

## Love Through Time and Space

### Chapter 342

Isn't it necessary for her?

Kylena Gale is so happy to have an explosion tonight.

That "sir" has a way, in front of Gale's family, he can do it without flaws!

Although until now, she doesn't know who is the "sir" who controls everything behind her back.

But as long as he can help her get Gale's family, no matter who he is, he is already her great benefactor!

Now, she is Miss Sun of Gale's family!

All night tonight, Kylena Gale has been waiting in the lobby of Wangjiang Pavilion.

She can't tell Hunter Jackson about this news yet, but she will leave Beiling soon and go to Lingzhou.

Before that, she must have "further" contact with Joseph.

Otherwise, she always feels very upset after leaving for a while.

Because Emily Gale, a b\*tch, dare to appear in front of Young Master Jackson.

In the early hours of the morning, Hunter Jackson came back with a cold breath.

When the car stopped outside the hall, Kylena Gale, who was well-dressed, almost fell asleep on the sofa.

Hearing the sound of the engine, she immediately got up and walked out quickly.

Hunter Jackson, who got out of the car, stood aloof, cold and distant.

It's harder to get close than before, but more deadly and seductive than before.

Standing at the door, Kylena Gale was stunned again.

It wasn't until Hunter Jackson came to her that she suddenly awoke and greeted her: "Joseph, are you back?" "Yeah."

Hunter Jackson faintly replied, and his eyes swept over her. No longer stay.

Kylena Gale was a little discouraged. To wait for him tonight, she specially wore a big V-neck dress.

In this early winter season, people almost froze as soon as they stood at the door.

But for him, if she doesn't wear it, she is willing.

But he still didn't care much about her.

After Hunter Jackson entered the door, Kylena Gale accompanied him all the way upstairs.

"Joseph, I am going to Lingzhou tomorrow."

Kylena Gale walked behind Hunter Jackson. This time, she finally mustered up the courage and followed him through the door.

Hunter Jackson frowned slightly invisibly. He didn't like his private space and was broken into by others.

"Yeah."

He nodded again, as if he didn't care about her going to Lingzhou.

Kylena Gale was aggrieved for a while, but in front of Young Master Jackson, grievances were never useful.

"I may be going for a long time..."

"Let Aspen Li book you a plane ticket."

Hunter Jackson tugged at the collar.

Back in the room, I would habitually unbutton my shirt.

But realizing that there were other people in the room, especially women, his unbuttoning action stopped immediately.

Hunter Jackson's words caused Kylena Gale's blood to get stuck in her throat and almost poured out.

What she wanted to hear was Young Master Jackson's retention.

If Young Master Jackson keeps herself, she can tell her family

, Will pass in a few days.

Although the meaning of "sir" is to let her pass as soon as possible and gain a foothold in Gale's house.

But she was really reluctant to Hunter Jackson, but Young Master Jackson asked Aspen Li to book her tickets!

"Is there anything else?" Hunter Jackson found that the woman didn't mean to leave, he looked back at her and frowned.

"Joseph, I'm a little... don't want to go."

Kylena Gale muttered and looked at him with eyesight.

But Hunter Jackson was a little impatient, "Then don't go."

"..."

She almost fainted from anger, "Joseph, don't you ask me why I went to Beiling?" "You are a man.

Adult."

It means that it is her own business whether or not to go.

Hunter Jackson walked to the desk and hung up a call to Aspen Li: "Book a plane ticket for Miss Gale and go to Lingzhou tomorrow."

His eyes fell on his fingers, and he inadvertently remembered his fingers tonight. I've touched Emily Gale's body.

The tall body is slightly tight, damn it!

As long as the thought of that girl lying under her, being bullied to the point of crying, her blood would be impulsive!

I thought that as long as I played it a few times, I would get bored soon, but I didn't want to.

Like poisoned!

He was obviously absent, a flashing god, Kylena Gale had already walked to his side.

Now that tonight has come, she will not allow herself to continue to shrink back.

It's been several days!

He disappeared for almost a month, and for the past few days after coming back, he has spent every day trying to get his attention.

However, Young Master Jackson's attention was never by her side.

Kylena Gale was very upset, and continued this way, even if Emily Gale left, she didn't know if other women would appear next to him.

She must let Hunter Jackson fall in love with her body first.

"Joseph, as long as you say, let me stay, I won't go."

She approached Hunter Jackson silently, a bold one, pulled up his sleeves, took his hand, and approached her body.

"Joseph, I like you for so long, you know it, don't you?" The man did not speak, his eyes fell on her open neckline, thinking about the white and delicate body of another girl.

His breathing is a little messy!

Kylena Gale was pleasantly surprised to find that his breath was different because of her approach!

This is clearly a man's emotional performance!

It turned out that Young Master Jackson didn't really care about her, but he was just too restrained and never exposed.

Now, she finally saw clearly that Young Master Jackson was interesting to her.

“Joseph...”

Her heart was beating like a drum, and she pulled Hunter Jackson’s sleeve, and she was about to put his hand on her proud body.

As long as he touched herself, Kylena Gale was 100% confident that he would definitely fall in love with her body.

male

Human fingertips are no more than a finger distance away from her body!

Kylena Gale was very nervous, so nervous that she could hardly breathe.

But she didn’t dare to be too presumptuous, and she was afraid that she would be too presumptuous and would disgust him.

Therefore, she shook her long hair cautiously, facing him from the most beautiful angle.

Finally when his hand was about to touch her body, Kylena Gale closed her eyes and waited for his next move.

Tonight, she is going to be Joseph’s person!

As long as this step is taken, in the future, in Hunter Jackson’s heart, there will be nothing to Emily Gale!

But Hunter Jackson stared at her open neckline, his eyes gradually cooling down.

Kylena Gale still pulled his sleeve, pulling his hand towards herself.

Hunter Jackson was actually hesitating too, could he try other women?

Why can't you give up that girl's body?

After so many times, every time I think about it, there is still an impulse?

Is he really obligatory to her, or is it just because he hasn't wanted other women?

If I ask another woman, can I dilute the urge to Emily Gale?

Hunter Jackson hated the feeling of being led by others the most, but Emily Gale had been controlling his emotions and desires.

That woman is not worth it!

He pursed his lips and stared at Kylena Gale's body with cold eyes.

Fingertips gradually approached her.

These fingers, tonight, have touched all parts of Emily Gale's body...

## Chapter 343

Is it revenge or enjoyment?

The room is very quiet.

As if only the sound of Kylena Gale's heartbeat was left, he was jumping!

She was waiting, waiting excitedly, waiting for herself to be favored by Hunter Jackson!

She even kept increasing her strength, trying to put Hunter Jackson's hand on her body.

But why did it stop?

Why can't I pull it?

Kylena Gale opened her eyes slightly and looked at him with a little doubt:  
"Joseph..."

His hand stopped on her body, she was so close before she touched her!

But I just can't pull it!

He is refusing!

why?

Joseph's face was expressionless, and he put his hand back.

Kylena Gale's fingertips could only touch the air.

She stared at him in a daze, her eyes filled with tears suddenly, pitiful.

"Joseph, you promised grandma, in the future..."

"What do you want?" Hunter Jackson turned and walked to the wine shelf, taking down a bottle of red wine for himself, "If you need it, go to Aspen Li."

Just because he agreed. However, within the scope of ability and principle, he never stinged to give her whatever she wanted.

Kylena Gale has actually enjoyed a very beautiful life by his side during this period of time.

