

Love Through Time and Space

Chapter 16

It wasn't me who did "Young Master Jackson, what do you want to tell me?" McGraw Gale asked as soon as he entered the door. Kylena Gale suddenly felt unspeakable embarrassment, as if she had been rectified. Emily Gale, this dead girl, is it really intentional? "It's nothing, Dad, I just gave Jenni something to eat, and I haven't had time to talk to her."

This matter must be cleared up: "Since you have something, I will go back first."

"Sister, no Would you tell me to talk to Dad about Mr. Jackson? Why did you leave?" Emily Gale smiled and looked the same as before.

It seemed naive, but actually silly. McGraw Gale just wanted to know what Joseph said, and Joseph's words were imperial edicts to him. But Kylena Gale panicked and said hurriedly: "No, you and Young Master Jackson, where do I have the turn to talk about? Dad, I will first..."

"Actually, I didn't say anything, Young Master Jackson just said we I'm going to get engaged in three days. During this time, let my father take care of my face."

Take good care of her face? Kylena Gale was astonished for a while, how could this be the case? Taking care of Jenni again, she suddenly felt uneasy in her heart.

She couldn't see the dead girl in front of her at all. Is she still the old Emily Gale? Was it replaced by someone else? Emily Gale ignored her and still smiled: "Master said, he likes my face very much."

"As long as you don't put those messy cosmetics on it, your face will definitely be liked by you."

Gale McGraw yawned, and told him to come over early in the morning to say this nonsense. This daughter's IQ is no longer saved! He stood up and left, and Kylena Gale wanted to send him off immediately. Emily Gale, who was still sitting in the chair, said, "Dad, my sister gave me the lotus soup, but it's delicious. Would you like to have a bowl of it?" Kylena Gale was taken aback, and immediately said, "Lianzi soup.

It is only suitable for women, Jenni, you eat by yourself, I will send my father back to rest."

Emily Gale deliberately mentioned the lotus soup she gave, which made Kylena Gale feel uneasy, always feeling that something bad was about to happen. However, I have already walked to the door with my dad, so there shouldn't be anything right...

"Ah!" Behind him, Emily Gale suddenly screamed and clanged.

The bowl in his hand fell on the ground, and the lotus soup was sprinkled on the ground. .

"What's the matter?" McGraw Gale turned his head and was frightened by the scene in front of him: "Jenni, what's the matter with you? Don't scare Dad!" Kylena Gale was also dumbfounded, how could this happen? Emily Gale fell to the ground, holding his face and screaming! Her face...her face is ruined! ... Emily Gale's face was ruined, and the engagement banquet three days later, I don't know if it can be held as scheduled! "You damn thing!" With a snap, Kylena Gale was beaten to the ground, half of her face suddenly swelled.

"Dad, it really doesn't matter to me, you have to believe me!" Kylena Gale cried so much that her face hurts and swelled, and her heart was even more wronged.

"I really didn't! Dad, I was wronged!" "The doctor said, there is an allergic and poisonous substance in the lotus seed soup, and you actually poisoned your

sister!" "I didn't...ah!" With a snap, Kylena Gale, who had just stood up, fell to the ground again, tears in pain.

After hearing the news, Siniya Ye was so distressed that she hurriedly helped Kylena Gale up and stared at McGraw Gale! "She is your daughter, how can you make such a heavy hand!" "Why don't you look at what your daughter did! She ruined Jenni's face! How can I tell Young Master Jackson now!" "Emily Gale was originally an ugly monster. If we ruin it, we will ruin it. Jia Kylena was engaged to Young Master Jackson instead of that ugly bastard. Young Master Jackson must like it better, you..."

Snap! This time, the slap is harder and the sound is louder! McGraw Gale was furious: "This is your plan, isn't it? You poisoned Jenni for this?"

Chapter 17

so ugly! McGraw Gale really missed him, thinking that his second daughter was gentle and kind, but he did not expect that she was such a vicious woman! "It's all you, the goddess is not good. You used these methods to force Qing'er away. Now you teach your daughter to make her act like you!" He pointed to Siniya Ye, his fingers trembling with anger.

"I didn't..."

Siniya Ye was slapped, and she was taken aback. Kylena Gale was also dumbfounded.

At this age, her father hit her for the first time, and it was the first time her mother hit her! But...

"I was really wronged, Dad, it must be Emily Gale.

She poisoned herself and framed us!" "You mean, Jenni didn't even want her own face to frame you?" Which woman The child doesn't care about his face! She could even speak such words! This daughter's thoughts are more

terrifying than he thought! "It's you instead. Would you like to frame others with your own face?" "I...I don't know..."

