl?" "Does this still need someone to say?" The boys suddenly nauseated.

Even if this woman is ugly, she still slander others?

Emily Gale just quietly watched their thin lips curled up slightly: "Really? How much do you know about what she did in private?" "Ugly, don't discredit others anymore! Those live broadcasts are all forced by you. Her, you still

don't know how to repent until now!" "What do you tell her so much for? We will jointly report and let the school expel her!" "Yes, we must expel her! This vicious ugly monster is not qualified. Stay in our Ningda!" All of a sudden, the voices converged: "Expelling Emily Gale! Expelling the ugly Emily Gale!" But in the midst of a loud voice, someone suddenly muttered, "This...this is. What? How could this be?" "Look at Weibo, look! See if this is P?" "This is impossible, how could this be? Impossible!" A group of people was completely shocked and afraid Believing...

Chapter 106

More and more people take out their mobile phones and don't know what they are looking through.

As for Emily Gale and Su Xiaomi, because everyone's attention is on the phone, no one cares about them.

Su Xiaomi got up, quickly returned to Emily Gale's side, and pulled her sleeve: "RJenni..."

"It's okay, Yang Yi has never had a problem with things, don't worry."

Emily Gale whispered.

"Yeah."

Su Xiaomi nodded, confident in Yang Yi more and more.

Not far away, Ye Fangfang originally watched a group of boys block Emily Gale.

Although on the surface it still looked like a weak and beautiful face, she didn't know how excited she was.

But this time, why everyone is looking through their mobile phones, no one continues to blame the ugly monster?

What are they doing?

Seeing Emily Gale and Su Xiaomi leaving from the crowd, Ye Fangfang was anxious and followed in small steps.

She dared not speak loudly, for fear of affecting her perfect image of a lady, she could only lower her voice.

“Emily Gale, I won’t talk nonsense anymore, you... let them let me go.”

How many boys have to arouse the desire for protection with this impossibility?

Ye Fangfang was waiting for everyone to continue to come and clean up Emily Gale for her.

I don’t know why, these men are holding their phones one by one and looking at her expression... so complicated?

Could it be that her performance was not vivid enough?

“Emily Gale,” Ye Fangfang packed up his mood and walked carefully towards Emily Gale.

“Emily Gale, if you still feel uncomfortable, you can hit me or scold me, but in the future, can you not let me shoot live video broadcasts like that, I...”

“It turns out that the videos you made were all forced by me. Do you? I really have such a great ability?” Emily Gale smiled, facing Ye Fangfang’s clearly planted behavior, not at all angry.

Even, there is a feeling of watching a joke.

What Ye Fangfang hated most was Emily Gale's shallow and indifferent smile.

It seems that everything is in her hands!

This woman, she doesn't know she is afraid when she is dying!

Wait a minute, her flower protectors will definitely make her look good!

"Emily Gale, I didn't say what you were forcing me, I really didn't say, you have to believe me."

She trembled, as if facing a great threat behind her back.

Biting his lip, with a pitiful look, which man doesn't feel sorry for seeing it?

She looked at the people around her, biting her lip, her eyes red.

"That live broadcast, it wasn't... Emily Gale forced me to shoot, no, it wasn't..."

Unable to resist, the crystal clear tears rolled off the ground.

Even though her voice was dumb, she still explained in a low voice: "Don't get me wrong, it's really... it's me... it's none of her business..."

But she was sobbing sobbing at the end.

This

So wronged, so pitiful, so helpless, I have to explain to Emily Gale.

How many people can't understand this explanation, are they forced?

Emily Gale looked at her with a slight smile on her lips.

With such a performance, even Emily Gale couldn't help but give her a thumbs up.

Have a face and a figure, and the most important thing is to have acting skills. If you enter the entertainment circle, you can definitely become popular with your strength.

It's really a shame not to be an actor.

Ye Fangfang also waited, waiting to see everyone's performance.

But she really didn't understand. Her acting skills are absolutely perfect. Why are the expressions of the boys so strange?

"Fang...Fangfang..."

Of the several girls who came together, one of them whispered.

I want to remind you two things in the past, but now, I dare not get close to Ye Fangfang at all.

The steps he had taken were immediately taken back, his head lowered, and he dared not hum again.

For fear, what is the relationship between himself and Ye Fangfang.

No matter how slow Ye Fangfang was, he finally saw something was wrong.

She was so wronged that she couldn't say anything about her grievance, but she still had to "explain" for Emily Gale.

It didn't make sense for everyone to see her so wronged, but she still didn't show up at all.

Really, it doesn't make sense.

She felt a little hairy in her heart, but she still didn't understand.