But what she always wanted most was what he didn't want to give, his people and his heart.

"Joseph..."

"It's late, please go back."

Hunter Jackson's tone was light, but there was no doubt.

He took his robe and walked into the bathroom.

Seeing that the bathroom door was closed mercilessly by him, Kylena Gale bit her lip and felt aggrieved.

Just now, he could clearly feel his breath changed, and he didn't feel it without her.

But why, he just doesn't want her?

Is it because the two are not engaged yet, and he doesn't want to bully her?

But he never talked about the engagement, so when he waited, when would he have to wait?

Outside, Aspen Li happened to come and knock on the door.

Kylena Gale walked over and opened the door.

Seeing that Kylena Gale was still in Hunter Jackson's room at so late, Aspen Li was slightly taken aback, and then said: "Miss Gale, the ticket has been booked."

There was no young master in the room, and there was a crash in the bathroom.

The sound of water, it is obvious that the young master is taking a bath.

This woman, who doesn't sleep in the middle of the night, wants to hook the young master!

It's really endless!

Aspen Li's face was stern, and he said solemnly: "Miss Gale, it's so late.

The eldest master needs a rest. Please also ask your own room. Don't interfere with the eldest master!" He stood at the door of the room and stared at her.

She will not leave, and he will not leave.

Kylena Gale really wanted to slap him to pieces!

This Aspen Li is really sick!

Emily Gale has been away for so long, but he is still on Emily Gale's side. Is he crazy?

He thought Emily Gale still had a chance to come back!

No,

Not at all!

He is not yet willing to accept reality!

"This room will become my place sooner or later!" Kylena Gale snorted coldly and walked out of Hunter Jackson's room.

The chin is raised high, his head held high, and he is as proud as a peacock.

Aspen Li was not angry at all, even his thin lips twitched, smiling at her back.

"Since Miss Gale likes the young master's room so much, let me mention it to the young master and ask him to give you the room."

"You..."

Kylena Gale suddenly turned her head and stared at him.

With that smile on her face, she wanted to tear it apart!

But now, it is not the time!

This bastard is by Hunter Jackson's side, and his position is too important. Even if she uses small tricks to frame him, Young Master Jackson has no doubts about him.

But how could she allow such a person to stay by Hunter Jackson's side, against herself?

She squinted her eyes and glared at Aspen Li.

One day, she will let him, like his loyal Emily Gale, disappear completely by the side of Young Master Jackson!

Wait and see!

Aspen Li actually didn't want to fight her, after all, this was a very boring thing.

However, she dressed so revealing all night, and wanted to stay in the young master's room and do some ugly activities, he would not please his eyes!

This kind of scheming b\*tch, if the young master is really with her, he Aspen Li will be the first to refuse!

Vicious mind, hypocrisy and evil!

If it wasn't for the young master who had promised the late old lady to take care of her for a lifetime, she thought she really had a chance to stay with the young master on her own?

It's simply overdone!

Seeing Kylene Gale returning to her room and closing the door, Aspen Li looked back.

Looking into the room, the young master still did not come out in the bathroom.

Aspen Li talked briefly, feeling a bit melancholy.

The eldest master had really had a hard time during this period.

And recently... I don't know if it's good or bad if I continue this way.

But he couldn't stop it, and he didn't know whether to stop it.

At least, there is an intersection, right?

Although, such an intersection is too cruel and too...horrible!

In the end, Aspen Li closed the door of Hunter Jackson's room and left silently.

When Hunter Jackson came out, the room finally calmed down.

It was almost three in the morning.

Lying on the bed, but not sleepy at all.

It was Emily Gale's tears that kept lingering in his mind over and over again.

The fragile body was constantly trembling under his pressure.

He was clearly scared to death, but still biting his lips tightly, trying to pretend to be calm.

But in the end, he will finally be bullied to tears.

Hunter Jackson closed his eyes and couldn't tell whether he was retaliating or enjoying himself.

However, his poor child has no chance to come to this world again...

... When he opened his eyes again, there was no more nostalgia in Young Master Jackson's eyes.

Yes, it's just the bloodthirsty wildness like a wolf, and the deep hatred... When Emily Gale woke up again, it was already three poles in the next day.

Sunlight poured in from outside the window, shining on a crystal vase not far away, and the reflected light made her eyes hurt a little.

She frowned and slowly opened her eyes.

There seemed to be someone beside her.

The warm feeling and delicate touch made her sober up suddenly.

Looking up, Jiang Er Shao's flawless Jun Yan instantly came into view.

This was the first time Emily Gale woke up in a bed with him.

At such a close distance, I accidentally saw the shadow covered by his long eyelashes.

At that moment, my heart still couldn't help but rippling slightly.

What made her blush even more was that his shirt was unbuttoned without knowing when, the neckline was wide open, and his s\*xxy chest appeared unreservedly in her sight.

After a sleep, the sadness of last night was suppressed.

She saw the half-fruits of the beautiful boy early in the morning and almost didn't get her soul away.

Emily Gale took a slight breath, and was about to find a way to get out of his arms.

No, the handsome guy who was still asleep suddenly closed his arms and pulled her back without warning.

He turned over and pressed on her body, his breath was instantly messed up: "Early morning, hook me?"

## Chapter 344

Just lost control and lured him?

Emily Gale was dumbfounded, and hurriedly shook his head: "No, no..."

Jiang Nan squinted his eyes: "You stared at my body and looked straight. You said no?" "Really no, don't slander people."

"Emily Gale was not used to the current posture of the two people, and gave him a light push.

"You get up first."

Actually pressed on her body!

Although they are all wearing clothes, the posture is too awkward!

"Why do you want to get up?" Jiang Nan not only did not get up, but even pressed her on her body.

"Don't!" Emily Gale was startled, a small face flew into two blushes.

The body is about to stick together, even if he is separated from the cloth, he can clearly feel every line and every outline on his body.

And... how did the buttons on his coat be unbuttoned like this?

Now get down, his chest is completely exposed.

It usually looks gentle and elegant, but I didn't expect that the muscle lines on his chest were so tight.

Tangled and staggered!

So s\*xy!

When Emily Gale saw it accidentally, she was so frightened that she couldn't even breathe hard.

"Don't... go down..."

He wanted to push him, but his clothes were opened. This push would definitely touch his hot body.

It's hot... that's right!

This guy's body temperature is rising rapidly!

Jiang Nan actually just wanted to make a joke with her and tease her.

But even I did not expect that after pressing on her, there was a short blank in the brain.

The blank came over, it turned white-hot, and his blood surged, making him like drinking ten bottles of red wine!

"Jiangnan..."

"Don't mess around."

Early in the morning, he had never tried to press a girl in such an easy time.

Now, I want to go down, but his body clearly does not listen to the command of his head, and even his hands have to betray his consciousness.

His big palm rested on Emily Gale's shoulder and rubbed it gently.

The girl underneath suddenly became tense and stiffened, not daring to move.

"Go down... Don't..."

She was a little incoherent.

Being with him for so long, this is the second time that he found his body impulsive towards him.

Emily Gale blushed and sweated from his forehead with nervousness.

Jiang Nan's voice was low and hoarse, his eyebrows were frowned, and big beads of sweat slipped off Jun's face.

"After all... Do you want me to go down, or don't go down?" "Don't be kidding..."

She thought her voice must be very cold and calm, and she only knew it when she exited, and she seemed to be asking for an appointment.

Jiang Nan couldn't bear it, the throbbing blood rushed upward!

As soon as he loosened his hands, the heavy body pressed closer to her.