Kylena Gale was crying without tears, "But I was really wronged."

"McGraw, we What kind of person your daughter is, you know..."

"That's why I suspected that you taught her badly!" McGraw Gale pushed the entangled woman away. Siniya Ye knew that today he couldn't believe that they were both mother and daughter.

Although I don't know what happened, at this time, we must first save her daughter! "McGraw, I know I was wrong!" Siniya Ye knelt down suddenly, tears slipping down: "It's all my fault, everything has nothing to do with Kylena, she doesn't know anything at all."

"What did you say?" McGraw Gale was startled. , Staring at her. Kylena Gale also stared at Siniya Ye, with a stunned expression: "Mom, you said...you did it?" Siniya Ye glanced at Kylena Gale, then looked at McGraw Gale again, and nodded: "It's me... it's me. Kylena doesn't know!" "It's because I don't want Emily Gale's dead girl to marry Joseph, it's because I want to make a mistake for my daughter. McGraw, Kylena is a good girl, she doesn't know anything.

"

Although Emily Gale's face was ruined, he seemed to be in a good mood today.

After getting better, he went for a walk in the yard by himself. When Daniel Jackson came over, she was standing in front of the flowers, not knowing what leaves she was tossing. With a slender back and perfect profile, she...isn't she the maid I saw last night? Daniel Jackson's eyes lit up, and he walked quickly over: "You are here! I have been looking for you for a long time!" After returning last night, the information of all the maids in the Gale family was investigated, but nothing was found. people! Unexpectedly, coming over

today, I happened to see it! Just looking at her perfect back, Daniel Jackson was so excited as to knock on medicine: "Little girl, do you remember me? I am..."

He swallowed all the words suddenly. Staring at the red-spotted face in front of him, Daniel Jackson suddenly became nauseous after a daze. How could this be? How could it be so ugly? This is not his goddess at all? Could it be that it rained heavily last night and did not see clearly? Emily Gale glanced at the man in front of her, and the disgust in his eyes didn't make her feel offended, but it was boring.

She turned her head and continued to study the two leaves in her hand. Not far away, a sad call came: "Daniel."

Daniel Jackson looked sideways, and Kylena Gale was standing in the sunshine.

The light purple dress swayed in the wind, a long hair was as smooth as silk, and the face was delicate and fragile. I felt sorry for it. Looking at the girl in front of me, this girl suddenly became a devil! As if frightened by the ugliness of the other party, Daniel Jackson immediately backed up two steps before walking towards Kylena Gale.

"Kylena, you...what's wrong with you? Why are you crying?" In

Chapter 18

I caught her back and tied her hands.

Red seal.

But beauty is beauty, even if there is a red mark on her face, she still looks so good.

The first lady in Beiling is not a vain name, Kylena Gale is indeed very beautiful.

"Daniel, mother she... she was sent away by her father."

Kylena Gale cried with tears, which made Daniel Jackson distressed.

The goddess is gone, and now Kylena Gale has become his favorite again. My own woman has been wronged, how can I bear it? "What's the matter? Why did Mr. Gale send your mother away?" "It's all her!" Kylena Gale pointed at Emily Gale in the distance, and said in a dumb voice: "She doesn't know what she ate wrong, she blames it. My body."

"Mom came out to commit the crime in order to protect me. In fact, my mother is innocent."

Kylena Gale fell into Daniel Jackson's arms and sobbed: "Mom is only for me. We are all hurt by her. Daniel Jackson looked at Emily Gale again and finally recognized Emily Gale. Isn't this the ugliest third lady in the Gale family? Unexpectedly, she was ugly, her heart was so vicious! "Go, I'll be fair to you!" Daniel Jackson took Kylena Gale and walked towards Emily Gale.

There was a fierce flash in Kylena Gale's eyes, and she followed him in small steps.

"Daniel, forget it, she will be engaged to your brother soon. Let's not have any trouble at this point. I'm afraid you won't be able to explain it to your brother."

"It's all this time, how can you just know Think for others?" Daniel Jackson felt pity in his heart. His Kylena is good in everything, beautiful, and kind. He is a ghost who is obsessed with it, so he was fascinated by the girl in the rain last night. How could he be so sorry for Kylena? "Emily Gale, you bad woman!" He rushed to Emily Gale, grabbed her hand, and pulled her over.

"I want you to explain to Mr. Gale now that you ate the wrong thing yourself and blamed Kylena mother and daughter!" "Why?" Emily Gale pulled her hand back with force, "You believe what Gale Kylena said "Kylena never lied!" Daniel Jackson glared at her, and said angrily: "Are you going?" "No."