However, no one responded, and the play could not go on.

Wiping her tears, she looked at Emily Gale and said in a low voice: "Don't force me anymore. I will do what you want me to do. Please let me go."

Emily Gale still just smiled with this expression. , As if watching a monkey perform.

Ye Fangfang was itching with hatred, pinching his palm, finally bit his lip and lowered his head, and walked towards his team.

The people around her completely exceeded her expectations.

Things shouldn't be like this!

What went wrong?

But now, she really can't continue acting alone, even she herself feels like a clown.

You can only return to the team first, and talk about it slowly.

Unexpectedly, when she walked to the ranks of top students, the group of girls saw her coming, as if they had seen a ghost, one by one evaded in panic.

What do you mean?

Ye Fangfang stopped tears, looked at them, and then at herself.

She has nothing on her, what is going on?

Why do these girls avoid her like a snake?

She is not dirty at all!

Ye Fangfang, who couldn't find the reason, took another two steps forward. This time, a group of girls shattered and dispersed!

No one wants to be with her, as if being close by her, oneself would be defiled.

Ye Fangfang's face sank, what do they mean?

Do these one by one specifically bully people?

Because she is so beautiful, they are afraid of being

Compare?

One by one, the chicken belly is disgusting!

He is ugly and rejects beautiful girls!

A group of clowns!

Ye Fangfang decided not to care about them in general. Most of the top students are ugly, and only she has beauty and strength!

She clenched her fist and walked slowly back to the boys' team.

Everyone has to go to the exchange meeting after the meeting.

The girls team does not accept her, so stay with the boys.

Anyway, boys will spoil her.

But this time, Ye Fangfang was completely dumbfounded!

Although the boy's reaction was not as obvious as the girl's, but when she passed by, these boys stepped back carefully one by one!

They are also hiding from her!

"Are you... also afraid of being involved by me?" This is the only explanation Ye Fangfang can think of, or it is that they are all afraid of the gold master behind Emily Gale.

She has always made people mislead everyone, Emily Gale and other sponsors are an ugly old man.

This group of young and passionate students can't really be so timid!

Especially boys, sometimes because they are too passionate, they can be bold!

But now, why?

Also, why everyone is looking at their mobile phones... Su Xiaomi took Emily Gale's hand and looked at the mobile phone with gusto.

Unexpectedly, even though she knew that Ye Fangfang was not a good bird, she didn't expect it to be so popular!

Such a fierce material is really surprising!

Ye Fangfang felt flustered inexplicably, and immediately took out the phone.

The first hot search, Ye Mingyuan's wild work!

When she clicked on it, she screamed in fright, her legs softened and fell to the ground...

Chapter 107

Ye Fangfang, who was the victim of this b*tch, couldn't believe his eyes.

How could this happen, these photos...impossible, impossible!

"It's fake!" She suddenly reacted, looking at the people around her, anxious and panicked.

"It's all fake, it's P! Don't believe it, I'm not that kind of person, I'm definitely not!" "The woman in it is really not me, I...I have been both good at character and learning since I was a child, I...I always The test scores are so good every time, how could I be that kind of person?" "You can't even reach the undergraduate entrance exam for the college entrance examination, and you don't know how you entered Jiangda!" someone whispered.

"How, how is it possible? I am a high-achieving student, I am a high-achieving student!" Ye Fangfang was anxious to death, and after mustering a lot of courage, he dared to pick up the phone again.

Under the Weibo that broke the news, the college entrance examination score system was adjusted.

Her score is more than three hundred short of the results announced by Jiang University's admissions!

How did you get into Jiang Da with such a low score?

"But, she is a top student of Jiang Da..."

a boy whispered.

"You can even come in with such a low score.

After you come in, what is the difficulty of wanting to be a top student?"
"Look, her high school exam results!" "My God, this report card is too ugly.
Right? This kind of person... this kind of achievement is the same school as
ours!" Jiang University is the best university in Beijing, how could such a
student come out?

"No, it's all P, it's all P!" Ye Fangfang finally got up, and everyone in her sight
pointed to her.

The girl snickered, and the boy's gaze became especially complicated.

Some are unbelievable, some are sorry.

But more often, it is watching theater, disdain, sneer, and even some are
clearly evil.

They stared at her face, gradually moving their gazes in front of her.

In those photos, she had nothing on her body, and she was with a few men.

Eighteen martial arts, almost unlocked all new moves!

She was young and frivolous. Later, she was discovered by her father.

After being severely punished, she returned to the status of a wealthy
daughter and rarely did such ridiculous things.

Why was it dug out?

Why are there videos besides photos?

why?

She is so scared, she is so scared!