"You..."

"I kind of... can't control myself."

He lowered his head and buried his head on her neck.

There was only less than half a knuckle between the thin lips and her neck.

Just go forward and you can k\*ss

To her...

The unique fragrance on the girl's body made him even blurred his vision.

The big palm that held her shoulders also seemed unable to bear loneliness, moved to her neckline, and gently pulled her collar apart.

The snow-white complexion irritated him to scarlet!

No amount of deep breathing, it is impossible to return the blood pressure that rushed up!

Finally, after the war between heaven and man, Jiang Nan was breathing confused, his arms tightened for a while, and he hugged the slender girl tightly.

He bowed his head and k\*ssed hard.

That beast-like aura made Emily Gale who was slightly fascinated sober up instantly.

It was this kind of breath again, a wild breath that wanted to swallow her!

A scene that made her desperate suddenly flashed in her mind.

The man pressed her on her body, ignoring her crying for mercy, plundering frantically...

"No!" Emily Gale's red face instantly turned pale.

She turned her face away, Jiang Nan's k\*ss was too late to lock her lips, and fell on her neck along the way.

"No! Don't do this!" The scenes last night hooked up all her fears of men.

She slapped him on the chest frantically, pushed hard, and even bit his arm in one bite.

do not do that!

Don't do this to her!

No!

The man in confusion only felt a tingling in his arm. He looked up from her neck and saw the girl biting his arm. Two lines of horrified tears slipped and she was trembling.

His heart tensed, and finally he was completely awake.

"Of course..."

"Mmm, mum..."

Emily Gale's vision was blurred, and his eyes were full of tears.

Biting his arm and struggling hard, those frightened little hands kept beating on him.

She is afraid!

She was so afraid that she lost her mind!

I was so scared that I forgot who the person around me was!

All the consciousness is in that terrible man.

He tied her, pressed her, and madly bullied her...

"Well..."

"It's me! It's me! Don't be afraid!" Jiang Nan got off her and picked her up.

The arm was still bitten by her, and the scarlet blood slid down her lips, and the smell of blood gradually became rich.

He didn't feel the pain in his arm, but his heart was painful because of her panic and despair.

She must be thinking of her being bullied by Hunter Jackson. Was she even more desperate and panicked than she is now?

"Of course, it's me, wake up, it's me, I'm Jiangnan!" He hugged her hard in his arms and coaxed softly: "Don't be afraid, it's me, I won't hurt you, never will, don't I'm afraid."

Emily Gale's confused eyes gradually found a little luster.

He clenched the teeth of Jiangnan's arm and slowly loosened it.

She raised her head and glanced at him, and in the blurred vision, the gentle face became clear bit by bit.

"Jiangnan..."

"It's me, don't be afraid."

"Jiang Nan feels sour. I didn't expect that she lost control for a while and scared her like this.

After one night, she finally pretended to forget those things. In the end, the person who reminded her was herself! "I'm sorry..."

I'm sorry. What am I sorry about her? Emily Gale was still a little confused. Just now, she was clearly still in the car, and she was still caught by Hunter Jackson... When she thought of that man, her slender body still couldn't help shaking. But she had already seen clearly.

She is not in some car now, but, in Jiangnan's apartment, on the bed. What smell? Raised her hand and wiped a hand on her lips. Unexpectedly, it was blood stains on the back of her hand! She was shocked! , I finally remembered something, looked down, I was completely frightened! "Your hand..."

God! Did she bite off the tooth marks on his arm? He bit so badly! The bite made him blood flow.

"It's okay.

"As long as she calms down, Jiang Nan doesn't care about anything, a little injury is nothing."

"Don't move!

"Emily Gale prevented him from retracting his arm.

She got off the bed, took the medicine box, and sat back next to him.

She took out the medicine and gauze, and treated him the wound. If she bites like this, she has to go to the hospital for an injection.

She actually hurt him like this with a bite! She was too much! "I'm sorry..."

"I am the one who should say sorry.

When she bandaged the wound, Jiang Nan held her hand and rolled her lips and smiled softly.

"Don't be angry with me, I just didn't control it for a while."

## Chapter 345

The longer the time, the more upset he will take his faults on himself, but in fact, what is wrong with him?

When you are in love with me, isn't this kind of thing a matter of course?

Jiangnan is not wrong, she is the one who is wrong.

"I...I'm going to school, I'm going to get up."

Emily Gale lowered his head, packed the medicine box, and turned and walked into the bathroom.

After washing, looking at the pale face in the mirror, she clenched her fists tightly.

Emily Gale, you can't continue to be so vulnerable!

This state not only hurts myself, but also suffers the people around me.

Hunter Jackson is just a demon, overcome him, defeat him!

stand up!

Can't continue to be depressed!

She patted her stiff face, tried to squeeze a small smile at herself in the mirror.

Days are always to be lived.

When she came out of the bathroom, Emily Gale had already put on a relaxed face: "Let's go, there will be class in the morning."

...

It is really rare for this beauty class to come back to class.

Seeing Emily Gale, the boys are eagerly rushing to see Emily Gale, like a bee seeing sugar.

"Look, how did everyone reject you when you were ugly, now? Banhua?" Su Xiaomi hummed, disdainful: "These superficial boys."

Emily Gale was noncommittal. Things, just get used to it.

When class was about to begin, He Lingzhi hurriedly came from outside.

"Of course, after class is over, go to Jiang University."

She gasped.

"What are you doing?" Emily Gale was packing up books and preparing materials for class.

He Lingzhi took a sigh of relief and said: "Jiang University is holding a bazaar.

There are so many high-quality and cheap things!" "Wow! Jiang Da's girls are rich daughters. Every year, there will be a lot of big names in the auction.

"When Su Xiaomi heard it, she immediately got excited: "I heard that many of them are completely brand new!" "Yes, it's all for the class's charity sale results. Many people directly took the money to buy new ones and got them back. Price bazaar."

They only entered their freshman year this year, and this was the first time they had the opportunity to see the legendary extraordinary bazaar after entering school.

He Lingzhi has been looking forward to this bazaar for a long time.

Anyway, the daughters of the family don't care about losing money at all, they just need results.

Everyone has a mine at home, what can I do if I lose some money?

What you buy is what you earn.

"But, isn't the charity fair only next week?" Su Xiaomi pulled her down.

Seeing the teacher coming in, Su Xiaomi said in a low voice: "I clearly heard that it is next week."

"The news that I just inquired about is that Jiang Da has come to a super rich and said he wants to donate to the laboratory building."

He Ling Chi also lowered her voice, not daring to let the teacher on the stage find them whispering.

"in order to

The super-rich, they temporarily decided to hold the bazaar today.

"Who is so good?"

" "who knows?

Anyway, Beiling has no shortage of rich people.

Seeing that Emily Gale was completely unmoved, Su Xiaomi gently tugged at the corner of her clothes: "Go together!"

"But I don't lack anything."

"For those big names, Emily Gale didn't have any pursuit. Su Xiaomi stared at her: "This is very hateful, don't you know?"

" "That was not what I meant.

"Emily Gale was a little helpless, "I just said, I don't lack big-name things..."

"This is even more hateful!"

He Lingzhi stared at her too. Excessive! Excessive! Emily Gale rubbed his eyebrows, "That's not what I meant..."

"Understood!

Su Xiaomi rolled her eyes, "You just don't like big names."

"But we like it!"