The men in the Jackson family are all savage, but they have different savage ways. This second young master of the Jackson family is of irritable and impulsive type.

She turned around and was about to leave, but the back of her head suddenly became numb, and her long hair was caught by Daniel Jackson.

"You let go!" Emily Gale didn't expect that in broad daylight, he would dare to do it! "I want you to explain to Mr. Gale."

Daniel Jackson dragged her hair to leave. He is the second young master of the Jackson family. In this Gale family, even McGraw Gale doesn't care about it.

As for Emily Gale, in his eyes, he is not as good as an ant, even if he is killed, he doesn't care! "Let go! Daniel Jackson, you are crazy, let go!" Emily Gale struggled desperately, but he didn't expect Daniel Jackson to slap her backhand with a slap on her face! "You have caused Kylenea to be beaten, this is the return!" Emily Gale was pulled by his hair, and Daniel Jackson was a big man of eighty meters or so. Kong Wu was powerful, and she was a little girl who could not resist. Seeing him raise his hand for the second time, and the slap was about to fall again, Emily Gale bit his lip and suddenly slapped it out. With a bang, Daniel Jackson was beaten up and let go, Emily Gale immediately pulled back his long hair from under his palm and escaped. No one in this family dared to touch Daniel Jackson, even his father.

She does not run away, staying is a dead end! Murderous aura in Daniel Jackson's eyes rose up! He has been the noble and inviolable second young master of the Jackson family since he was born. He has lived for more than 20 years, and no one has ever dared to touch him! Let alone being slapped in the face! So he did not expect that Emily Gale would dare to beat him! Emily Gale, you are dead! Looking at the two bodyguards coming from the parking garage, he angrily said: "Catch her back, this young master will chop off her hands!"

Chapter 19

He is more terrible than the devil Emily Gale can't escape. , Was soon caught back by two bodyguards.

After hearing the news, McGraw Gale hurried to see Emily Gale with two bodyguards. He said anxiously: "Second Young Master Jackson, what's the matter?" "Emily Gale bullied Kylena, Mr. Gale, you have to protect this dead girl. Is it?" Daniel Jackson asked angrily. McGraw Gale panicked and quickly explained: "It's Kylena's mother's fault, Jackson Eryo, this matter has nothing to do with Anran."

The strength of the Gale family and the Jackson family is not on the same level. How dare McGraw Gale offend Daniel Jackson ? He had heard that he was pursuing Kylena before, and he didn't know whether it was true or false, but it seemed that Kylena seemed to want to be with Madam Jackson more, so he didn't take it seriously. But now, Young Master Jackson is going to stand up for Kylena, are these two people really together? "Second Young Master, it's just a misunderstanding. You let Jenni go first."

"But I heard Kylena said that it was Emily Gale who ate the wrong food and blamed them on their mother and daughter!" How could Daniel Jackson say that she spoiled her own woman? Put it on? The most important thing is that Emily Gale slapped him just now. Today, he didn't strip her clothes in front of everyone and completely ruined her. How did he come out? "Such a vicious woman, I want to see how dark her heart is!" Daniel Jackson waved his hand, "You guys, take her clothes off!" "What?" McGraw Gale was so scared.

Almost fainted, "Second Young Master Jackson, you can't..."

Jenni is a girl, how can you?" Emily Gale didn't expect that Daniel Jackson would be so difficult! This man is too dark! Only Kylena Gale still looked fragile on her face, but a light of surprise flashed through her eyes. I didn't expect Jackson Er Shao to be able to play this way. I knew it earlier and released this pawn! He is the Second Young Master Jackson! In Gale's family, who dares to

move him? Daniel Jackson's anger is still being beaten, where can he hear others' words? "Don't do it yet?" The two bodyguards were about to tear Emily Gale's clothes immediately. Emily Gale struggled desperately, but his neckline was still torn apart with a hiss! "Second Young Master Jackson, no! Stop, let them stop!" McGraw Gale wanted to rush over, but was stopped by Kylena Gale. Kylena Gale said loudly, "Dad, he is the second young master of the Jackson family.

Are you sure you want to offend the second young master Jackson for Emily Gale?" If you offend the second young master Jackson, can you still live in Beiling? These words not only reminded McGraw Gale, but also all the bodyguards and servants of the Gale family.

At this time, whoever dares to come and stop is the enemy of Jackson Er Young Master! In the future, they will never survive in Beiling! No one from the Gale family dared to come over, McGraw Gale hesitated for a while, and then let out another hiss, and Emily Gale's other collar was also torn off.