She will be ruined all her life!

Suddenly, the phone rang.

Ye Fangfang trembling hands, answered the phone: "Dad..."

"Our Ye family can't afford to lose this face. I will publish in the newspaper and say that I will dissolve the father-daughter relationship with you. Don't come back in the future!" It's not like that..."

However, there was a beeping sound on the phone, and Dad had already hung up the phone!

"Don't do this, don't!" Ye Fangfang sat on the ground, hysterical.

Come.

Suddenly, Emily Gale's indifferent face appeared in her sight, her heart trembled, and she pointed at her violently.

"It's you! It must be you b*tch! It was you who put those photos on it, it was you!" "It was you, right? You put the photos and videos on it, it must be you!" Ye Fangfang once again got off the ground He got up and rushed to Emily Gale frantically.

"It's all you.

It's all you slut who harmed me.

It's all you!" No one thought that she could be so fast. Emily Gale couldn't avoid it, and she grabbed the skirt of her clothes.

"Let go! What are you doing? What does it have to do with me?" Emily Gale frowned and pulled her hand away.

"You didn't do those things yourself. How did the photos and videos come from?" "Emily Gale, it was you! It was you who arranged it, and the funder behind you arranged everything!" "There is no funder behind me, Even if there is, can he arrange it when you are young?" Emily Gale sneered: "Don't look at it, how old are you in the video?" No matter how old you are, at least not what you are now. Ye Fangfang is already fast. Twenty.

And the one in the video, although the appearance can be clearly distinguished, is Ye Fangfang himself.

However, at a glance, he was only sixteen or seventeen.

"No! It must be you! It was your P, it was the video you arranged!" Ye Fangfang wanted to rush up again, but this time, it turned out to be pushed away by a boy.

"What is being forced to live broadcast, what is framed, what is a high-achieving student, Ye Fangfang, you are too fake!" The boy stood in front of Emily Gale, staring at Ye Fangfang, filled with righteous indignation.

"You are fake from head to toe. Just now you pretended to be pitiful and want to frame Emily Gale."

"Emily Gale is not as good-looking as you, but you can't frame people like this! In fact, you have been harming people all the time.

"You made Su Xiaomi almost jump off the building because of you. Everyone could see the live broadcast that day clearly, and Emily Gale almost fell off."

"Could it be that Emily Gale was arranging all this? She arranged for herself to almost fall. Dozens of high-rise buildings?" "She arranged such a thrilling live broadcast, which almost killed her, just to frame you? Use her life to frame you? Don't you think too much of yourself?" What the boys said, in fact, everyone I was thinking sparsely in my heart, but no one has been rationally speaking.

Now, when someone says this, everyone's heart is instantly clear.

Things seem to be like this, but in fact, it was Ye Fangfang's problem from the beginning.

Why did everyone think it was Emily Gale's problem?

Just because of a trumpet on Weibo, it is implied that Ye Fangfang's live broadcast was taken by threats?

Since when did everyone start, they can be

A Weibo, dictating your own judgment?

Ye Fangfang's live broadcast, so natural, where does it seem to be forced?

At that time, she completely showed the vicious side, and also, greedy!

When discussing with her friend to swallow up the big-name gift from Emily Gale, the greedy side was simply disgusting.

When the gift was found only in packaging bags, the whole person went crazy.

Also, didn't she say that she committed suicide?

But she didn't have any problems at all in the live broadcast, she clearly moved freely!

Are they stupid or have their eyes covered with lard? Why did they remember this until now?

Too many doubts prove that it is impossible for Ye Fangfang to be forced to shoot live.

But when they saw that Ye Fangfang was dressed so well and had a pitiful appearance, they were stupid.

They are so blind!

After taking care of Anran, although her skin is not very good, her facial features are still pretty.

The most important thing is that Emily Gale now doesn't wear heavy makeup and doesn't do anything special.

She was quiet, and there was an unspeakable tranquility all over her body.

Under the sun, this girl suddenly seemed...beautiful.

"Of course, class is about to go, let's go."

Su Xiaomi pulled Emily Gale's hand.

Emily Gale nodded, and walked to the teaching building with her.

"Emily Gale, you b*tch, don't go!" Ye Fangfang tried to chase him, but was stopped by a few boys from Ning University.

"We Ning University students can't let you slander and humiliate casually! Go back to Jiang Da!" "Yes! Go back to Jiang Da!" "Why Jiang Da has a beautiful girl? Pooh, it's a female cousin! It's disgusting to roll the sheets with a few men at the age of one year!" "Yes, get out! Don't tarnish the campus of Ningxia University!" "Female cousin, get out!"