"There is a rich boyfriend like Jiang Er Shao. If you want it, of course you don't need anything. But they are in short supply! They are short in cheap big names! "Anyway, I will accompany us on a walk. Class is only ten o'clock, and there are still two hours before lunch.

"That's right, after working for so long, the nerves are tense, can't you relax?"

"Two people, one by one, pulled Emily Gale's clothes corner.

"Of course, let's go!"

Emily Gale was really upset by them. If the trouble goes on, there is no need to listen to this lesson.

"Okay, I will go with you.

She rubbed her temples, "Now, be quiet, I want to listen to class."

"He Lingzhi and Su Xiaomin smiled at each other, and immediately calmed down.

Actually, they don't want a big name so much. But, if you are in a bad mood, who can't tell? Go out for a walk and you may be able to feel better. People are bored, tired or not? ... Kylene Gale really doesn't understand why grandpa must come here to donate what laboratory building? This is a broken school, she is willing to come to school, it is an honor for the school! Now it seems that the school accepts It seemed to be a great favor to them.

"Didn't you say that you are going to return to Lingzhou today?"

"Kylene Gale took the old man's arm and muttered.

The most important thing is that this matter must be over as soon as possible. Hurry back to Lingzhou, hurry up and announce to the public that she is Miss Sun of the Gale family. Her net worth is It can rise immediately. Staying in this place is afraid that there will be more nights and dreams.

"The matter in Lingzhou has been resolved, and it will be okay to go back later. Grandpa doesn't have any thanks to your adoptive parents.

Father Gale patted the back of her hand with a smile on his face.

"Uncle Gale and Aunt Ye said that they will come to see me in Lingzhou at that time, so Grandpa can have a good chat with them then.

"Anyway, Kylene Gale just doesn't want them to stay in this place.

She can

They came back on their own, but grandpa and cousin had better go back to Lingzhou as soon as possible, and never come to Beiling again.

The longer they stayed in Beiling, the more disturbed she was.

"Grandpa, why don't we go back to Lingzhou now. I would also like to see all my family members."

She tugged at the old man's sleeves and looked at the gate of Jiangda University that was getting closer and closer in front of the car. What to think.

In short, I was a little disturbed.

However, the b\*tch was in Ningda University, and they came from Jiangda University.

Although the two universities are very close, they are not the same university after all.

For no reason, that slut shouldn't come over.

"Well, since my good granddaughter misses home so much, we will go back after we meet your adoptive parents for a meal."

Old man Gale still smiled and said, "Well, do you have a younger sister called Emily Gale?" "Grandpa! What do you... ask this?" Kylenea Gale's fingers tightened, and the smile on her face suddenly stiffened.

"Before Grandpa, I thought it was my granddaughter. I investigated her and fantasized it for a while."

"Grandpa..."

"Don't be angry with my good granddaughter. Grandpa now knows that I made a mistake, but Grandpa is also I really want to see it."

After all, it is the granddaughter I had imagined, although the DNA identification results now show that Kylena Gale is.

But after dreaming for so long, I still want to meet.

"She..."

She is a bit rebellious and doesn't look good. I'm afraid she... will make Grandpa angry."

Kylena Gale frowned. Why does that damn b\*tch always jump out and fight with herself?

The old man laughed and said: "Grandpa doesn't think it is so ugly, just a few more freckles, it's okay, the little girl is ignorant, and it's normal at this age to be a bit rebellious."

Sitting in front of Zyden Gale suddenly said: "Grandpa, Jiang It's big."

## Chapter 346

She must not be allowed to appear when Jiang Da arrives, even if Kylena Gale's heart refuses, she can't stop it.

She was a little helpless, so she could only let go of Father Gale and tidy up her clothes.

Then take out the mirror and put some makeup on yourself.

"Our Kylena is all pretty, there is no need to make these things."

Gale's family is a family of medicine refiners, and has been in the pharmaceutical business for generations.

Not only medicine, but also various skin care products.

For them, cosmetics, which can damage the skin, are naturally particularly disliked.

They don't like the makeup made with cosmetics, it's just a habit for so many years.

Kylena Gale pursed her mouth: "Grandpa, which girl does not wear makeup nowadays? It's just etiquette."

Grandpa Gale didn't say anything, nodded, still smiling.

Although I do not like cosmetics, I even feel uncomfortable when I smell cosmetics.

But if the baby granddaughter likes it, he can only accept it.

A group of people came out of the school and greeted them personally.

Originally Kylena Gale really didn't want to come here, but seeing the school greet her with such a big posture, and seeing so many people looking at her with envy, her vanity made her excited again.

Their car drove all the way in, and when she got out of the car, Kylena Gale was like a princess, noble and beautiful.

No one knows what status she is now, but it is obvious that among these people, the status is very high.

"What's going on? Did Kylena Gale become this old man's woman?" "Didn't she say that she was with Young Master Jackson? Why did you find another

one in a blink of an eye? Still an old man!" "Oh, you Have you ever seen Young Master Jackson publicly having a relationship with her? It has always been wishful thinking, and Young Master Jackson never responds."

"Yes, it may be that Young Master Jackson didn't want her so he followed an old man."

You see, she is as proud as a peacock.

She is proud of having followed an old man!" Kylena Gale has no idea what everyone is talking about, but she just likes the feeling of receiving attention.

No matter what they say, anyway, just envy and envy.

"What's going on today? There are so many people in the square?" the old butler couldn't help asking.

A school director smiled and said, "Today is the school's bazaar event day. If you are interested, Master Gale can also go and see."

"Oh? Your school has a lot of activities."

The old man loves the house and sees the students doing it.

Activities, will imagine that Kylena Gale also participated in it.

"Go, go and take a look."

Kylena Gale is not interested in such a bazaar.

With such a worth, she naturally looks down on the so-called big-name bags and clothes and cosmetics that the students brought out.

With her current position, thinking

What do you want?

Grandpa didn't know what he was thinking, and he was not interested in these things at all. Why come and see?

"Grandpa, the sun is a bit big today."

Kylena Gale couldn't help reminding.

There are too many people, the sun is big, and I wear a lot of clothes when I go out.

In such weather, people sweat easily.

There are cosmetics on her face.

Although they are all waterproof brands, if they are washed away, they are still ugly.

"It's okay, get more sun, and be healthy."

Where does the old man understand the thoughts of girls?

The old housekeeper, Uncle Ding, was also particularly interested in these gadgets in front of him. Seeing some old gadgets brought out by some boys, the two old men also picked them out.

Really, like an old naughty boy!

There is no demeanor of the wealthy family.

Kylena Gale was a bit disgusted, she said lightly: "Grandpa, I'll go there to rest for a while."

The sun is so big, she will even come out of her spots.

Also, it seems that the old man really wants to find her family for a meal, to say thank you or something.

She had to say hello to McGraw Gale and Siniya Ye first, and she should not let Emily Gale's b\*tch know about the meal.

Of course, Emily Gale will not be allowed to attend.

The old man and the old housekeeper looked all the way, Kylene Gale turned and walked to the rest area in the distance, and disappeared in a blink of an eye.

Anyway, it was her own school, and the elderly did not worry about what might go wrong.

When I saw a novel thing, I bought it without asking the price.

Zyden Gale has been following them all the time, and there is really no way to deal with these two old naughty boys.

I asked someone for two big bags, filled them all the way, and soon they were full.

"It's her!" Suddenly, the old man's eyes lit up and pointed at the girl not far in front.

"Old Ding, look, can you see if it's that little girl?" Uncle Ding raised his eyes and recognized the girl instantly.