The shoulders are exposed, and there are still many red spots on the head, which is extremely ugly! "It's disgusting, all the clothes are stripped off!" Daniel Jackson snorted coldly. Emily Gale struggled with all her strength, still unable to escape the confinement of the two bodyguards.

She angrily said: "I am your future sister-in-law, do you dare to do this to me! Let go!" These words caused the two bodyguards to panic and never again. Dare to do it. If the young master wants this woman, do you want your hands? The woman who touched him, the young master would cut them off! "You mean, the second young master is not as good as the eldest young master in Jackson's family? Even a woman who has not yet entered the door should be afraid?" Kylena Gale's voice was soft, but Daniel Jackson's eyes were suddenly flushed. . He hates how others compare him to his elder brother! Because since childhood, everyone believed that he could not compare to Hunter Jackson! "b*tch girl! Dare to threaten this young master!" Daniel Jackson walked over, slapped down.

"They dare not move you, I'll come! I don't believe it. When I strip you naked and leave you here, Hunter Jackson will still want you!"

Chapter 20

Emily Gale was beaten so dizzy that even his vision became blurred. In a daze, it seemed that McGraw Gale looked at him, but did nothing. Her father was afraid of the second young master of the Jackson family and even ignored his own daughter. Kylena Gale looked at her with a smile. This b*tch, if Daniel Jackson is stripped naked today, Young Master Jackson will definitely not want her. In the future, she will kill her casually, it is no different from trampling on a cockroach! Daniel Jackson grabbed Emily Gale by the collar, this dead girl now has no power to fight back! He smiled coldly: "Dare to beat me? I will let you see now, what will happen if I dare to offend me!" He grabbed her by the collar with both hands, and then pulled her clothes down. Emily Gale bit her lip and stared coldly at the man standing in front of her. When he lowered her head to tear her clothes to pieces, she suddenly tried her best and slammed her head over.

"Ah..."

Daniel Jackson screamed, and took a few steps back.

There was a sharp pain in his forehead, he raised his hand and wiped it, but he wiped out the blood from his hand. This b*tch! It's already reached this point, and even dared to break his head! No one expected that seeing Emily Gale, who was unable to fight back, could actually hurt Daniel Jackson at the last moment. What a courage, what a stubborn heart! Just a little girl, seemingly weak, but this heart is really too strong! Even the two bodyguards around him could not help but shiver. This girl is stronger than a big man! However, Emily Gale's situation was no better than Daniel Jackson's. Her forehead was also smashed and she was hit with blood.

"b*tch!" Daniel Jackson shouted in a dumb voice: "Take off her clothes and post her video on the Internet, immediately! Whoever doesn't do it, I cut

someone!" "Second Young Master calm down, Second Young Master calm down! "McGraw Gale was as anxious as an ant on a hot pot, but he dared not step forward to stop him.

"Second Young Master, Jenni is a girl, you are like this... you will ruin her life like this!" "Dad, she treats Daniel like this, is she really wanting Daniel to be wronged?" Kylenea Gale didn't know in her heart. How excited.

She even took the initiative to take out her mobile phone, and after the two bodyguards stripped Emily Gale naked, she immediately took pictures. Emily Gale had run out of strength, and slammed into Daniel Jackson, consuming all her strength. Now, the hands of the two bodyguards were on her clothes, and she didn't even have room to struggle. I didn't expect to be reborn, but I still couldn't escape the scourge of Daniel Jackson and Emily Gale...

The two bodyguards looked at each other, and finally gritted their teeth, they were about to tear off Emily Gale's clothes. Emily Gale closed her eyes and waited for the humiliation to come.

There was blood on her forehead, but there was no tear. Crying is a sign of weakness, not worth it! Daniel Jackson stared at her fiercely. This dead girl was really stubborn.

At this time, she didn't know to ask for mercy. However, even if she begged for mercy, today, he would never let her go! The two bodyguards tugged hard...

"Ah!" "Ouch!" Two screams suddenly sounded as the figure flickered. When everyone saw it clearly, they saw that the two bodyguards didn't know when they fell to the ground with a punch, wailing again and again.

A thin coat fell on Emily Gale's body, wrapping her messy body.

There was a man standing beside her, a man with Xiao Sha Leng Jue breath all over his body! He dropped an arm on Emily Gale, as if proclaiming

sovereignty, holding the limp girl in his arms. overbearing! Ruthless! The cold eyes are like hell, cold, terrible, cold, bloodthirsty! He is as cold as Shura! Standing in all the horrified sights.

The thin lips moved slightly, and the usual indifferent words were full of suffocating murderous aura: "Who dares to move my woman?"