"It's her!" Uncle Ding looked surprised, "Oh, that girl, sir, I didn't expect that she was also a student of this school."

Zyden Gale looked over and saw the girl immediately.

She was with two other girls and was bargaining with the female students who set up the stall.

Zyden Gale's eyes were stained with a smile, and he didn't need to think about what the two old guys were going to do.

Sure enough, in a blink of an eye, the two had passed.

Zyden Gale smiled to the school leaders behind him: "For donation matters, just talk to my assistant. Let the old man have a meeting here.

There is no need for everyone to accompany him."

The leaders naturally know what he meant, and it's not a good idea to follow others. it is good.

However, Master Gale was so interested in their charity fair, which was beyond everyone's expectations.

Several leaders nodded: "Then, we have prepared a meal at noon. Please also ask Master Gale and Master Gale to talk about it. We are waiting for you!" Gale Jing

Far from responding positively, just nodded.

After letting them go, he quickly followed them.

"Little girl, little girl! Do you remember me!" Old man Gale walked up to Emily Gale and took her hand: "Remember me?" Emily Gale blinked and was so pulled.

A little caught off guard.

However, this old man seemed to be kind, not annoying.

As for, remember him?

She was a little puzzled.

Uncle Ding immediately said: "Peanuts, peanuts!" After Emily Gale was taken aback, he suddenly remembered.

Browsing her eyebrows, she smiled: "Grandpa, it's you! How are you? Is there any physical discomfort now?" "No, my old fellow is so strong that the tiger can slap both ends in one breath."

Gale Seeing his ruddy face, Jenni knew it was all right.

But she really likes the character of this old man.

"It's okay."

Looking at Zyden Gale behind them, with the two big bags in his hand, Emily Gale smiled and asked, "Your children are also students in this school?" Is this the parent cheering?

"Yes! Our Kylena is also a student of Jiang University."

The old man looked proud.

Jiang University is the best school in Beiling.

Kylena?

Emily Gale was stunned.

The name...

"Ranran, who are you talking to?" Su Xiaomi waved to her not far away, "Come on, show me these two bags, which color is better!" etc. Without Emily Gale's

response, Su Xiaomi was anxious. When she was in a hurry, she would easily call out first and last name: "Emily Gale! Hurry up!"

## Chapter 347

You are not allowed to call Grandpa Emily Gale?

Is it the Emily Gale he knew?

"Your name is... Emily Gale?" Old man Gale looked surprised, and immediately took out the phone and called out the picture of Emily Gale that the assistant had retrieved for him.

However, although the girl in the photo is not ugly, she has freckles on her face, which is quite different from the beautiful girl in front of her.

Is it the same name?

"I'm Emily Gale, grandpa, do you know me?" Emily Gale followed his hand and looked down.

When I saw the photos on the phone screen, my mood became a little bit complicated: "You..."

How could this grandpa have her previous photos?

Father Gale looked at the photos and the girl in front of him, only to realize that the eyebrows really seemed to look more and more alike.

Zyden Gale had already seen it: "Miss Gale, your father's name is McGraw Gale, isn't it?" Emily Gale in the photo is indeed not good-looking, but Emily Gale in front of him is definitely one of a thousand beautiful women.

There is no trace of cosmetics on such a fair and delicate face, this is her true face.

Why are the pictures taken by the detective so ugly?

Could it be that she happened to take a photo of her attending a fancy dress party?

If it weren't because the photo didn't match the person, the last time I met, it wouldn't be unrecognizable.

"McGraw Gale is indeed my father."

Emily Gale looked at Zyden Gale, with a trace of defense in his eyes.

"Don't panic, we are not malicious, besides, look at these two guys..."

Zyden Gale looked at his grandpa and Uncle Ding, who has a personality similar to his grandpa, helplessly: "Do they look like bad guys?" Emily Gale was a little bit dumbfounded. How could a younger generation say this to the elderly?"

However, these two elderly people do not seem to be malicious in any way.

In the distance, Kylene Gale was walking quickly with a frosty expression: "Grandpa, why

What's going on?

I'm not feeling well, let's go back first!

She glared at Emily Gale, and immediately pulled Old Man Gale to leave. Old Man Gale said hurriedly, "Didn't I tell you before that I met a nice little girl after coming to Beiling?"

Unexpectedly, it turned out to be your sister!

The old man took Emily Gale, and Emily Gale subconsciously wanted to withdraw his hand, but he was grabbed by him.

"Oh!

Grandpa was like having two granddaughters at once, so happy!

"Grandpa? Granddaughter? Emily Gale looked at Gale Kylena, and then at the old man.

It was about Gale Kylena, and she subconsciously resisted: "Who are you...?"

She... called you grandpa?

"It has nothing to do with you!"

"Kylena Gale interrupted immediately. I don't know if it was too hot or because of something, her forehead was sweating.

"Grandpa, she has a bad temper. I'm afraid she will bump into you. Let's go back!"

"No, Kylena, of course she has a good temper. Grandpa likes it very much."

"But, I don't like it! Kylena Gale's face is black. How can this dead old man make no sense? But when Emily Gale looked at Kylena Gale's anxious appearance, she suddenly got excited.

She also pulled the old man Gale, grinning.

"My sister calls you grandpa, then, I also call you grandpa!

She smiled sweetly, unspeakably cute and cute: "Grandpa!"

"This grandfather sounded sweetly in the heart of Grandpa Gale. I had fantasized about Emily Gale for a long time before. Who knows if I made a mistake, it made him seem to have lost a granddaughter all of a sudden. Now, of course he is also called his grandfather, just like it's his granddaughter who is back again.

The old man didn't know how happy he was, and nodded repeatedly: "Of course, you are also granddaughter of grandfather. From now on, you and Kylena will be granddaughter of grandpa!

"Okay!"

"Although Emily Gale doesn't know why Kylena Gale wants to please him, but she doesn't hate this old man.

A bad woman like Kylena Gale must have a purpose in recognizing that she is a grandfather, and she doesn't know if she is trying to deceive them. What. In short, two more reminders are also necessary.

She can't look at the honest and kind old man, so she was deceived by Kylena Gale! "Grandpa, how can you recognize those messy people casually, when you Granddaughter?"

"Gale Kylena is not happy, she must not let Emily Gale call him grandfather. When Emily Gale calls her grandpa, she feels guilty. Grandpa Gale looked at her with a reproach on her face.

"Kylena, how come you say that, she is. Your sister, of course, is also a good granddaughter of grandpa.

"If it weren't for the Ranran family to raise his Kylena, now, he has no chance to see his granddaughter return to his side intact.

The Emily Gale family are all benefactors to him. Moreover, he is indeed very good. I like Ranran this little girl. Kylena Gale that

The phrase "a messy person" is a bit too much.

"Anyway...I just don't like others calling you grandpa!" Kylena Gale couldn't find a reason to refute, so she could only break the jar.

People who watched the excitement all thought that Kylena Gale had made a fuss.

Master Gale and Uncle Ding looked at each other, and Uncle Ding smiled and said, "Little Miss, Master, because he likes you too much..."

They all thought Kylena Gale was jealous.

Of course, it's hard to recognize your grandfather, and you don't want to hear other people call grandfather.

It's normal for a little girl to have this mentality.

However, no matter how Kylena Gale said, she was already eighteen or nine years old, and she was as tempestuous as a few years old girl.

It seems... the temperament is a bit difficult to match.

Emily Gale shrugged, it would be ashamed to be too lazy to pester this woman.

She looked at Grandpa Gale and smiled softly: "My sister is just a little...think carefully, grandpa, be careful."

The two sisters are at odds, and it's nothing new outside, and Emily Gale is not afraid of being laughed at. .

Kylena Gale immediately blushed and said angrily: "Emily Gale, what do you mean?" "I see people's hearts for a long time, what do you mean, don't need me to say."

Emily Gale looked at Zyden Gale without looking at the old man, but looked at Zyden Gale: "This gentleman, Please also take care of your parents, don't be fooled."

She still has something to do, so she won't mix things with Kylena Gale.

Just about to leave, Zyden Gale said, "Your sister is our Gale family's child, so she called me Grandpa Grandpa."

Emily Gale's reminder, Zyden Gale can naturally hear it.

He still has a good impression of the girl in front of him.

As for Kylena Gale, it's probably because she is not too young. He is so spoiled and coquettish outside, like a child, he is a bit...acceptable and incompetent.

"Your child in the family?" What do you mean?

They are also the people of the family?

Why doesn't she know that their family still has such relatives?

"You are..."

"We are from Lingzhou."

Zyden Gale said softly: "Lingzhou Gujia."

Lingzhou Gujia!

There are many people in Lingzhou with the surname Gale, but those who dare to call themselves the Gale family in Lingzhou, at present, there is only one family!

That pharmaceutical family!

Gale family!

Although their surnames are Gale, their Gale family and Lingzhou Gale family have no relations at all!

In his last life, Emily Gale learned a lot of refining techniques in order to please Mr. Jackson.

And the pharmaceutical family she admired most in her previous life was the Lingzhou Gale family.

They turned out to be members of the Gale family.

"You said..."

She glanced at Kylena Gale, and then at Zyden Gale, with a shocked expression: "Kylena Gale is from your family?"

## Chapter 348

She must not be allowed to succeed.

"Yes, Kylena is my granddaughter. Back then..."

"Grandpa!" Kylena Gale interrupted her words before Grandpa Gale said.

Kylena Gale took his arm and said anxiously: "Grandpa, I am very uncomfortable. I have to go back. I will go back soon."

"Kylena..."

"Grandpa, I...I'm going to throw up! Grandpa, take it soon."

I went to see a doctor, my stomach hurts!" Kylena Gale was sweating profusely!

Damn it, how could you bump into Emily Gale here and let Emily Gale know that she is the Gale family's granddaughter?

If this dead old man tells about Sang Qing, it will be even worse!

Although Emily Gale is not such a good fool, but now, it is only for a while.

"Grandpa, my stomach really hurts, I'm so uncomfortable, I'm going to see a doctor!" Is this a nausea or a stomachache?

However, seeing his granddaughter look so uncomfortable, how can Grandpa Gale think so much?

"Of course, I will take Kylena to the doctor first, and then I will find you to have a meal with your parents, you..."

"Grandpa!" Gale Kylena whispered!

"Okay, I'll take you to the doctor right away."

The old man was also anxious and personally helped Kylena Gale to walk out of the crowd.

As they walked, they didn't forget to command: "Hurry up, get the car over! Hurry up!" The few people walked away like this, Emily Gale squinted and looked at their distant figures.

Kylena Gale's stomachache or vomiting is too fake, she can see through it at a glance.

That is why Grandpa Gale is too kind to see clearly.

Or, too nervous about his "granddaughter"?

Granddaughter... how could this be?

"Of course, who were those just now? Why were they with Kylena Gale?" Su Xiaomi and He Lingzhi hadn't dared to come over just now, and they had been watching for a long time.

"Lingzhou, from the Gale family."

Emily Gale said lightly.

"Lingzhou...Gale's family? The same surname as you."

Su Xiaomi didn't react for a while.

"Responses?" He Lingzhi suddenly widened his eyes and looked shocked: "Lingzhou Gale's family, is that Gale's family? Business?" Emily Gale nodded, still looking at the figures outside the crowd.

After they got in the car, they no longer saw anyone.

A security guard from the school opened the way in front of the car. He drove out quickly and disappeared.

Kylena Gale is the granddaughter of the old man of the Gale family in Lingzhou...what is the Martian joke?

Isn't she the father's daughter?

"Why is Kylena Gale with them? It looks like a family?" He Lingzhi also felt weird.

Although Kylena Gale has always been at odds with each other, they are a family anyway.

If they are relatives, how come they don't seem to know them?

"I don't know this for now."

Zyden Gale just now

Emily Gale did not intend to tell them what he said.

The matter is a bit complicated, even if I say it now, I can't say it clearly.

The phone in the bag vibrated, and Emily Gale found a place with a slightly lower voice to pick it up: "Jiangnan?" "I'm at school, should I pick you back to the company or my apartment?" Jiangnan's deep magnetic voice passed. come.

"What are you doing in school?" Emily Gale was a little surprised.

At this point, he should be at work.

"You don't have class in the afternoon, don't you want to go back to the company or the apartment?" "I can go back by myself..."

"I don't worry, where? I'll come to you," he insisted.

Emily Gale felt a little warm, knowing what she was worried about.

However, in broad daylight, or in school, what's not to worry about?

"I'm in Jiangda, with Xiaomi Lingzhi and others."

"What are you going to do at Jiangda?" He seemed to be turning around, and Emily Gale heard the sound of the engine.

She said: "Jiang University has a bazaar.

It is said that there are many big names that will be sold at low prices.

They want to come and see what good products are available."

"My woman, need to buy good products in this place? You really know how Give me a long face."

"I..."

Emily Gale muttered, "That's you who have money, but not mine."

"It means to blame me for not marrying you immediately and half your net worth?" Jiang Nanqian Laugh, drove the car into the special road to Jiangda.

"Okay, I will take you to Lingzhou this weekend. Lingzhou can get married at the age of eighteen. We will get married directly, and my money will become yours. Spend it whatever you want."

"If I cheat the marriage, you won't have half your wealth."

No more?" The corners of Emily Gale's lips rose unconsciously, and a slight smile opened.

It's a bit sweet and warm.

It seems that as long as you are with him, your smile will always climb up your eyebrows inadvertently.

"I'm willing, you can lie to me."

Jiangnan's car drove directly to the door of Jiangda.

As soon as the security came to inquire, he immediately opened the school door and let him in.

"Your mouth is too good to talk, I won't tell you, you go to work, I have to accompany Xiaomi and Lingzhi to buy things."

"Anyway, I also buy things, and I will go with you."

Jiangnan stopped the car. Come down, look at the time: "I'm at the gate of Jiangmen, you come out, I have three hours to accompany you."

"No, you go back to work quickly, myself..."

"You say another word, I Just a few seconds less."

He was serious: "I made an appointment with a friend in the afternoon.

It is very important. You must go."

"Then yourself..."

"A few more seconds."

"Second Young Master Jiang! "Emily Gale really wanted to slap him on the forehead.

But he knew his character and said that if you wait for her, you will definitely wait for her.

"Okay, we will come out immediately."

After hanging up the phone, Jenni

Then they walked towards Su Xiaomi and He Lingzhi who were still in front of the stall.

"The Second Young Master Jiang wants us to go to the gate of Jiangmen right now! He wants to take us out."

When the two heard that the big boss is coming, where would you dare to delay?

Although I liked this bag very much, Su Xiaomi quickly put it down, pulled up He Lingzhi and left.

The big boss' time can't be wasted by them. What if the salary is deducted?

However, there are really many good things here, and I want to buy a lot of them!

Jiangnan's car was indeed at the door, and he sat in the driving seat, waiting for them.

"Second Young Master Jiang, in fact, you just go out peacefully, we...we can go back to the company by ourselves."

Su Xiaomi is still struggling, and the bag I just fancied, finally shaken by the other party, the price will definitely be negotiated. .

Buying more than 10,000 bags in a regular store, someone might be willing to sell them to her, which is crazy!

However, when the boss made a phone call, the bag was completely vanished, which was miserable.

"Of course I want to buy something, I'm not a good companion, you guys stay with me."

Jiang Nan didn't explain anything, and stepped on the accelerator.

The car left from Jiang Da and drove towards the big shopping mall in the city center.

Su Xiaomi and He Lingzhi stared at Emily Gale in front of them with resentment.

She has a rich boyfriend and can buy anything, but they don't have such a rich boyfriend.

Going to the high-end shopping districts in the city center, there are a lot of things. Unfortunately, the wallet is not up to date. What can I buy?

Sure enough, when I went to the counters in the city center, I felt frustrated.

A bag is at least tens of thousands, what to buy?

Jiang Nan sat down in the rest area to read the newspaper. Su Xiaomi was looking for Emily Gale to complain, but when she looked up, she saw a somewhat familiar figure walking by.

As she walked, she was talking on the phone with others.

Not knowing what the other party said, the man said displeased: "It's Emily Gale's b\*tch again! Don't worry, I will not let her succeed!"

## Chapter 349

It was then that Jiang Nan, Gale's child, gave Emily Gale a card before sitting down to read the newspaper.

"Swap one million, and you can't finish the two guys, deduct the bonus at the end of the year."

Jiang Er Shao said.

Emily Gale's eyes were straight. One million, more than an hour?

Later he will have lunch with his friends, that is to say, there is only more than an hour left for them to shop.

One million was wiped out in more than an hour.

"Too little? Then three million, the bonus will not be deducted."

The second master Jiang was not too salty.

Emily Gale almost vomited blood and wanted to refute something, so He Lingzhi grabbed her.

"Don't, don't say any more!" Go on, when it will become five million, how can it be spent?

If you don't spend it all, the bonus at the end of this year will really be deducted.

Although Jiang Er Shao seems to be gentle, he is always a big boss.

The big boss always speaks exactly the same thing.

He spoils Ranran, but that doesn't mean he will spoil her and Xiaomi.

Now, it is her and Xiaomi's bonus!

"Yes, it's your bonus anyway, so you can do it yourself."

Emily Gale squeezed the card into He Lingzhi's hands.

He Lingzhi was almost crying, she had never been so extravagant in her life.

Over an hour, three million, my god!

Are you dreaming?

"Where is Xiaomi? Hurry up and let Xiaomi buy it."

I guess Su Xiaomi would be frightened when he heard it.

But where did that guy go?

"Didn't you still be with us just now?" Emily Gale looked back, but didn't see Su Xiaomi.

"Have you gone to the bathroom?" "I'll take a look."

Time is running out, and He Lingzhi has to quickly bring his comrades back.

"Of course, you are here to wait for me, I will find her back."

He Lingzhi ran to the bathroom, while confessing: "By the way, you quickly choose first, and you will come back to buy directly, quickly!" ... Su Xiaomi is not in the bathroom.

When she heard the woman in front talking on the phone, she unconsciously followed.

That woman is scolding Ranran!

Getting closer, Su Xiaomi finally saw clearly that it turned out to be Siniya Ye.

Who is Siniya Ye planning with any conspiracy, do you want to kill Ranran?

For so many years, Siniya Ye and Kylene Gale have always bullied Ranran together, and she saw them all.

"Don't worry, I won't let the dead girl have a chance to meet Old Man Gale, definitely not."

Siniya Ye quickly walked into the stairwell, afraid of being heard by others.

Su Xiaomi couldn't hear it anymore, and quickly walked over, carefully following her into the stairwell.

Siniya Ye walked to the corner of the upper stairs, Su Xiaomi was down, her ears against the wall, listening carefully.

"Daughter, don't worry, how can Emily Gale know about her relationship with Gale's family? No, no, don't worry."

The relationship with Gale's family?

What do you mean?

Su Xiaomi frowned and moved a half step forward.

Siniya Ye stopped, Su Xiaomi didn't dare to go there, so she leaned against the wall and listened.

Siniya Ye has been comforting Kylena Gale: "Don't be afraid, she should be because your mother had someone outside and gave birth to you with a man from the Gale family. How could she have thought that the matter was related to her dead mother?" "...no, Daughter, don't be afraid, if Emily Gale really knows that he is the child of the Gale family, then we..."

Siniya Ye smiled on the test, and lowered her voice: "Mom will find someone and kill that cheap girl! "Of course it is Gale's child?"

Didn't it say that Kylena Gale is Gale's child in the morning?

Could it be that Kylena Gale replaced Ranran's identity?

Things are a bit complicated, and Su Xiaomi didn't react for a while.

Can only continue to lie on the wall and listen carefully.

Siniya Ye obviously didn't know that someone was eavesdropping, and continued: "Don't worry, did we use her blood to do a DNA test with the old man? Mr. Gale will not doubt it."

What do you suspect?

This appraisal, but they did it themselves.

Siniya Ye softened her voice and said comfortingly: "You don't need to worry about this. If the old man wants to eat with us, then have a meal with him. When it comes, I will say that Emily Gale's dead girl is not willing to come."

That's right, I'm not afraid, my mother will help you, everyone will help you... Emily Gale, that cheap girl wants to be the grandson of the Gale family in Lingzhou? She wants to be beautiful! In this life, the next life will be impossible!" Su Xiaomi squeezed tightly fist.

These people are really too much!

It turned out that the matter was related to Ranran's mother who died.

It seemed that Ranran's mother and Gale's husband gave birth to Ranran.

But now, because Gale's family was too rich, they came to the door, and they started Miss Gale's idea.

They even took Ranran's blood and went to do a DNA test with Mr. Gale!

How could there be such a shameless person in this world?

This matter, we must quickly tell Ranran.

She is Miss Sun of the Gale family, Kylena Gale is nothing!

Su Xiaomi made up his mind and turned around and walked towards the stairs.

Unexpectedly, the phone's ringtone rang at that time.

Su Xiaomi was taken aback and hurriedly wanted to go downstairs.

Unexpectedly, after walking less than two steps down the stairs, two men in black came up.

A Montenegrin man asked coldly: "What are you doing here?" ...

After looking around, he didn't even find Su Xiaomi.

If you call her, she won't answer.

"What's the matter? I made several calls without answering."

He Lingzhi looked at the darkened screen, "This guy

I don't know where I went.

Emily Gale looked around.

She was clearly with them just now. In a blink of an eye, she really couldn't find it. Why didn't you even answer the phone? Could it be that the phone was lost? But they have been here all the time and have not left, even if Xiaomi lost his phone, and he should know to come back here to find them.

"What's the matter?"

"Jiang Nan finally found that something was wrong with these two guys.

After giving them the card, he is still wandering around here now, not going to buy it? He put down the newspaper, walked over from the rest area, and looked at Emily Gale.

"Why?"

"The girl's little face was filled with panic, "What happened?"

"Xiaomi is gone."

"In fact, such a big person, walking away in such a lively place, there is nothing to be afraid of. Maybe there are too many people and too noisy, and I didn't hear the ringing of the phone. Maybe in which store, I saw something I like, To linger forever.

Although, these are not Su Xiaomi's character. But Emily Gale feels flustered inexplicably, and doesn't know what's going on, just restless.

"What is missing?"

Jiang Nan frowned.

It's not a kid anymore, can it be gone? "Anyway, I can't find it anymore, she..."

Suddenly, there was a loud noise, and then a group of people screamed."

"Ahhhhhhhhhhhhhhhhhhhhhhhhhhhhhh.h Change, at the fastest speed, towards the crowd gathered together..."

## Chapter 350

Certainly, someone took her up "Ah..."

He Lingzhi, who was the first to squeeze into the crowd, fell to the ground with a thud after a scream.

Emily Gale squeezed in behind her.

The scene before her made her feel cold, her eyes turned black, and she almost fainted!

The mall is hollow, and where they are now is the guardrail on the sixth floor of the mall.

And below... In the open space in front of the counter on the first floor below, a girl fell in a pool of blood, clearly falling downstairs!

She... Su Xiaomi!

It turned out to be Su Xiaomi!

"Xiaomi, Xiaomi..."

Emily Gale's legs were so soft.

Jiang Nan held her in his arms and looked at Su Xiaomi, who was falling down from the building, with a gloomy expression on his face.

"Don't panic, don't panic..."

"Ambulance, call an ambulance!" Emily Gale pushed him away and ran to the escalator madly.

He Lingzhi got up even while rolling, and ran to the escalator.

Su Xiaomi fell to the ground on the first floor, blood dripping all over the floor.

She fell down on the seventh floor. Some fence on the seventh floor was loose.

She just fell off the loose fence, but why did she go to the seventh floor, and why should she stand by the gapped fence?

"Xiaomi!" Emily Gale finally rushed to the first floor and knelt down beside Su Xiaomi.

But there was blood all over her body. When she fell, she hit the top of the foam at one of the counters and was relieved of a little falling force.

However, it was still bleeding from seven holes!

Emily Gale was in a hurry to get the phone, but his hands were shaking so badly that there was no way to take the phone out.

"Don't be busy, I have already called, and the ambulance will be here soon."

Jiang Nan gave her a hand, "Don't disturb her, it will aggravate her injury."

"How could this be, how could this be..."

Emily Gale He stretched out his hand and wanted to hug Su Xiaomi, but he didn't dare.

She was badly injured, she didn't even know if Xiaomi was still alive.

The sound of ambulances and police cars came from outside, and soon doctors and nurses broke in.

"Doctor, doctor, save her, save her!" He Lingzhi almost knelt down to the doctor, "Doctor, save her!" The doctor and nurse hurriedly checked Su Xiaomi, after a simple check, Give her oxygen immediately and prepare for a stretcher!

Emily Gale breathed a sigh of relief, which means that Su Xiaomi is still alive, she is still alive!

"The situation is not optimistic.

The injured person will be in danger at any time."

The doctor asked the nurse to deal with the patient's injury and prepare to carry the patient on a stretcher, while asking: "Where is the patient's family?" "I am! I am her friend!" Emily Gale got up immediately, "I'll go with you."

"So are we!" He Lingzhi also said with a trembling voice.

"Only one family member can accompany, others go by themselves hospital.

"The situation is too critical, and the doctor can't tell them too much. Now, saving lives is important.

"I'll go!"

"Emily Gale immediately followed.

"I...I..."

He Lingzhi's tears rolled down.

She wants to go, and she wants to guard Xiaomi! "I will take you."

"After seeing Emily Gale following the ambulance, Jiang Nan immediately grabbed He Lingzhi by the back collar, "Go!

"He Lingzhi was like a chicken. He was stunned by Jiangnan and walked to the parking garage. Jiangnan's expression was cold and he stepped on the accelerator.

The guardrail on the seventh floor is missing. Be careful to walk there, it is not impossible to fall off. However, it is impossible for Su Xiaomi to walk there for no reason. What's more, she is with Emily Gale and He Lingzhi, and there is no reason to go to the seventh floor alone. Many stores on the seventh floor are not open today because of preparations for activities.

The most expensive and big-name stores are also on the sixth floor. Su Xiaomi is here to buy things, what does he go up to? Su Xiaomi did not go up by himself, it must be someone brought She went up! When he arrived at the hospital, he saw He Lingzhi stumbled out of the car and ran to the emergency room. Jiang Nan took out his mobile phone and dialed a certain number.

"The surveillance on the 6th and 7th floors of Mingji Shopping Mall will be sent immediately. I call it out.

"Yes, the second young master!"

"... More than an hour ago, Jackson Tianyou and Yang Yi, who received the news, just arrived in a hurry.

After more than half an hour, Qin Zhizhou and Liu Shang also came.

After that, two people from the Su family also came. Su Xiaomi's father and her father's current wife. Mrs. Su had an impatient look, but when she came, she cursed: "Your daughter is a troublemaker, and she makes trouble all day long!"

"Xiaomi slipped and injured this time, and she didn't mean it."

"Mr. Su wanted to explain to his daughter, but in front of this wife, she didn't even dare to amplify the voice of her words. Mrs. Su angrily said, "If she didn't run around, how could she stumble and fall?" ?

I don't know how much medical expenses will be spent on such a trouble now!

"Su Mingrui, let me tell you, our family doesn't have much money. If you live in the ICU for a month and a half, you have to pay the money yourself!"

"A Jing, all our money is in your hands, how can I pay this money?"

"When Emily Gale came out of the bathroom, he just heard the conversation between the two people walking in the corridor ahead. My heart suddenly became cold and unparalleled. No wonder Xiaomi doesn't like to go home.

It turns out that this home is really not warm at all.

She was leaning on the wall, her legs were still weak, so she could only lean against the wall and walk back slowly. Su Mingrui and Liu Jingjing did not expect that they would meet the second young master of the Jiang family outside the door of the operating room.

Only at an important banquet, I met Jiangnan, and the other party didn't even know them.

But now, knowing that Jiang Nan was also waiting for Su Xiaomi's situation, the two of them immediately got excited.

"Second Young Master Jiang, I didn't expect to see me here, so lucky to be!" Su Mingrui went over immediately, with a smile on his face, and reached out to Jiangnan.

Jiang Nan frowned lightly, a little impatient.

Su Mingrui hurriedly introduced: "I am Xiaomi's father. This is my wife, the second young master. We met at the charity banquet last month."

Jiang Nan still has nothing to worry about.

Their daughter is still there. Inside, life or death is uncertain, this person wants to start a relationship.

Such parents are really chilling.

"Uh, Second Master Jiang..."

Su Mingrui's hand stretched out in the air, but the other party ignored it.

For a while, the atmosphere was a bit awkward.

Seeing this, Liu Jingjing knocked his hand down and looked at Jiang Nan with a smile: "Second Young Master Jiang, did you bring our millet here? Thank you very much, Second Young Master."

"Second Young Master, you have eaten. Is it right? Or, let's have a banquet and invite the second young master..."

Jiang Nan suddenly took a step, passed them, and walked in front of Emily Gale.

"How? Is it uncomfortable? I will help you to go and rest."

Emily Gale did not refuse.

She was not uncomfortable, but after Xiaomi's accident, her whole body seemed to be completely exhausted.

Now, even walking feels difficult.

I can only let Jiangnan support me and walk to the rest area to sit down.

Liu Jingjing quietly pushed Su Mingrui: "This girl...is that Xiaomi's classmate Emily Gale? She is not the fiancée of Young Master Jackson? Why is she with Er Younger Jiang again?"
